

**2006-2007**  
**World Evangelism Fund Report**

**N**azarenes continue to show their love for the Lord and his church through the tangible evidence of their financial giving. Once again, giving to the World Evangelism Fund and Mission Specials is an example of the faithfulness of the people whom we call Nazarenes.

This year, we report the receipt of more than \$48.52 million for the World Evangelism Fund. That is a 1.2 percent increase over last year's giving. Additionally, Nazarenes gave more than \$26.71 million for Mission Specials. This extraordinary giving by Nazarenes totaled \$75,246,310 in 2007. These numbers are compiled by Global Treasury Services in the Nazarene Headquarters

Financial Office in Kansas City, Mo. with the assistance of the Regional Offices and the Canadian National Board.

Such giving allows our denomination to continue to fulfill the Great Commission to go, to teach, and to make Christlike disciples in the nations. It supports schools, Bible colleges, hospitals, missionaries, and many other ministries that touch the lives of men, women, boys, and girls for Jesus Christ.

Thank you and God bless you for your faithful support of the World Evangelism Fund and the many ministries of the Church of the Nazarene.
