III. Plan of Examination

DISTRICT BOARD OF MINISTRY

The District Board of Ministry shall oversee the credentialing process for elder and deacon candidates with the Studies’ Secretary ensuring that
all students have completed the respective course of study, no minister being ordained who has not.

**Eligibility**

Pursuant to Manual 426-426.7 “any member of the Church of the Nazarene who feels called of God to preach or to pursue lifetime ministry through the church may be licensed as a local minister ...” All local licensed ministers shall engage an appropriate course of study and Plan of Ministry with the District Board of Ministry overseeing the candidate’s preparation and assessing qualification for credentialed ministry.

**Course of Study**

Manual 424 describes the curriculum areas of the course of study for ministers in the Church of the Nazarene. The course of study is explained in greater detail at www.nazarenepastor.org and candidates for ministry are urged to become familiar with it engaging a pattern of lifelong learning.

**Modes of Study**

The recommended mode of preparation for full-time Christian service is by earning appropriate Biblical, Theological and/or Ministry degrees at any of our several Nazarene Universities in North America, (example: Ambrose University College, Calgary, Alberta) and, if possible, the earning of a Divinity degree in Ministry at Nazarene Theological Seminary in Kansas City, Missouri. Other modes are the Nazarene Bible College in Colorado Springs, Colorado, the on-line course of study through Northwest Nazarene University in Nampa, Idaho, and the modular course of study provided by Clergy Development of the Church of the Nazarene and taught through the District Ministry Development Centre. Students acquiring a course of study through Non-Nazarene alternatives will be assessed and potentially assigned
additional course work by the District Board of Ministry. The modular course of study for deacon ministries is forthcoming.

**Expectations of Candidates for Ministry**

Each candidate for credentialed ministry on the Canada Central District is to be familiar with and to follow a course of study consistent with the vision portrayed in the *Manual* 424-425. Students are to be responsible to submit transcript information to the Studies Secretary giving documentary evidence of academic standing in harmony with *Manual* 427.1 and 427.4. Students must submit yearly updates to the Studies Secretary by the student showing completed course work. No candidate may be ordained or have credentials recognized without transcript substantiation of course work.

Candidates are to be familiar with the vision of ministry for the Church of the Nazarene in Canada as formulated by the National Board.

Early in the credentialing process candidates shall attend a District Ministerial Assessment Centre.

Before one may graduate from the course of study all requirements stated in the current *Manual* must be fulfilled.

**Service Credit Policy**

In an attempt to standardize qualifying in-service ministry time for ordination regardless of academic track or ministry assignment the District Board of Ministry has devised a *Service Credit Policy* identifying that a minimum of 6,000 hours substantiate gifts, graces and fruits of ministry. These 6,000 hours are accumulated through the local license and district license ministry in the areas of proclamation/preaching, teaching, leading, mentoring/shepherding and administration. Where a ministry assignment may be primarily in a community setting (i.e., counselling, chaplaincy,
training, etc.) a minimum of 35% of service time should be directly related to ministry in the Church of the Nazarene. By the 30th day of March candidates and their Pastor/Mentor are to give to the secretary of ministry studies an annual account of service time, and where ones are serving in another setting under the direct supervision of someone other than their Pastor/Mentor, their Pastor/Mentor shall liaise with that supervisor gaining appropriate confirmation of ministry given and hours fulfilled. All of this is to substantiate and clarify active, effective, and enduring ministry.

**District Ministry Development Centre**

Canada Central District currently oversees two Ministry Development Centres providing classroom settings for qualified instruction and student/instructor interaction and the submission of assignments. The locations of these centres are at the District Centre, 3657 Ponytrail Drive, Mississauga, ON L4X 1W5 and the London First Church of the Nazarene, 176 Wellington St., London, ON N6B 2L1. Rev. Richard Dove monitors the curriculum of both and specifically plans course schedules for the District Centre site and may be reached at 905-628-8458. Revs. Junior and Rosalita Sorzano plan the course schedule for the London site and may be reached at 519-681-8192.

MAKING CHRISTLIKE DISCIPLES IN THE NATIONS

General Superintendent ; Dr. Jerry Porter, National Director; Dr. Clair MacMillan, Chancellor of Ambrose; Dr. Riley Coulter, delegates and friends of the 75th Annual Assembly of the Canada Central District Church of the Nazarene.

It is my privilege to present to you my 6th report as District Superintendent. This chapter of my life and ministry has provided me the opportunity to witness the church in all of her uniqueness and diversity throughout the province of Ontario. The Church of the Nazarene continues to faithfully proclaim the full Gospel of Jesus Christ and fulfill His mandate.
Yes there are many challenges, but there are wonderful stories from every church in every corner of this part of God’s Vineyard. Our mandate remains resolute: “Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you and surely I will be with you to the very end of the age.” (Matthew chapter 28 v 19-20)

PROCLAIMING THE SAVING GRACE OF OUR LORD JESUS CHRIST

PRODUCING RADICAL DISCIPLES OF JESUS CHRIST

GROWING HEALTHY CHURCHES

This is our mission set in the context of the National Vision which states “we the people in Canada called Nazarenes, commit ourselves to obeying the Father, Honouring the Son and Living in the Spirit by Engaging in effective evangelism, experiencing and promoting the holy life, and raising a generation of competent and spirit filled leaders through spiritual formation, sacramental living, and missional passion. This is our reason to exist. May we employ all the resources granted by our living Lord Jesus in order that we remain faithful to His cause.

SPECIAL TRIBUTE
Reverend Cecil Timothy Trotman, Pastor of our Cambridge Preston Church of the Nazarene passed away on 22nd September, 2009 after a year long battle with cancer. Tim always displayed the Spirit of Jesus throughout his sickness. His faith seemed to get stronger as his body got weaker. His testimony shone brighter as the challenges became greater. I carry in my Bible a picture of the Trotman family with their signature verse from Proverbs chapter 12 v 2: “A good man obtains favour from the Lord”. This truth has been fulfilled. Our District, the Toronto Grace Church and
Cambridge Preston Church and communities are better places because Reverend Tim Trotman passed this way. May God bless and keep you Suzanne, Justin, Jeremy and Zachery. We continue to hold you up in our prayers.

PASTORAL TRAINING DAYS

This is a continuing initiative. These Pastoral Orientation Days are for those ministry leaders who are entering the ministry for the first time, or for those who are coming to minister in the Church of the Nazarene for the first time. This provides an opportunity to present the District Vision and brief our new leaders on the teachings and beliefs of the Church of the Nazarene. This initiative has been a valuable tool in the hands of many.

ZONE FACILITATOR & PASTORAL TRAINING DAYS (Clergy Days)

These have been established in co-operation with Ambrose University College and Dr. Riley Coulter and Rev. Terry Fach. Three times a year our Zone Facilitators gather for “training” sessions. The purpose is for each facilitator to “learn” and then pass along the information to their respective zone pastors. Thank you Dr. Coulter and Rev. Fach for your interest and investment in our lives.

Our “Clergy Days” gathering took on a new look this year. We joined together with other Holiness groups in the G.T.A. on April 25th & 26th at the Timothy Eaton Memorial United Church and Tyndale Seminary. The keynote speakers were, Dr. Timothy Tennent, (President of Asbury Theological Seminary), Dr. Howard Snyder, (Chair of Wesley Studies – Tyndale University College) and Reverend Jim Cantelon (Huntley St. Ministries & President of Vision Ledd). We have a tremendous response to PALCON this coming August (34
registered) and anticipating a great Clergy/Spouse Retreat in October, 2010 with guest speaker Dr. David Sherbino.

NEW BUDGET SYSTEM

This went into effect on 1st May 2008. Thank you all for your willingness to make this new system work. It will require an ongoing 100% participation and I will be looking to you to make this a reality. This past year has been one of financial hardship but I, along with the District Advisory Board, will be carefully assessing all of the budgetary items and will present to you a fiscally responsible budget for the coming year. This will be presented in our Finance Meeting tomorrow and then to the plenary session of District Assembly in the afternoon session.

BUDGET 2010/2011 REFLECTS MINISTRY INVESTMENT

It is important for you to know where your dollars are being spent. When you invest in your District, your funds are used wisely. We seek to exercise great care recognizing that you have exercised great sacrifice in the giving of it. This coming year I have presented to the Finance Committee and ultimately to you what I believe is a genuine ministry budget. Many dollars will flow back to you in the form of supplements for pastoral assistance, support payments towards our Health Plan, pastoral emergency care, loans and grants to congregations with emergency needs, a continuing gradual increase in the support of our Compassionate Ministry centres, a large investment in NewStart Funding for church plants, and Renewal Funding for existing churches in need of a financial boost. There will also be large investments towards the cost of PALCON and Clergy/Spouse Retreat. These are
your funds at work and our prayer is that they will produce much fruit for
the Kingdom and our careful use of these monies will be seen as wise
stewardship.

**COMPANY OF 100**

During the past year and a half I established the Company of 100. This
is a group of individuals who have committed to give $1,000 per year for 5
years (over and above regular tithes and offerings) to the ongoing Ministry
of the District, and in particular to support the financing of our Youth
Ministries Director. Even with the departure of our Youth Ministries
Director this major contribution stream will help us finance new ministry
initiatives resulting in a healthy and vibrant church in Ontario. I want to
express my deep appreciation to all those who have partnered with us in this
vital area and I invite you to consider being a part of this group. May the
Lord richly bless you?

**CAMPING MINISTRY UPDATE**

The Clarksburg camp was sold on 4th April, 2008 for a price of
$625,000. According to the action of District Assembly 2006 these funds will
be used “revenue derived from the sale of Valley haven located at
Clarksburg, Ontario, be used towards the further development, emphasizing
our ministry to children and youth, of the Canada Central District camping
Centre at the Cedardale Camp.”

This of course was based on the findings of an exploratory committee
established at District Assembly 2006. Those findings are now complete and a
report and a recommendation and a recommendation will come to you tomorrow
from the District Advisory Board. This has been duly processed throughout the District and all pastors and delegates have received the recommendation well in advance of our discussion and decision tomorrow. This has been a long and tedious but necessary process.

**NEW MINISTERIAL BENEVOLENCE FUND**

Last year I presented to you a new project that would assist our pastors in later years. You heartily endorsed and adopted this new project and I am grateful. Each pastor, having served at least 10 years on the Canada Central District and having reached their 65th birthday and have met other criteria would receive $15,000 from the District as a token of our appreciation for faithful service. The first benevolence payment was made during this past year and we anticipate another one this coming year. Thanks be to God for enabling us to accomplish this.

**IN THE LOOP/AMPLIFIER**

This is an information document that comes to you every two weeks. Our goal is to provide you with the very latest information from around the district. It is a very helpful tool and we are glad to provide you with it. If you would like to receive this by email, please contact the District Office.

**WESLEY CHRISTIAN ACADEMY**

During the Church Year 2008-2009 a decision was made to separate ourselves (Canada Central District) from the day school operation known as Some Place Special and Wesley Christian Academy. There were several reasons
for this decision but most pressing was the need for us to focus on ministries that will have a direct impact on the local church. Other reasons surrounding budgetary issues prompted the action.

The transition from the Canada Central District to an independent Wesley Christian Academy is still in process and should come to a conclusion within the next few months. While this has been a long and complicated process, it has been very necessary to move carefully and slowly. We believe that this change will allow both the District and the school to move in the direction each believes to be most productive.

**OUR YOUNG PEOPLE**

This year we said goodbye to Rev. Stuart Williams (District Youth Ministries Director). He has assumed responsibility as pastor of the Skyview Church of the Nazarene in Calgary. While we miss Pastor Stu we are so grateful for his initiatives that are continuing to reap tremendous rewards. We have a large number of young people serving in official ministry positions and as lay leaders. Carolyn Gillian (London First), Denise Holland (Brantford), Katie Hissa (Barrie Ferris Lane), Stephen Atkinson (Toronto Emmanuel) Mauricio Rivera (Brampton Spanish). Thank you to our District N.Y.I. President, Mr. Arun Thangaraj and the N.Y.I. Council for your ministry as you lead the young people of Canada Central District. I would also like to thank Reverends Trudy White and Steve Ottley as they serve as District Advisory Board representatives. Please pray for the young people of our District as they provide Godly leadership in the church.

**OUR CHILDREN**
The 1907 General Assembly of the Church of the Nazarene declared: “It is necessary that each (Sunday School) teacher be in possession of “perfect love” as a definite experience, that each pupil may have a living object lesson. There is no better way to establish a solid foundation for our children than to display and demonstrate the love and power and holiness of God. We are committed to the work of S.D.M.I., at the District Level and the Local level. We want to lead our children to Jesus, teach them how to walk with Jesus, prepare them to meet Jesus. I am prepared to invest time, effort, training and funds in this endeavour and I am forever grateful for a dedicated team of people committed to this task.

Thank you SDMI Chair, Mrs. Cindy Stavropoulos for keeping us “on track” regarding training, equipping and preparing our people for effective ministry. Thank you also to Kathy Coates for your many years of dedicated service as Children’s Ministries Director. We welcome our new Children’s Ministries Director: Kerby Stahlbaum to this vital position. I am so burdened about our need to reach this generation of children. If we don’t reach children NOW we will have no youth in 12 years time. If we don’t reach children NOW we will have no Ambrose student potential in 15 years time. If we don’t reach children NOW we will have no Young Adults in 20 years. I now call upon SDMI and the Children’s Ministries Department to develop a strategy for effective ministry to our children. While each local setting is different, I believe that there are basic principles and practices that can be effectively used to not only reach children for Jesus, but to develop them into mature Christlike disciples. I really cannot stress this enough. This is a “MUST DO” ministry for every congregation. This is not merely an exercise of providing childcare in our churches during Sunday morning
service; this is an intentional ministry strategy necessary for the very survival of our congregations out into the future. This is necessary because the children of our world are no longer being indoctrinated by statements of theory, but statements that are presented to them as fact.

Our message is in danger of being silenced, not because the proponents of a contrary message are speaking louder, but because we are not speaking at all. It is the responsibility of every congregation, every church board, every Sunday School & Discipleship Ministry Board to make intentional efforts to spend time, spend energy and spend money on ministry to children. Your budget for the year ought to reflect a significant investment in ministry to children. There is hardly a greater cause than this.....why.....because babies become toddlers, and toddlers become pre-teens and pre-teens become teens and teens become College and Career and College and Career people become Young Adults and Young Adults become 30 something’s and they become middle aged and they become old aged and then they die. And the reality is that there is a sequence here that demands linkage. One gap and ministry in the chain of succession is aborted.

The children of this world were born to run, born to dance, they were born to be free. Let us not lose sight of the fact that true freedom comes through Jesus Christ. We must present Him to them, we must nurture them, we must disciple and mentor them so that they continue to run and continue to dance and continue to be free in the beauty and power of our Saviour.

**OUR CUBAN CONGREGATIONS**

I report excellent progress in our “Partners In Ministry” initiative with the Church of the Nazarene Cuba.
I want to express my thanks to you all for your involvement in this crucial ministry. Many of you have or are in the process of planning trips to visit your sister congregations. I commend you for this and urge you to continue your support of pastors on the island. Reverend Junior Sorzano is our Cuba Partner Co-Ordinator and we have already heard his report this evening. We are a “connectional church” and we really do need each other. May the Lord continue to help us help others in this great effort to reach our world for Jesus.

**OUR TRAINING AND DEVELOPMENT PROGRAM FOR NEW LEADERS:**

Following discussions seeking ways to develop a Canada Central Pastoral Training model I believe that we are responding adequately to those who feel “Called of God” to prepare for vocational ministry in the Church of the Nazarene. While we do have our regional educational institution, we feel strongly that we need to provide a place of preparation for those who want to remain in their local church while preparing for future ministry. Our MDC (Ministry Development Centre) program is operational once again with three centres offering courses from the International Church 24 Modular Course of Study. These centres are.......Oakville, led by Reverends Michael & Betty Zita......London, led by Reverends Junior & Rose Sorzano and our Spanish MDC led by Reverend Pedro Fernandez. This 24 Modular Course of Study provides a student with the basic educational requirements for Ordination in the Church of the Nazarene. It is important to note that these courses are not transferable and do not qualify for a degree program.
This is however providing an educational option to those feeling called of God to prepare for ministry in the Church of the Nazarene and for those who simply want to prepare themselves to serve as dedicated laypeople.

CELEBRATING 75 YEARS: NOW WHAT

THE LAST 6 YEARS

In June 2004 I was elected as your District Superintendent. I joined a great company that had gone before me. Leaders who sacrificed greatly, leaders who paid a price to fulfill the mission and leaders who built upon each other’s work and service. I committed myself anew and afresh to the Lord, asking Him to help me fulfill my ministry responsibilities so that the work would continue seamlessly. I believe that He has helped us in a remarkable way.

I presented to you 7 “Critical Ministry Objectives” and 5 “Critical Operational Objectives”. These became the blueprint for the superintendency and for the forward movement of the Canada Central District Church of the Nazarene as we seek to reach the lost for Jesus and “Make Christlike Disciples” out of every one of them. I am delighted to report to you now, 6 years later that each of these objectives have at the very least been addressed and for the most part been fulfilled.

We are building a strong team of pastors and leaders. We are starting new churches the right way and when they don’t work, we stop. We are always monitoring the health of our churches and will make the tough decisions to “retire” them after continuing and sustained decline. We have a passionate ministry to and burden for our children and youth. We have addressed the issue of the camping ministry on our district. Following much consultation
and due process, bathed in prayer and seeking the Lord’s direction, we closed one camp in 2006 and I will present to you my recommendation for the future of the other one tomorrow. We have re-located the District Office to a fine facility on the Mississauga Bethel site. We hired a part time District Administrator (Dr. Hugh Hawthorne) to deal with such issues as, Plan to Protect, Incorporation, Camp feasibility Task Force etc. We established several tools for Pastoral Development (Clergy Days, Active Zone participation and Training, Orientation Days, Retreats etc). I believe that we truly have invested well in Kingdom priorities.

At a glance let me show you where we have come from since 2004:

**IN HIS HANDS – IN HIS STEPS**

“He who dwells in the secret place of the Most High shall abide under the shadow of the Almighty. I will say of the Lord, He is my refuge and my fortress: my God; in Him will I trust.” Psalm 91

I want to call you to radical obedience to the Great Commission announced by Jesus in Matthew 28 verses 19-20. We have embraced the idea of seeing people come to the Lord and making Christlike disciples of them. However the very first part of the commission is NOW so crucial for us -- GO! or more accurately translated, “AS YOU GO”, wherever you go, whatever
you do, MAKE DISCIPLES. Islam has it’s 5 Pillars, Buddhism has it’s 4 Noble Truths: Judaism has it’s 10 Commandments: Hinduism has it’s 18 Principles of Bhagavad Gita: Confucianism has it’s 449 sayings of the 4 Books of Gita: We have a Word: GO! Oh yes, this is simplified to make the point, but it is the point. When Jesus sent out His 12 disciples He didn’t dispatch them with principles to dispense or with lists of projects to complete.....NO.....he showed them PEOPLE. People who were not to be treated as abstractions or projects or statistics, but people to serve, people to heal, people to love and people who are designed for God’s Kingdom. John Bunyan writes in Pilgrims Progress....“at the day of doom men shall be judged according to their fruits. It will not be said then, what did you believe? But were you doers of talkers only? Randall Groves says “churches have turned their towers into resorts and amusement parks to attract the wayward. They have repainted, redesigned, restaffed, recrafted mission statements, replaced, rewired, redone this and that believing more in the reincarnation of the old rather than the incarnation of the new. This is not a matter of being good or bad it is a matter of focus and priority”.

Isaac Bashevis Singers analogy for where we stand in relation to God says “it is as if you were to ask a bookworm crawling inside a copy of War and Peace whether it is a good novel or a bad one. He is sitting on one letter trying to get nourishment”. ... this is his satisfaction, this is what he is focused on, he is not interested in critiquing the book, critiquing the church, he just wants to fulfill his immediate mission.

Friends, could it be that we are spending far too much time critiquing the church, when we should be focused completely on the mission of the church -- to GO.
The Church must always be ready to GO, always ready for deployment....Pablo Casals, perhaps the greatest cello player of all time used to say that good musicians play the spaces between the notes, as notes. The spaces between the notes provide us all the opportunity to MENTOR, to truly DISCIPLE, to reproduce within one another the Spirit of Christ. To spend more time with less people, investing in believers, walking with them, praying with them, laughing and crying with them until with the Apostle Paul we can say...... “I am free from the blood of all men, for I have not shunned to declare unto you the whole counsel of God”. I call upon you to establish intentional mentoring ministry within your local church.

When we place ourselves at God’s disposal, our declaration is WE’RE IN and God’s response is YOU’RE OUT.....you are out into the world, you are out in the power and presence of the Lord Jesus Christ who has sent us out IN HIS HANDS and IN HIS STEPS to engage the world for whom He died. 

The earliest description of the earliest Christians were that they were people of the way. Will you be a GOING congregation . . .will you PASTORS make this your priority, will you LAY PEOPLE make this your priority, will you, in the next chapter of our history return to the practise that made the church great. Will you return to the practise that made her obedient and powerful and Christlike.

I want you to embrace a plan that has been stirring within me for two years now. I have wanted to share but it just did not seem like the right time, until now. I need you to help me be faithful to my mission.

We cannot possibly start the churches we need to start if we are going to continue to use the North American model, we cannot possibly reach all
the people we need to reach if we are going to continue to use the North American model. I have served on the General Board now for 5 years, but the impact of this meeting in February has left me deeply convicted and highly motivated. I serve on the committee that interviews Global Mission candidates and I am persuaded like never before that we need to take more risks than we do. These are not reckless risks, these are in fact calculated risks if we abide in Christ.

What is God Doing so that we can join Him?

Jesus said in John 15 “I am the Vine, you are the branches, if anyone remains in Me and I in him, he will bear much fruit, apart from Me you can do nothing”. One cannot look at a tree without looking at the roots. We may not see the physical roots, but in the tree you are seeing the relationship between roots and the product of the roots. Are the roots of the church intact, are the roots of the program you operate at a local level intact, are the roots of our mission intact. If they are then the tree will bear fruit.

And that fruit does not appear for a while, it may be a year or two but in the fullness of time that fruit bears witness to a good root base. Luke 5 v 1-11: “Put out into the deep and let down the nets for a catch”

Luke’s account focuses on the call of Simon. Here is Jesus standing on the shore of the lake, giving instructions that precede a commission. Note that this call to Simon comes some way into the relationship between Simon and Jesus. Jesus has been a guest in Simon’s house (Chapter 4 v 38-39) and they have come to know each other very well, but now it is time for total commitment. There is a model here that we would do well to consider -- the
need to become familiar with Jesus, to listen to His teaching, to understand His Word without the pressure of other voices until HE HIMSELF CALLS.

"Jesus calls us by Thy mercies, Saviour may we hear Thy call,
Give our hearts to Thine obedience, Serve and love Thee best of all.

Could it be that now, this year, this moment that since we are some way into a relationship with God that now He has us where He wants us, now He has us where He can get our attention and now, He says, you are educated well, you know My word and My Spirit is saying .......GO.

Could it be that the time has come for us to determine to be FOLLOWERS and not leaders? Leadership is a crucial component, but we need more followers: COME AND FOLLOW ME says Jesus, come and just do what I say says Jesus.

Raphael was an Italian painter of the 16th Century. Even though he died young, on his 37th birthday, he is regarded as one of the greatest painters of all time. He is buried in the Pantheon in Rome. In his depiction of the Transfiguration which hangs in the Vatican Galleries we see how he brings both parts of the mountain event together. In the top part of the picture is Jesus. He is transfigured in light, hovering above the ground and the cowering disciples. Moses is to the right and Elijah to the left, and there at the bottom of the mountain is a crowd with all of humanity represented. What Raphael demonstrates so visibly and dramatically is that life is all of a piece. Peter, James and John have been given a glimpse of the true glory of the Christ with whom they have chosen to throw in their lot. However the ever present temptation is to stay there, to build shelters, to stay away from the demands of life and ministry that are right there at the bottom of the mountain. The challenge for all of us is to relate the mountain top
experience with the maelstrom of the plain and ordinary, the confusion and the pain, the hurt and the anguish, the evil and wickedness that is all around us. This is what the very first word of the commission is all about: GO.

"No saith the Lord, the hour is past, we go
Our home, our life, our duties lie below,
While here we kneel upon the mount of prayer
The plough lies waiting in the furrow there,
Here we sought God that we might know His will
There we must do it, serve Him, seek Him still".

Let us “Go” and be the church that God has truly called us to be.

Out in the highways and byways of life, Many are weary and sad,
Carry the sunshine where darkness is rife making the sorrowing glad.

Make me a blessing, make me a blessing,
Out of my life may Jesus shine.
Make me a blessing O Saviour I pray, make me a blessing to someone today.

Tell the sweet story of Christ and His love, tell of His power to forgive,
Others will trust Him if only you prove, true every moment you live.

Give as was given to you in your need, love as the master loved you,
Be to the helpless a helper indeed, unto your mission be true.

B. DISTRICT BOARDS AND STANDING COMMITTEES

The Manual does not specify the number of times that the Advisory Board should meet. In recent years ten or eleven meetings have been held. However, with the increased use of teleconferencing and email communication, the trend has been to fewer formal meetings. 7. The Board received regular operating reports from the following District Sponsored Ministries and approved their operating budgets: Sharing Place, Heritage Counselling Services, Sunshine Children’s Centre and the Camping Ministries Board of Directors. District Administrator Hugh Hawthorne submitted regular reports.

8. Joan Harewood, Director of Heritage Counselling Services, announced her retirement effective October 31st, 2009. She served in this position for the past 19 years. After review and in consultation with Joan, the Board decided to discontinue this ministry. Joan’s outstanding service was recognized at a farewell in December.

9. The Board received monthly progress and financial reports from the five local churches who were receiving District support.

10. As reported to the Assembly last year, control of Wesley Christian Academy/ Some Place Special (WCA/SPS) passed from Canada Central District to
Messrs. Wade and Onley on December 31, 2008. The Board, in monitoring this transition, became aware of further actions to be completed relating to incorporation and loan refinancing. These continue to be followed up in consultation between the DAB and the new leadership.

11. The Board continued its support of the financing of the Wesley Chair at Tyndale Seminary at a cost of $2,000 per year.

12. The District Nominating Committee was appointed as follows: Rev. Octavio Torres, Rev. Bob McLellan, Rev. Bruce Clark, Rev. Carrie Tweedle, Rev. Otto Hung, Vasco St. John, John Andrews, Gord Evans, Jack Matheson, JoAnne Van Belleghem, Mike Khan. The committee report is contained in the Assembly delegates’ package.

13. The Board affirmed the implementation, effective May 1st 2010, of the new basis for funding the World Evangelism Fund. This was introduced at last year’s District Assembly and calls upon each church to give at least 5.5% of its income to WEF. The District Finance Committee has incorporated it in its projection for 2010-2011.

15. The Board ratified the application from the Markdale Church for infrastructure exemption from a portion of their District tithe for 2009/2010. This application met the criteria established at District Assembly 2008.

16. The Board agreed to sponsor attendance of Canada Central pastors at PALCON 2010 in the amount of $250 per pastor for travel. This is addition
to assistance also being provided by the National Board and by Ambrose University College.

17. The Board approved the name change of Hamilton Spanish Church to Hamilton Young Flock Spanish Church of the Nazarene.

18. The Board made the decision to close the Stratford Siloam church plant.

19. The final report of the Riverview task force established by the District Assembly to explore the capability for development of the property on the west side of Pefferlaw road was presented to the Board. The conclusion of the primary engineering consultant retained by the task force stated the following: “Owing to the environmental considerations on-site and the significant impact (of these) on the design and use of the children’s camp, the camp would be limited in size in terms of on-site facilities and would be required to be located on the periphery of the site closest to the Pefferlaw Road. For these reasons, we recommend that the Church not proceed with its plan to develop this property.” The chair of the task force, Hugh Hawthorne, affirmed that the task force concurred in this recommendation.

The Board accepted the recommendation, and agreed that no further action should take place on the property.

20. The Board agreed to allocate the final proceeds from the sale of Valley Haven, which amount to $550,000, in the following way.

a) $150,000 to District operations: This is to recoup the investment in the septic system upgrade required by the municipality in 2003, as well as line of credit advances.

b) $35,000 to be equally divided amongst the seven churches in the immediate vicinity of Valley Haven.
c) $365,000 to Riverview for infrastructure investment, primarily for the provision of more accommodation, with particular emphasis on the needs of children and youth. This action signals that Riverview cannot look to the District for funding its operations or any extraordinary expenses. The District will, however, provide its backing by, for example, issuing promissory notes for viable ventures which may be proposed by the Camping Board of Directors. The Advisory Board also encourages the sale of the west side properties, which as reported in item 18 above, cannot be developed for camping facilities. The proceeds of any such sale would be passed to Riverview for infrastructure development.

D.A.B Recommendations to District Assembly 2010

A. The recommendation adopted by the Assembly in 2006 to establish the task force referred to in item 18 above, included the following note: “If, after all the research has been completed, it is determined that we cannot proceed because of governmental, municipal or environmental restrictions, we will need to seek another facility for implementation of our Canada Central Camping Vision.” The Advisory Board feels that due to a changing economic and needs landscape, it would not be a prudent use of funds to seek out and develop another facility for the implementation of our Canada Central camping vision.

In view of this the Advisory Board recommends that the action of the 2006 District Assembly pertaining specifically to seeking another facility be rescinded and that we do not seek another facility but embrace recommendation #1 of 2006 that Cedardale (Riverview) be designated as the Canada Central District Camping Centre.
B. In consideration of the fundamental change in Riverview funding described in item 19c above, the Advisory Board recommends the elimination of local church assigned Camp Budgets, effective May 1st 2011, i.e. for Church year 2011/2.

Respectfully submitted,

John T. Martin, Secretary     D. Ian Fitzpatrick, Chairman

4. Board of Church Properties

The members of the District Church Properties Board for 2008/2009 were Rev. Ian Fitzpatrick, ex officio; Hugh Hawthorne, chair, Rev. Keith
MacAskill, Julio Moreno, and Rev. Keith Taylor. Rev. Taylor will not be serving on the properties board in the next church year. We have greatly appreciated his wisdom and diligence.

Although there were no formal requests to the District Church Properties Board in the last year we were able to assist Collingwood church in obtaining a loan from the National Board loan fund in the amount of $22,000 thus avoiding the need for a commercial mortgage.

It is recommended that churches considering purchase or sale of property, building expansion, increase of indebtedness, etc begin the process by reviewing the requirements of the Manual (2005 - 2009) Sections 233 through 234.5 and sending a brief email to the chair of the District Church Properties Board at hugh.hawthorne@sympatico.ca explaining the nature of the request. Advice can then be given and proper forms provided. A positive vote of the church board should be followed by a vote of the congregation.

The board secretary or alternate should then complete the appropriate form(s) including the Approval Form and forward the completed forms by e-mail to the chair of the Church Properties Board. A period of at least two weeks should be allowed for the District Properties Board to review the request.

The information will be forwarded to the members of the District Properties Board for review. Any questions raised will be sent to the local church for answering. The Church Properties Board will forward its recommendations to the District Superintendent for review and a decision by the District Advisory Board.
Where possible, the complete process can be completed via email and a recommendation made to the District Advisory Board in the shortest possible time. Sending the request directly to the District Office will result in an unnecessary delay.

5. District Camp Board

Dr. Porter, Rev. Fitzpatrick, Ladies & Gentlemen

It is my privilege to present my fourth report as CEO of the Camping Ministries Board of Directors.

This year was one of many changes and challenges. The Food Services for all camps fell under the leadership of Stephanie King and was one of learning on many fronts. Last May we were visited by the Georgina Fire Inspector and were issued an order to put fire alarm systems in the tabernacle, dining hall and lounge. We were also ordered to place fire preventative materials on all walls of the Ladies Dorm and Motel. The fire alarm was in the process of installation at time of writing and should be completed now. The motel and dorm will take a little longer, since we are taking this opportunity to upgrade these two buildings with larger motel type rooms. We could use some help in getting these buildings ready for July 1st. Why not organize a group from your church to take on the finishing of a room. With your help and HIS, we will be able to use these rooms for the camping season.
Matthew 28:18 – 20... Then Jesus came to them. He said, "All authority in heaven and on earth has been given to me. 19 So you must go and make disciples of all nations. Baptize them in the name of the Father and of the Son and of the Holy Spirit. 20 Teach them to obey everything I have commanded you. And you can be sure that I am always with you, to the very end."

Camp is a time when opportunities are given for boys & girls, teenagers and adults to accept Christ or renew commitments to Him. At Riverview we have many opportunities to teach, encourage and support each other as we serve the King of Kings. It is our goal to be examples of Christ to all who come on the grounds.

The current Board of Directors are: Bruce Baker (CEO), Stephanie King (Director of Administration), Rob Rook (Director of Fixed Operations), Peter Coghill (Chairman, Family Camp Committee), John Martin (Tenants Representative), Rev. Donna Wilson, David Potter, Doug Davis, Bruce Aitken, Bev Deeks, (Treasurer) Hugh Hawthorne (District Administrator).

My sincere thanks to our Board of Directors for your commitment and leadership as we move forward with Christ-centred camping programs.

Last summer we were unable to find the leadership for Children’s Camps. Many of you rightly expressed your disappointment that this important program was left off the camping agenda. We are pleased to announce that Children’s Camp is back again. Wendy Rampold has taken on the Director position for this camp and with an excellent support staff and a great group of volunteers are looking forward to a wonderful week. If you want Children’s Camps to continue, get your church behind this event and help children in your church get to camp.
Our Family Camp week will open with a Barbeque and Missionary Service with Rosemary Redshaw on Saturday, July 25th. Family Camp will officially begin Sunday morning, July 26th and concludes on Sunday evening Aug. 2nd. Our feature speaker this year is Rev. Ken Dove, Nashville, Tenn. Ken has been with us before and has a wonderful way of presenting God’s word. Speaking in the week-day morning services will our own Rev. Steve Ottley, pastor of our Gateway church in Whitby. Nathan Rogers will be providing special music and leading in praise and worship. Nathan is the Worship Pastor at Grace Church of the Nazarene in Nashville, Tennessee, where Ken Dove is the Senior Pastor. We look forward to this team that have a proven track record of working together. The Heimbecker’s will be back as our Children’s workers and the Youth/College & Career will be led by Marg Stahlbaum with Pastor Mark Kitzman leading the Bible Studies & Devotions.

For more information, go to our “new” Riverview website at:

My sincere and heartfelt thanks to our District Superintendent and District Advisory Board for their encouragement and support this year.

Respectfully submitted,

Bruce M. Baker, CEO

C. ASSEMBLY COMMITTEES

1. Audit

Copies of the Auditor’s Report can be obtained from Don Tweedle, District Treasurer, upon request.
2. Finance

We, the District Finance Committee, submit the following recommendations and direct that the senior pastor of each Church distribute a copy of the report to each local member of their Church Board, to be reviewed by them at the first Board Meeting following the District Assembly.

A. World Evangelism Fund Allocations

1. Budget Base

a. That all local churches are challenged to give at least 5.5% of its income to the World Evangelism Fund (WEF). Church income is defined as any donation received by a church that qualifies as a charitable donation.

B. District and Education Allocations

1. Budget Base

a. That the budget base for all funds other than World Evangelism Fund will be based on a tithe of regular tithes and offerings. The details of the calculation of this tithe are explained in part E below.

b. That the allocation of each dollar received by the District for the tithe under this part will be allocated as follows:

<table>
<thead>
<tr>
<th>Allocation</th>

</table>
C. **Special Recommendations**

1. That the District Superintendent be granted five weeks vacation to be taken at his/her discretion.

1. That our people be encouraged in stewardship of their possessions as this relates to wills, annuities, and life loans on behalf of all the Ministries of the Church, i.e.: General, District, Educational and Local.

2. That every church participate in the Nazarene Theological Seminary offering on Sunday January 30, 2011, or at a time convenient to the local church schedule.

3. That the local church board, have all local treasurer’s books audited annually (129.23, Manual 2009-2013). (For churches needing assistance in having their books audited, contact the District Treasurer for individuals who can perform the audit of your records).

4. That the travel expense be $0.35 per kilometre for all district meetings. This figure will include all toll charges.

6. That the Church Board designates at least two members to be responsible for the signing of cheques and that the pastor or his/her spouse not be involved in this process. The pastor or his/her spouse should not be involved in the counting or handling of church funds.

D. **Budget Remittances**
1. All World Evangelism Funds made payable to: Church of the Nazarene Canada, shall be sent to 20 Regan Road, Unit 9, Brampton, ON, L7A 1C3

2. Church tithe funds made payable to: Church of the Nazarene in Ontario shall be sent to the District Treasurer: Mr. Donald L. Tweedle, C.A., 133 Thrushwood Drive, Barrie, ON, L4N 0Z1. Remittances should be sent in order to reach the District Treasurer’s office by the 10th of the following month.

E. Additional Guidelines

WORLD EVANGELISM FUND

For additional information on rare circumstances and designated giving, contact www.nazarene.org and follow the link to Funding the Mission.

Please note that Canadian law supersedes ecclesiastical action and for more information on Canadian law requirements, please see the Canada Revenue Agency website at www.cra.gc.ca/charities.

DISTRICT TITHE SYSTEM

GENERAL PRINCIPLE

The general principle behind the budget allocation formula is that the 10% requirement will apply to the tithes and offerings raised for the regular operations of the local church.

BUDGET ASSIGNMENT

The budget formula will be comprised of two components: one to calculate the World Evangelism Fund and one to calculate the rest of the budgets.
BASE FOR CALCULATION

For purposes of calculating the budgets to be remitted (other than WEF), the tithe is based on regular tithes and offerings of the local congregation and missions (including but not necessarily limited to NMI, NYI, SDMI) less WEF paid in the year.

The tithe will not include monies collected for a specific project where all of the money is being spent on that project and is outside of the regular operation of the church.

EXEMPTIONS

The church may raise funds for purposes other than the regular operation of the church. Some exemptions are recognized as being outside of the tithe policy and are therefore automatically exempt without need to apply to the District Advisory Board for approval. In other circumstances, the local church can apply to the District Advisory Board for exemption of the funds to be raised from the budget base for the 10% tithe. Application should be made to the District Advisory Board no later than 60 days prior to the date that the raising of funds is to commence.

For greater certainty, exemptions will generally be granted for the following circumstances:

APPLICATION TO THE DISTRICT ADVISORY BOARD REQUIRED

1. Capital projects. Capital projects will generally be defined to include:
   a) any new improvement to the physical facility; or
   b) significant repairs or replacement of physical facility exceeding $20,000 or 10% of regular tithes and offering, whichever is less.
2. Funds for debt reduction campaigns
3. Funds for building campaigns.

**ITEMS AUTOMATICALLY EXEMPT**

4. Rental income including income from daycares

5. Missional funds e.g. Canadian Food Grain bank funds, Work & Witness project funds (not travel and other personal use funds),

6. General church specials (e.g. NTS) and other specially designated denominational offerings (e.g. Hunger and Disaster relief, compassionate ministries)

The local church should be prepared to provide an accounting of the funds raised and money spent on any project or fundraising campaign for which an exemption has been granted.

**SECTION 2 – PASTORAL SUPPORT**

Because of the love and esteem we have for our pastors, we make the following recommendations:

**SALARY**

1. Each local church should review the pastor’s support package at least annually, such as at the time of setting the annual church operating budget. Each church should endeavor to provide a reasonable increase in salary and benefits. Each church board secretary will advise the district superintendent in writing that a review has been made and indicate what the pastor’s revised compensation package is (this is required for long-term disability benefits calculations). Guidance can be sought in determining a suitable compensation package by referring to the Statistics Canada website ([www.statcan.gc.ca](http://www.statcan.gc.ca)) and referring to information particular
to your region. An appropriate comparison group for this purpose is the “Occupations in social science, education, government service and religion” category of the statistics. As at January 2010, the average annual wage rate for this group is $60,860. (Consideration should be given to the fact that pastors are generally eligible for the clergy residence income tax deduction which increases the value of the package to the pastor. The clergy residence deduction is limited to income earned from pastoral ministry only and not other income sources). In recognition of the value of higher education, we recommend that in addition to the compensation package determined above, that the package be increased for the following educational levels achieved:

Masters Degree i.e.: M.A., M.Div., etc. 3,000.00 per yr.
Doctorate Degree i.e.: D.Min., PH.D., etc. 6,000.00 per yr.

HOUSING

2. Suitable housing arrangements in keeping with the community. This should be in the form of a housing allowance (as part of the pastor’s compensation package), a church-provided parsonage, or a church-rented accommodation. Canada Revenue Agency guidelines must be taken into account when setting the pastor’s compensation package. Reference should be made to form T1223 for guidance on the calculation of the clergy residence deduction.

a) Where the church provides a parsonage, the church shall pay all expenses, such as rent or mortgage, taxes, insurance and utilities and equip it with a stove, refrigerator, freezer, washer, dryer, drapes, and carpeting as necessary.
b) Where the church does not supply a parsonage, then in addition to basic salary, the pastor’s compensation package should be adequate to cover monthly mortgage instalments, property taxes, insurance and utilities or rent if applicable.

**VEHICLE**

3. Car Reimbursement – This is not a taxable benefit but a professional expense. Car reimbursements must be based on the total usage of the pastor’s vehicle for church related work. A log of mileage must be kept by the pastor to justify the total usage and thus the car reimbursement. Alternatively, the pastor could receive a taxable allowance from the church and deduct employment related vehicle expenses on their personal income tax return.

**HEALTH BENEFITS**

4. Each church should provide for the supplemental health costs of the pastor and his family through participation in the District health plan. Care should be taken to avoid duplicating coverage with a spouse’s plan. (Information may be obtained from the district office. Please note that there is a time limit for application to the plan, the pastor or full-time employee must be registered within 30 days of their hire date.)

**RETIREMENT SAVINGS**

5. Each local church put a minimum of 5.0% of the pastor’s total remuneration package into the Canadian Group Registered Retirement Savings Plan or a personal RRSP plan of the pastor’s choice. We also recommend that the Pastor invest an equal amount of his/her own funds towards his/her retirement plan.

**VACATION/TIME OFF**
6. Each local church grants its pastor(s) with paid vacation based on career total length of full-time pastoral service in accordance with the following schedule:

<table>
<thead>
<tr>
<th>Years</th>
<th>Vacation Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-2 years</td>
<td>2 weeks</td>
</tr>
<tr>
<td>3-5 years</td>
<td>3 weeks</td>
</tr>
<tr>
<td>6-19 years</td>
<td>4 weeks</td>
</tr>
<tr>
<td>20 years and over</td>
<td>5 weeks</td>
</tr>
</tbody>
</table>

The timing of the vacation should be of the pastor’s choosing in consultation with the local church board, and the local church should pay for pulpit supply (see section 13). Participation in denominational responsibilities such as camps, pastors’ retreats, District or General Assembly is not considered part of the pastor’s vacation. Pastors are encouraged to take the full vacation allotment each year as a time of rest and renewal. Each church is encouraged to establish a written policy to deal with unused annual vacation if any exists.

In order to promote the pastor’s wellbeing, when the pastor’s regular day off falls on a statutory holiday, then an alternate day should be taken off instead.

DENOMINATIONAL ACTIVITIES

7. The local church will pay all expenses for the pastor and spouse to District Assembly and Pastors’ and Spouses’ retreat or All Canada Conference and that a fund is established for the pastor’s General Assembly expenses.

EXPENSE REIMBURSEMENTS

8. The pastor will be reimbursed for any authorized entertaining expenses incurred on behalf of the church.
9. Church boards wherever possible will authorize the pastor to purchase books for the library to value of $300.00 on the church account annually.

CONTINUING EDUCATION

10. The local church will encourage its pastor to attend short-term courses relevant to ministry, providing for travel, registration, and incidental expenses, and providing pulpit supply in his or her absence.

SABBATICAL LEAVE

11. Each local church should provide their pastor a paid sabbatical or study leave of at least three (3) months after the completion of seven (7) consecutive years of service to that congregation in accordance with the Manual article # 129.10. In order to encourage the lifelong learning of the pastor in spiritual, emotional, and educational dimensions, the church board, in consultation with the district superintendent, should consider supporting a sabbatical/study leave for the pastor during the seventh consecutive year of service in one congregation. (Nazarene Manual 2009-2013).

INTERIM PASTOR

12. Where a minister is called to a church and community for a resident, interim period, the minister’s support should be at the level prescribed in the pastoral support section of this report, recognizing the increased ministry the resident minister will provide. (Depending on the age of the interim minister, health and retirement benefits may not apply.)

PULPIT SUPPLY

13. Ordained elders, licensed ministers, or lay speakers supplying our church pulpits be remunerated an amount commensurate with the size and financial strength of the church using their services, but not less than
$120 per service in smaller churches and $170 per service in medium to larger churches plus travel and entertainment, where required. Automobile round trip travel should be paid at least the same rate as described elsewhere in this report or as set by the local church. If the travel is by public conveyance, actual travel expenses including entertaining costs should be reimbursed and connecting transportation be provided.

D. REGIONAL OFFICERS
1. Nazarene University College President

Dr. Porter, District Superintendent Fitzpatrick, members and friends of this Assembly: I am delighted to bring this report from Ambrose today, my 20th report as President of CNC/NUC, and Chancellor of Ambrose – and to introduce President Howard Wilson to your Assembly for the first time.

Enrolment: We were thrilled with an increase in enrolment this fall of 11%. We graduated 94 students in April – 44 with degrees from Arts & Science programs, 26 from Undergraduate Ministry programs and 24 from Ambrose Seminary.

Finances: We operated within a balanced budget this past year, with revenues and expenses of approximately $10.9m. This was made possible by the generous support of our supporting constituencies both within the C&MA and Churches of the Nazarene across Canada. We are grateful for your generous support.

Academic Development: Three new programs have been approved by the Minister of Advanced Education and Technology of Alberta, and will be offered this fall: Bachelor of Business Administration [4 year], Bachelor of Music [4 year] and the Bachelor of Education (after degree).

Campus Development: We paid $900k on our new campus mortgage this past year, with $19m remaining. Our first residence building is at capacity; we need a 2nd Residence building. We have received conditional approval from the Ambrose Board of Governors to proceed with the building of a 2nd Residence – but require new donations of $1.6m to proceed [which then makes the building pay for itself over time]. We are praying for God’s provision for this significant initiative.
**IBOE Missional Review:** In April a committee of the International Board of Education, chaired by Dr. Kent Brower, conducted a Missional Review of Ambrose, addressing the question: “Is Ambrose fulfilling the mission the Church of the Nazarene Canada brought it into existence to fulfil?” The committee concluded that

“...in the overall judgement of the Panel, Ambrose University College fulfils the criteria for the benchmarks of quality established by the IBOE (International Board of Education) to assess adherence to its mission. Ambrose is intentionally designed to promote the mission and preserve the theological legacy of the two founding denominations. In the judgement of the Panel, Ambrose is now well placed to make an increasingly significant contribution to the Church of the Nazarene Canada and the Christian and Missionary Alliance in Canada within their systems of higher education.”

Copies of this Missional Review are readily available; a few copies are in the foyer, and you can email me [rcoulter@ambrose.edu] if you would like a copy.

**PALCON 2010:** Ambrose is hosting this conference for clergy persons in August, and we look forward to welcoming all of you to our new campus! If you have not yet registered, please consider doing so soon.

**Tactical Objectives:** Recently President Wilson outlined these five strategic initiatives for Ambrose over the next two years:

1. **Increase our enrolment.** This will help us to further fulfill our mission while at the same time reduce our overhead costs. This will
require us to increase our academic facilities as well as our residences.

2. Develop new online courses and degree programs. This will enable us to better serve our constituencies and particularly those who cannot relocate to Calgary to pursue a degree.

3. Continue the process of ensuring that our Christian faith is thoughtfully integrated into every discipline we teach. We need to be intentional and thorough in this effort. Our students need to be well-prepared to be effective Christian leaders and ambassadors, whether they are in the marketplace or the ministry.

4. Become better recognized as a leading Christian college in Canada. We need to become a full member of the Association of Universities and Colleges in Canada [AUCC], which will be of great benefit to our students who wish to transfer or pursue graduate degrees. We also need to become a full member of the Council of Christian Colleges and Universities [CCCU]; we are presently an affiliate member. The CCCU is the North American organization for Christian higher education. Ambrose, with its increased enrolment and new major programs, is nearing eligibility for membership in both organizations.

5. Develop a comprehensive strategic plan for the next five years, detailing new programs, new personnel, new initiatives, and new facilities. We need to be sure Ambrose is prepared to meet the leadership needs of the future. The Ambrose Board spent much of its time at its Spring meeting on strategic planning. This strategic plan will also include a master development plan for the campus,
identifying where buildings should be located on our 38 acre campus. Our footprint is limited, and we need to optimize its usage.

Respectfully submitted

Howard Wilson, President
Riley Coulter, Chancellor & Acting VP External Relations

2. National Director

The Church of the Nazarene has been in continuous operation in Canada since 1902. Shortly following World War II, the Government of Canada enacted legislation requiring every charitable receipt-granting organization to be supervised by a nationally incorporated board of directors, resident within the country. “The Executive Board of the Church of the Nazarene in Canada” was incorporated in 1946 by an act of parliament. It was empowered by the General Board of the Church of the Nazarene to be the “lawful authority of the Church of the Nazarene in Canada in all matters relative to the acquiring, holding, selling and conveying of property within the Dominion, as outlined in the Articles of Incorporation.” This responsibility continues to be the core of our responsibility.

Over the past 50 years - and particularly in the past decade - the role and responsibility of the National Church Corporation has continued to evolve. Two factors have influenced that development. First, changes in governmental regulations that affect us; and second, the unique opportunities that come our way to act on behalf of the Church of the Nazarene International in responding to needs in various parts of the world.
National Director’s Responsibilities

National Office

In recent years, the Church of the Nazarene International has increasingly called upon us to manage its interests within Canada and through Canada, in many areas around the world. Through the National Office we handle payroll and retirement services for our Canadian missionaries. We manage the compliance issues that arise with the government regarding taxation and other employment matters for our and other church employees. We manage the retirement accounts for our pastors and oversee the group insurance plan, which covers our pastors and their families.

We also manage the Joint Ministry Agreement with the Church of the Nazarene International. This agreement has been necessitated by ongoing changes in government regulations concerning money given for charitable purposes. By law, Canadian churches are forbidden to transfer funds outside of Canada unless they have a written agreement in place to track and verify the use of those funds. This agreement is the product of many months of complex negotiations between our tax lawyer, Mr. Robert Hayhoe, and the General Church legal counsel, Maurice O’Sullivan.

In order to be compliant with the above mentioned agreement, the Church of the Nazarene International maintains a holding account to receive all World Evangelism Funds, mission specials, and other income from our Canadian churches. That account can only be accessed by the General Treasurer and General Secretary of the Church of the Nazarene International; virtually all Church of the Nazarene funds moving into and out of Canada
flow through this account. We continue to adapt to these changing requirements to assure that our districts and local churches remain in compliance with all current law.

Through the National Office we operate the Church Loan Fund Canada, arranging financing to local churches for acquiring or developing properties. Currently we have about $2.5 million on loan to local churches. This fund is made available particularly to churches that would have difficulty qualifying for financing in the commercial loan market.

The National Office maintains a website; we publish a weekly newsletter, edited by Diane McCrae. It is distributed by email to hundreds of individuals and all of our local churches. Dr. William Stewart publishes a quarterly newsletter he calls ACORN (Association of Canadian Retired Nazarenes); it is distributed to retired Nazarene pastors and laypeople across Canada and around the world.

The National Office, in cooperation with Nazarene Compassionate Ministries Canada (NCMC), coordinates the Canadian participation in the Child Sponsorship program of the General Church.

These are exceedingly complex and time consuming activities. Our National Office staff is made up of my Executive Assistant, Alan McAlpin, Bookkeeper Cathy McCartney, and our office assistant, Diane McCrae. Alan and Cathy work half-time; Diane works about 15 hours per week. The International Church of the Nazarene pays us to manage their interests on its behalf.

When I accepted this position, the National Board asked me to give attention to four priorities in addition to being the executive officer of the corporation.
District Coordination

First, the Board asked me to help to develop and optimize resources for the districts and the district superintendents.

Financial Resources

Prior to 1997 each of the districts applied for and received financial assistance for home mission work from the International Department of Home Missions. Since 1997, the USA/CANADA Mission Evangelism Department has eliminated that program and decided that it will provide an annual "block funding grant" to the Canadian Church, on condition that we develop a system of sharing those funds among the Canadian districts. We have an ongoing commitment to assure that those funds are used where they will do the most good. We thank Dr. Robert Broadbooks and the USA/CANADA Mission Department for this ongoing support.

We do not receive any funding from local churches to operate the National Office or any of the initiatives the districts ask us to undertake on their behalf. We do have a small amount of income that comes to us from the annual proceeds of investments that have been committed to us over the years. We are seeking ways to expand that resource, in order to make more funds available to advance the work of the districts.

Other Resources

While the word "resources" immediately draws our minds to fiscal matters, it is not restricted to that. Last year we completed a video production introducing the SourceBook for Clergy Development Canada and made it available to each of our district superintendents. In addition we have
made it the SourceBook available at no cost on our National website and on the International Church website. This important resource continues to influence the preparation of ministers for the church. We are beginning reap the benefits of this tool that has been part of our process of clergy preparation for the past 15 years.

I continue to conduct the annual Ministry Assessment program initiated by my predecessor 15 years ago. In January 2009 we led 9 candidates and their spouses through the assessment process in Calgary. I thank Dr. Larry Dahl and his executive assistant, Rose Graham, for coordinating and facilitating that process. 6 of the candidates were assessed as “possessing the gifts and graces for clergy-type ministry in the Church of the Nazarene.” The other three were deemed as “not yet ready” to be recommended and encouraged to come back after two years when they have completed some remedial work. The March Assessment Center included candidates from Canada Central and Canada Atlantic Districts and assessed 13 candidates and spouses. The proportion deemed to have “the gifts and graces” was about the same as in the Calgary center – 2 to 1; that percentage has remained virtually constant over the span of years.

Rev. Terry Fach continues to serve us as our Regional Education Coordinator and oversee the work of the Canadian Region Course of Study Advisory Committee (RCOSAC). RCOSAC is currently working with the Academic Vice President of Ambrose University to have the ministry preparation program validated for ordination.

We are pleased with the continued development of Ambrose University College in its role of preparing people for service as lay people and as clergy. We see the role of Ambrose as making a most significant contribution
to fulfilling our National Vision, particularly in raising another
generation of competent and Spirit-filled leaders. We thank Dr. Riley
Coulter, President of Canadian Nazarene College Inc. and Chancellor of
Ambrose University College for his ongoing work on our behalf.

During his last term our former National Director, Dr. William Stewart
wrote, at the request of the National Board a book titled, Journey into
Holiness. We published that book four years ago and it has been widely used
in local churches across the country. There are only a few copies left from
that first printing and I am currently involved in negotiating a reprint.
Dr. Stewart is currently negotiating a reprint while also writing a new
book, Journey into Prayer. We hope to have it available within the next
year.

Quebec

Since June 2007 I have served as the acting superintendent of the
Quebec District. Last year the Board of General Superintendents has asked me
to continue in that capacity for another 2 years. It is understood by the
BGS and the National Board to be a part of my assignment as National
Director. Our goal in this is to transition to a more sustainable model for
the continuation of the Quebec District as a discreet entity. The ongoing
financial crisis in funding the mission of the global church has impacted
our progress toward that goal. The Quebec operation is seriously under-
funded so I do this work pro bono.

I have met with the Quebec District Advisory Board six times this year
and with the auxiliary leaders twice. I attended the Quebec Nazarene Youth
International Convention last January and the Nazarene Missions
International Convention in May. I am encouraged by the quality of leaders who are emerging in these important ministries. All our Quebec Churches have pastors in place.

Dr. Jocelyn Severe serves as Haitian Coordinator for Quebec. Under his leadership we have started 4 new “church-type” missions in the past two years. Dr. Severe also coordinates (and teaches in) “L’institut Biblique Nazareen du Quebec,” our delivery system for basic clergy preparation.

The earthquake that devastated Haiti in January continues to impact the daily life of our churches and pastors. All of our people have lost close personal relatives in the disaster. Pastor Pierre Jacques lost his 18 year old daughter. We deeply appreciate the flood of prayer and financial support that has gone to Haiti from Canadians and other parts of the church.

Nancy Robichaud is my part time Executive Assistant in Quebec. She provides the day-to-day oversight of our work.

**Peer Accountability for District Superintendents**

Second, the Board asked that I develop a system of peer accountability for the Canadian district superintendents. To that end, we have made a commitment to meet regularly to pray with and for one another, and to maintain the highest degree of spiritual transparency as we work to advance the Gospel in our respective fields of responsibility. I believe that God is honoring this initiative. We work together in two ways: first, as the Executive Committee of the National Board; and second, as the “Administrator’s Fellowship.”

When we meet as “Administrator’s Fellowship” we usually include our wives and share a time of relaxed conversation and enjoyable activity. We
intentionally avoid “talking shop” during these times and focus on keeping the joy of holiness alive in us. Without exception we have come to anticipate and relish these times of renewal.

As the Executive committee we give prayerful consideration to the concerns and ministry opportunities that arise between the meetings of the Board. We work together to assure that as a denomination in Canada we keep faith with the mission that Good has given to the Church of the Nazarene.

Mission and Vision

Third, the Board asked me to keep us focused on the National Vision Statement it developed and adopted a decade ago. This statement coordinates well with our new statement of purpose adopted by the Board of General superintendents, “Our purpose is to make Christ-like disciples in the nations.”

**Vision Statement Church of the Nazarene Canada**

We the people in Canada called Nazarenes

Commit ourselves to obeying the Father, honoring the Son and living in the Spirit by engaging in effective evangelism, experiencing and promoting the holy life and raising a generation of competent and Spirit filled leaders.

Representing the Church of the Nazarene Canada

Fourth, the Board asked me to be the spokesman for the Church of the Nazarene and its representative in the larger church community and the wider society. In this capacity I have had ongoing contact with a number of
organizations including, ALPHA Canada, Arrow Leadership Development, Church Planting Canada, The Micah Challenge, Church Growth Canada, The Christian and Missionary Alliance in Canada, the Wesleyan Church, the Evangelical Fellowship of Canada, Focus on the Family Canada, the Interfaith Chaplaincy Committee and Bridges of Love – Urban Ministry. I continue to serve the Canadian Districts as our representative on the District Superintendent’s Advisory Committee. New opportunities are arising constantly for us to take our place among other organizations that are seeking to make the Gospel of Jesus Christ known in our world.

Rev. Earl Wood continues to represent us on the Interfaith Chaplaincy Committee for Corrections Canada. The philosophy of Interfaith and of Corrections Canada is expressed in the motto, Restorative Justice. It is worthy of note that the acting Director General of Corrections Canada is one of our Church of the Nazarene Chaplains, Rev. Rick Burke. We have active prison chaplains in many centers across Canada.

**Nazarene Compassionate Ministries Canada (NCMC)**

As National Director is my responsibility to give executive direction to this important ministry of the Church of the Nazarene in Canada and around the world. There are unique opportunities open to us to have influence for the Gospel far out or proportion to our numeric strength. In March this year I travelled to Bangladesh to participate in the ordination of 193 elders. These men and women have completed all the Manual requirements for ordination – the 24 course study program administered through South Asia Nazarene Bible College and the years of practical service.
We have this year renewed our commitment to fund the education of more pastors. District Superintendent Nathan Biswas has indicated that Bangladesh will need an additional 5000 pastors within the next decade. We have works in 2000 villages and plans to reach all 86,000 villages in Bangladesh.

In December last year I was contacted by the executors of the estate of Rev. George and Phyllis Anstey indicating that in his will Brother Anstey left a sizeable amount of money to the Church of the Nazarene. The executors asked me to do some investigating and see where the three-quarters of a million dollars could best be invested in memory of the Ansteys. Brother Anstey had two main provisions regarding the use of the money: he wished it to go to a world mission area outside North America, and that it include a medical facility. I am happy to be able to announce that we have arranged for funding the George and Phyllis Anstey Medical & Ministry Center in Wattala (Colombo) Sri Lanka. The construction has begun and we expect it to be ready for dedication next June. I thank Dr. Hermann Gschwandtner and the South Asia Field for their assistance in bringing this dream to reality.

Elaine Bumstead to serve as the Director of NCMC International; Audrey Dahl continues to serve as the Director of NCMC Domestic. I know you have been moved by the scope and depth of the work that they have accomplished during the past year. It is worthy of note that all of our NCMC people are “$1 per year” staff. The contribution they make cannot be overstated!

Conclusion

I continue to see it as good stewardship of our national and district resources for me to function in this dual capacity as National Director and as Superintendent of Canada Atlantic District. The staff we have in place in
each office makes it possible for me to invest my time focusing on the large issues, leaving the critically important detail work to others who are skilled and fulfilled in those matters. I work hard and long at these things, but not unreasonably so. Progress for the Kingdom of God has always come at the price of hard work. I solicit your prayers as we move forward in proclaiming Christian Holiness to our generation.

**District NYI President**

When I think about the past year in the life of the NYI, I see how God’s hand has moved in ways I could never imagined. I have come to realize how big God sees things and just how small that I do. He has taught me how limitless he is and how finite my concept is of what he is capable of. This past year, I saw how God lead us to take a step in faith and send a group of young people and leaders to Swaziland. We did this never having organized a mission trip at all, not knowing how we would raise enough money and not sure what would happen once we were there. God showed me through the trip to Swaziland that His notion of success was completely different than mine. I saw how God took a young man, a young man we as leaders were not sure should even go to Swaziland, and transformed him into one of the most passionate missional people I have had the fortune of meeting. I watched as this young man came back changed, passionate, putting his faith into action. He came back determined to do something to continue the work that was started, and was undaunted when doors closed, because he knew that others would open. He had a vision to ensure that the young people of Swaziland would have a book to read - no matter how hard it is going to be to get the books there, how much it is going to cost and whether or not anyone else would help him out. When I think of Campbell Stahlbaum and everything that he is doing to supply books to the library in Belekhane, in
my mind I’ll add these words to Matthew 25...I needed to learn in order to have a better future....and you provided me with a book to read.

I saw how God has used people like Dave Curtiss, Stephen Atkinson and Diedre Brower to reveal his Word to us. I witnessed the generosity of our local churches and other partners who gave extravagantly and prayed fervently to support this ministry. I saw how God’s leads people like Stuart Williams to the places He really wants them to be and at the exact times He wants them there - no matter how much we didn’t want them to go. I saw how two of our young women used the opportunity of this year’s World Cup (Go Holland!) to minister to communities across this district. God has reminded me how privileged I have been to work with people on the NYI council - Stephen Atkinson, Anne Atkinson, Lisa Outar, Marg Stahlbaum and Kavine Thangaraj - who exemplify what it means to be a servant, who are so willing to dedicate their scarce time to the young people on this district and who, most importantly, have an incredible passion for Christ Jesus.

In last year’s report, I talked about the book of James where he writes that faith and works go together, hand in glove. Faith and works. Works and faith. I said that is what being a Christian is about. I am very humbled to have seen the ways that God has led young people on this district to demonstrate their faith through their works and prove their faith exists because of their works.

While I do think back on this year as an incredible one, it is one that I will always look back on with a very heavy heart. The Prithipaul family has been a part of my life and the life of the NYI for many years - from the times that Oswald started water fights at the Clarksburg camp to the countless times where the entire Prithipaul and Alfred clan gave of
their weekends to cook and minister to us. I remember when Ashleigh came to her first NYI event and I couldn’t help but think back about her being just a little baby at Rosewood Church. I don’t think I’ll ever be able to fathom why He brought this beautiful young woman to her home so early. While I cannot comprehend why, I was privileged to witness the profound depths of the faith of her parents – Dennis and Rona as they prayed by her bedside and lavished their love on Ashleigh. We will miss her very much and our prayers are with Mr. and Mrs. Prithipaul, Lisa, Oswald and Ladeena. When I was thinking about this past year in the life of the NYI, I couldn’t help but think about where we go from here. As I tried to think of the future, my thoughts turned back to Ashleigh. Mr. Prithipaul told me about one of the nights when they were with Ashleigh in the hospital. As they walked into her room, a nurse was all alone in the room, standing over her bed. Mr. Prithipaul asked her how things were going, and the nurse turned and said, “Oh, I was just praying with her”. Faith and works. Works and faith. Fitting together, hand in glove.

While, as I said before, faith and works are very much apparent in the life of the young people on this district. However, there is often a temptation to think that we need to do these huge projects or go off to a foreign place to have an impact on the world around us. Maybe we need to be reminded again that living our faith means that when someone is weeping, we need to weep with them; that when someone needs their hand held, we need to hold it; that when someone needs money, we need give it; that when someone needs prayer, we stop and we pray. Faith and works. Works and faith. Fitting together hand and glove.
We as an NYI are not going to stop doing big things like going to Swaziland or collecting books. Those are important initiatives that God has lead us to start and I firmly believe that he has not seen us though those just yet. What we will be doing is renewing our focus and reminding ourselves that God has put each one of us where we are for a specific purpose. He is not waiting for us to be called somewhere else - although some of you are - to do something. He has put us in the right schools, in the right churches, in the right jobs; he has given us the right amount of resources, the right talents and abilities - He has given precisely everything that we need to bring the Kingdom of Heaven near to those around us. Because I believe that with all my heart, what the NYI will be reemphasizing the training and discipling of our young people in their faith in order that their works - the works that they do in their everyday lives as well as those on mission trips - demonstrate that they have truly grasped the meaning and purpose of that faith.

Mahatma Gandhi once said to a Christian friend of his that missionaries would never really reach Indians until they included the Sermon on the Mount in their Creed. Gandhi was saying that Christians were great at creating programs and talking about Christ...the problem was they didn’t look or act like him very much. The reality is that we will not be effective until we learn and live the true meaning of what it means to be a follower of Christ. I am not a pastor or theologian so I can’t explain to you what that means in the technical terms that those guys tend to use. What I can do, is point to the example of a nurse on the night shift in the ICU. Standing over the bed of a young woman. Praying. Bearing someone
else’s burden. Fulfilling the law of Christ. Living the message of the Gospel. Bringing the Kingdom of Heaven near.

District NMI President

General Superintendent Jerry Porter, District Superintendent Ian Fitzpatrick, Pastors, Local NMI Presidents, Delegates and Friends:

The Lord said to Joshua, “I promise you what I promised Moses: ‘Where ever you set foot, you will be on land I have given you . . . . I will not fail you or abandon you. . . . This is my command—be strong and courageous! Do not be afraid or discouraged. For the LORD your God is with you wherever you go.”

Psalm 46:10 reads, “Be still, and know that I am God! I will be honoured by every nation. I will be honoured throughout the world.”

And in Proverbs 3:5-6, this promise is found. “Trust in the LORD with all your heart; do not depend on your own understanding. Seek His will in all you do, and He will show you which path to take.”

I stand before you today and shout that I am simply a recipient of God’s grace and faithfulness. In choosing how to advertise this year’s
district NMI convention, this phrase rang and rings true; we’ve had an amazing ride because of the “Mission Movement of a Mighty God”. This report is permeated with His hand and direction.

To begin we must go back, way back, to the start of the church year. Well, actually even a bit further. Envision your typical council meeting of talking heads about a board room table. Hear an innocent enough statement of fact about an American work and witness team that had come to our Woodstock church to serve. D.S. Ian had been contacted by this team for a place of service and he had suggested Woodstock. But, in our meeting, thus was planted a seed; that we should have some system of being able to know and meet each other’s needs.

Don’t stop there. See God move teaching location. The place is now Global Convention in Orlando, Florida in June. The event is a cross-cultural orientation seminar lead by David Cooper at the request of our Canadian global NMI council representative, Tonya Kucey. (BTW, she sends her thoughts and prayers.) At the conclusion of the session in which, though perhaps not true to the original topic, there had been discussion about making local opportunities for work and witness, there is built a circle of the Leonards from Owen Sound, the Wilsons from Collingwood and me. The conversation, in brief and to highlight, goes something like this.

Pastor Larry: “Is there a mechanism by which the district NMI would be able to come alongside the Owen Sound church with work and witness team-like assistance?”

Bev.: “There isn’t currently, but it’s exactly something about which we are sensing/seeking the Lord’s direction.”

Darryl: “Let’s talk about your immediate need in the meantime.”
OK. I’m grinning like the proverbial Cheshire cat and in my spirit some fist pumping is happening. (”Yes. Yes. Yes!”) However, there’s more.

Let’s go to Family Camp. Our new council youth representative, Kayleigh Kofler, shares her heart with me. Her passion is for not just global opportunities of service for our young people, but local as well so that more kids can have the chance to be involved.

God indeed does infinitely more! And I must cease and desist on this topic so as not to steal thunder from our eventual presenters.

Well, we’ve made it as far as Family Camp. And wouldn’t you know that God led yet again. On two fronts the district NMI council was unsettled and wondering about this year’s camp; (1) holding the mission service on the first Sunday afternoon, and (2) inviting the missionaries in for a single service only.

Graciously, the Family Camp board offered us the Saturday evening prior to actual camp start for our service, and hosted a district BBQ. Many, beyond imagination and despite rain, were able to sit under the exceptional ministry of Jay and Teanna Sunberg from Bulgaria. What was especially unique also was how God had gone before us all and separately initiated a mission trip to Swaziland for our youth through Pastor Stuart Williams and the NYI team. Believing this summer mission emphasis to be the timing of the Lord, Jay and Teanna were secured as missionaries-in-residence for camp that they might be present all week long, allowing our kids to be up close and personal with real live, honest-to-goodness missionaries before embarking overseas.
It was my delight to attend one of the evenings of the Canadian Food Grains Bank celebration weekend of our Markdale and Cambridge churches in August. Additionally, I was in attendance on October 4 at Kolapore’s CFGB get-together with its partnering churches (Collingwood, Kennedy Road and London). I continue to receive an education on this exciting work, and understand that there are more fields available for planting than there are funds available to provide the seed.

Here is definitely another place to begin the phrase, “And God”. We are a blessed people in an incredibly diverse province with a federally open door to help feed “the least of these”. Please, pastors/presidents/people, talk to Rob Kinnear about how to get involved in this ministry God has placed on our doorstep. Let us not walk by it. I firmly believe that if we as a district did but this we would hear, “Well done, my good and faithful servant.”

The fall brought family to us in the persons of Jon and Mary-Lou Kroeze. It was a privilege to commit to them this opportunity to tour the district and receive offerings and expressions of our love, as well as our promises of prayer support in this new chapter of their lives.

In January, it was my honour to attend the District Leadership Conference in Louisville, Kentucky. The NYI, SDMI, SM (Stewardship Ministries) and NMI departments met under one roof, and under one theme; “That All May Be One”. Thank you for the chance to go and receive instruction and nourishment and update.

Speaking of oneness, it has been a delight to work with the team of Cindy Stavropoulos on GOL2010. Soccer fever is high if the car window flags on the roads these days are any indication. Please pray for Jesus Film
Harvest Partners and their innovative and culture-sensitive strategy to take Jesus to the world through soccer camps and the evangelism soccer ball at this time. The district NMI council prays for you as you take your soccer balls and use them now and repetitively in days and years to come to reach your world.

Thank you to Angelina Selvalingham, Kayleigh Kofler and Kerby Stahlbaum who have led the charge with this project for our district. Their attention to detail with the website, their passion, spirit, wisdom and witness are all cause for me to say I’m ready to follow their district leadership. Remember to speak to any of these young ladies if you have GOL2010 aspirations or questions still.

I suppose, technically, the spring tour of Dwight and Carolyn Rich fits into this new church year, being that it began on May 1. However, we are grateful for their recent presence and exhortation to us to continue lifting Him up that He might draw all men unto Himself. We need to put ourselves in the places that allow us to sit and be fed under such wonderful tutelage.

Again, so as not to let the cat out of the bag re presentations and announcements yet to be a part of this day, I shall refrain from mentioning upcoming deputation tours and the names of our new LINKS missionaries. But I will ask, as they enter your thoughts, continue to lift our outgoing LINKS missionaries to God’s throne; Berge Najarian, Scot and Jill Riggins and Larry and Addie Garman.

Yet two things remain before I close this report.

This is our reported giving to missions, according to the latest statements I have received from our National Office.
2009-2010  
World Evangelism Fund: $413,322.00 assigned  
(to May 26)  
$304,171.62 received  
73.59% paid  
(21 churches fully)  
10% Missions Specials: $255,803.34  
(to May 26)

2008-2009  
World Evangelism Fund: $396,060.00 assigned  
(to May 26)  
$303,041.32 received  
76.51% paid  
(22 churches fully)  
10% Missions Specials: $156,102.86

Obviously we are a people with a remarkably compassionate heart, ready and willing to give to meet world need, as evidenced by the astonishing almost $100,000 increase to 10% Missions Specials giving. Thank you and praise the Lord!

In this transitional year that lies ahead for WEF, the life-sustaining offering that keeps missionaries on the mission field, I encourage you to not settle for giving less. Whereas giving previously could have slipped into the realm of demand or duty at some level, realize that now there is the opportunity to be extravagantly generous. May we each make monetary decisions on our knees and as led by the Holy Spirit.

I would be so remiss if I did not thank the entire district NMI council for its hard work, mission passion and patience. I don’t say these words lightly and without true conviction. Absent of these God-given people, we’d be in a sorry state. I love them dearly.

Vice-President & Deputation: Clair Ann Keodprom
Secretary: Esther Boodhoo
Treasurer: Gord Evans
Work & Witness: MJ Kinnear & Jerold Boodhoo
Compassionate Ministries: Rob Kinnear
Mission Call:               Donna Wilson
College Representative:    Angelina Selvalingham
Youth & Children’s Representative:  Kayleigh Kofler
Georgian Bay Representative:  MJ Kinnear
Greater Toronto Area Representative:  Urcilla Rodney
Lake Simcoe Representative:  Kathleen Mika
Western Representative:      John Andrews

And for our District Superintendent, who is never without a smile, sound advice and words of encouragement, I am forever grateful.

Now if you’re looking for a district NMI president who has the next steps firmly in mind, you are out of luck. All I know is I’m ready to keep following in His footsteps. He never has failed me/us yet!

And in the meantime, we’ve got scripture.

2 Kings 7:9 – “Finally, they said to each other, ‘This is not right. This is a day of good news, and we aren’t sharing it with anyone! If we wait until morning, some calamity will certainly fall upon us. Come on, let’s go back and tell the people at the palace.’”

Romans 10:13-15 – “For ‘Everyone who calls on the name of the LORD will be saved.’ But how can they call on Him to save them unless they believe in Him? And how can they believe in Him if they have never heard about Him? And how can they hear about Him unless someone tells them? And how will anyone go and tell them without being sent? That is why the Scriptures say, ‘How beautiful are the feet of messengers who bring good news!’”

Respectfully submitted,
C. SSM CONVENTION

Proceedings

Another great year for the SDMI has come to an end and a new year of great promise is ahead!

This year, we had another great day of Ministerial training through workshops! GROW 2010, hosted by Rosewood Church, was themed “75 years... Now What?” in celebration of the Nazarene District’s 75 years of existence. The day was a great success with over 120 participants in attendance. The ministry-enriching workshops were abundant and catered to a great variety of ministerial needs.

Our Sunday School Ministries District Convention went very well. In addition to hearing the Chair’s Report, we took a look at the Financial Report prepared by Robert Barclay and conducted elections for SDMI Board International Representatives and Members-at-Large. We are excited to have Pauline Clark and Suzanne Trotman with us again to serve as Members-at-Large as well as Gladys Moreno as our Spanish Representative, Angelina Selvalingham as our Tamil Representative and Margaret Leung as our Chinese Representative. We look forward to more years of leading Sunday School Ministries with you!

Doug Davis presented certificates to the churches that reported their statistics 100% this past year - Hamilton First, Meaford, Orkney, Ottawa Trinity, and Quinte West and also to churches that reported 100% with reminders. Congratulations!
This year the SDMI Board celebrated the service and contribution of some great members who have prayerfully decided that they must move on from the SDMI Board to fulfill other ministerial commitments. During the convention, SDMI Chair, Cindy Stavropoulos recognized Kathy Coates and Pastors Junior and Rose Sorzano for their great service and many years of ministry with the SDMI Second Mile Award. Kathy Coates and Pastors Junior and Rose Sorzano, after much consideration, have decided to resign from the SDMI Board. Although this is a challenging loss for the board, we wish them the very best in their other ministerial endeavours. We also anticipate great service and contribution from our new Children’s Ministry Director, Kerby Stahlbaum and our new Adult Ministries Director, Shauna Moore. Welcome to the Team!

In conclusion, we anticipate a great day of training for our GROW Ministries Training Conference that will be held on Saturday, October 16th, 2010. Kerby Stahlbaum will once again be coordinating the event and we look forward to a great time of growth and ministerial enrichment on that day.

Respectfully submitted,

Michelle Wedderburn, Canada Central SDMI District Secretary

** Note – Wendy Rampold accepted the Member-at-Large term to 2011 that was left vacant when Kerby Stahlbaum accepted the Director’s Children’s Ministries position based on the next highest votes received.
A Year in Review – As I review what has happened on the District since our last SDMI Convention on May 2, 2009, I see the results of our mission statement – to provide training & resources to local churches & workers. I am presenting this report in sections so that you are able to see our focus as an SDMI board.

TRAINING –

GROW 2009 / May 2, 2009 – What a wonderful training experience we had at this GROW event! Jeff Smith, once again, inspired us all and provided great motivational and resourceful training for Children & Youth Ministries workers. Adult workshop leaders also provided great training opportunities. The NYI Fundraiser luncheon was not only delicious but a great success thanks to Marg Stahlbaum and her Swaziland team.

Grow Ministry Training – Hamilton First – November 27-29, 2009. We had two training tracks available during this weekend training retreat: 1) An Intergenerational/ Family Focus and 2) The Story of God Seminar Workshop. The attendance was very disappointing and has caused the SDMI board to reconsider the format of these training weekends to possibly only a Saturday workshop event. Kerby Stahlbaum and Jeremy Stavropoulos did an amazing job presenting their workshop and Pastor Mark Kitzman was forced to cancel his workshop due to the arrival of their lovely baby girl, Madeline coming on this same weekend. Both workshops were excellent and are being repeated at the GROW 2010 event on May 15, 2010. I really appreciate the work and fellowship of the Hamilton First Church for hosting this weekend and allowing this training opportunity to occur!
GROW 2010 is here and I’m very excited to present the excellent training workshops that the SDMI board has put together. There are 15+ outstanding presenters presenting in English, Spanish and Chinese. We are trying to provide multi-cultural training at this event as well as other training events on the Canada Central District. We are pleased to have Marg Stahlbaum and her team prepare our roast beef luncheon as we support this NYI fundraising event.

Grow Ministry Training 2010 – Saturday, October 16, 2010 – This training event will be the one day of training. There will be two tracks offered: 1) Beverly Hadland – Abstinence/Chastity with a focus on Junior Youth/Youth/Adult Ministry leaders. Bev is an excellent youth and adult speaker on the topic of Chastity – and is well received by both, whether speaking to Church groups, community centres or public/high schools. She is an international speaker, best selling author and founder of “straight talk youth counselling.” Pauline Clark of our Main St. Church knows Bev personally and has previously arranged speaking appointments for her. For more information, check out beverlyhadland@yahoo.com. We are very excited to have Bev Hadland come and help us prepare our youth for this important decision-making time in their lives as well as preparing our ministry leaders to work with teens during this time. 2) A Focus on Children’s Ministry Leaders – With the aim of equipping and assisting children’s workers in our local churches and on our district. All local Sunday School Chairs/Children’s Ministry Directors are invited to come for this Day of Planning with Kerby Stahlbaum. It will be a time to share ideas and concerns, discuss strategies and resources. Both tracks will have church
resource bags for participants to take back to their local churches. Location TBA.

Planning Ahead to 2012 Training – The International SDMI has chosen Toronto as one of the cities to host the 2012 TEACH/Discipleship Summit conference on May 5, 2012. Rosewood Church will be the host church for this event. This will be an exciting training opportunity for all levels of ministry! Plan to attend in 2012!

CHILDREN’S MINISTRIES – Kathy Coates

Children’s Camping – The decision was made to not have Children’s camps during the 2009 summer. The SDMI board carefully discussed and considered the decision of the future of Children’s Camping. Issues discussed included whether parents wanted overnight camping, advantages of overnight camps versus day camps, low attendance that caused significant financial losses in the previous two years of camping, staffing concerns and limitations due to the Plan to Protect, the need for a full-time volunteer Camp Director and are there other district options we could offer as a Board other than a camping option? After a lengthy discussion, the SDMI board voted to transfer the responsibility of Children’s Camping and Children’s Family Camp responsibilities to the District Camp Board. We agreed that we will support their efforts with our experience and expertise as they require and request help. We agreed that we will focus our attention on finding different ways to provide ministry to the children of our District. Some of the options we discussed included promoting quizzing ministries in our local churches, having zone events, get-togethers and district events geared
specifically to the involvement of children. Kathy Coates, our Children’s Ministry Director, has created a Children’s Council to work on these plans.

GOL 2010 - Ontario - June 2010 - At General Assembly 2009, Nazarene churches were challenged to participate in a Nazarene worldwide evangelism strategy called GOL. GOL is a worldwide evangelism strategy for the Church of the Nazarene associated with the World Cup soccer event being hosted in South Africa in June and July 2010. “GOL” is a widely understood sports term meaning to score. Soccer events will be held globally featuring a GOL evangelism soccer ball. SDMI and NMI have teamed up to encourage churches on Canada Central District to participate in this event. Members from each council have gathered and put together a website full of resources (sample schedules, to-do lists, registration forms, posters, etc) to make hosting this event as attainable as possible for local churches. Canada Central NMI and SDMI would like to challenge each of our zones to host a soccer outreach event in the summer of 2010. Our hope is to see churches within their zones team up to share resources, build relationships, and provide the best outreach event possible.

Kerby Stahlbaum (SDMI), Angelina Selvalingham (SDMI & NMI) and Kayleigh Kofler (NMI) have done an amazing job putting this project together including a website filled with resources, downloadable ideas, and how-to ideas for local and zone churches to run this event. Well done ladies! For more information, please go to the website http://gol2010.yalsite.com

ADULT MINISTRIES - Pastors Rose & Junior Sorzano

Couples Retreat - Cancelled - Pastor Rose & Junior Sorzano made the difficult decision to cancel the Couples Retreat due to economic factors
(prices) and financial concerns. There are plans in the works for a possible Couples Retreat in the Fall of 2010 and options in the USA are being considered as well.

EQUIP & ENCOURAGE Event – October 3 & 4, 2009

There were a total of 12 participants for the Saturday seminars. The churches represented were: Kolapore, Collingwood, Owen Sound, Shelburne and London. The people were very, very pleased so the Encourage part was certainly accomplished. In terms of the Equip focus, the feedback for the seminars was very positive. The sharing time was great and I believe that we all felt that much was accomplished. We hope to reproduce these seminars in some form in the other zones. Some great ideas for moving forward were given as well as tangible ways to give support to small churches. Pastor Rose feels that if even half of what was suggested at this event could be accomplished, we would see a revolution in adult ministries. The Kolapore Church as a very host church for this event and we are very appreciative for all their hospitality.

ADMINISTRATIVE SDMI BOARD WORK – This upcoming year will see many administrative changes on the SDMI District Board. After faithfully and effectively serving for 15+ years as Children’s Ministries Director, Kathy Coates resigned her Director position in September 2009 to be effective at the end of this church year. Kathy was torn by her decision but she felt that the Lord was leading her in a different direction and she honoured His leading. We will miss Kathy very much as she was very instrumental in
leading Canada Central SDMI and promoting Children’s Ministries with great passion and dedication.

We are thrilled to announce that Kerby Stahlbaum has accepted the position of District Children’s Ministries Director and she was elected to this position at our January 2010 SDMI board meeting. Kerby has been serving on this board for more than five years and she is very committed to Children’s Ministries and also has great passion and enthusiasm for ministry to children. Thank you for your spirit of willingness and obedience to God’s leading, Kerby! We are excited to work with you in this new capacity!

The resignation of Pastors Rose and Junior Sorzano as our District Adult Ministries Directors was another administrative change that occurred this year. The Sorzanos have become very busy in their local and district church ministries and have regretfully decided to resign due to time constraints. We have been blessed by their leadership for 10+ years and they have begun many great Adult Ministries initiatives on the Canada Central District. They will be greatly missed for their dedication and hard work in this role.

We are pleased to have Shauna Moore accept this role as Adult Ministries Director. She has a great passion for Adult Ministries and has been actively searching for ways to invest herself in this ministry. We look forward to working closely with Shauna in the next church year to discover what ways God will use her on the Canada Central District. It is true that God never closes a door without opening a window! Praise Him!

District Leaders Conference - January 2010 - California, USA - Jayne Lopez, our CLT Director, attended this conference on behalf of our SDMI leaders in January. There are many exciting things happening in the
Nazarene Church internationally and these were shared with the participants at this conference. Jayne reported that the Publishing House is looking at e-books as a possibility so districts can download their NPH resources for a reasonable fee eliminating shipping and duty charges. As well, publications can be updated easier without the large publishing costs. Downloaded resources are another new direction that the International Church is heading. Another website to investigate is www.thehousestudio.com and the CLT website on the Nazarene site has many downloaded resources and training resources available for local churches and their ministry teams. Go to www.nazarene.org and type in CLT in the search window for the CLT website.

I have had the opportunity this year to work with many talented, passionate and gifted ministry leaders on the Canada Central SDMI board. They are devoted to finding ways to equip, encourage and provide training and resources to our local and district leadership. They work many hours in volunteer service to provide the opportunities that are available to all clergy and lay ministry workers. They are amazing people and I am blessed to have them on my team. I would like to say a special “thank you” to Pastor Ian and Pat Fitzpatrick for their encouragement and support for all SDMI activities and events. Finally, my family has been very supportive, hands-on and cooperative in assisting me throughout this entire year as I have served as the SDMI Chair of the Canada Central District. I am humbled by the support and commitment of my family and SDMI team as well as the passion and dedication I see in the faces of countless clergy and lay leaders on this District. Thank you all for sharing my passion for Sunday
School and Discipleship Ministries here in Ontario – I love and appreciate every one of you.

Respectfully submitted,

Cindy Stavropoulos
