General Treasurer
Church of the Nazarene

Nazarenes around the world continued to support the ministries and global mission of the Church of the Nazarene to make Christlike disciples in the nations in 2009. Such sacrificial gifts to our ministries blessed the lives of countless individuals in our schools, hospitals, compassionate ministry centers, church plants, and outreach centers.

In a year of financial crises, we are especially grateful for financial support. We know that Nazarenes around the world have been affected by the economic conditions. The Global Ministry Center leadership asked for God's guidance and invested these sacrificial gifts wisely and carefully.

We continue to find ways to enhance our stewardship of resources through efficiencies of process. For example, our secure Online Gift Service (<http://web.nazarene.org>) eliminates the time lag of check clearing and simplifies the transfer of funds. Many churches and individuals enjoy the benefits of near-instantaneous transactions and receipting. More and more users are enjoying the benefits of near-instantaneous transactions and receipting.

As always, we are here to serve our churches and donors. The 2008-2009 World Evangelism Fund Report to our leadership reflects a year of modest decline in giving, despite the global economic crisis. Below is a global summary of the World Evangelism Fund and Mission Specials compared to three previous fiscal years.

The following pages are summaries of district-by-district support of the World Evangelism Fund. The figures are based on reports received from regional offices' finance coordinators.

Funding the Mission of the Church of the Nazarene through the World Evangelism Fund

For generations, Nazarenes have supported the World Evangelism Fund. Together, we've accomplished so much in our first 100 years. Join us on a journey into the next 100 years and partner with the Church of the Nazarene to make Christlike disciples in the nations. In our new plan for Funding the Mission, the World Evangelism Fund is the vehicle through which we deliver the message of hope - and your church drives our mission more than ever before.

Please visit <http://www.fundingthemission.org> to familiarize yourself with the percentage-of-income-based plan for funding our global mission. The answers to many of your questions can be found on the site, as well as a link to the Calculator Application that will revolutionize the way you track giving goals on your district and in your local church.
