P. Journal Corrections

Beau Chambers and Alisa Price were incorrectly listed as renewing their district licenses in the 2012 journal; they were issued new licenses.

Moleli Tupuola was listed as renewing his district license and was listed in the Roll of Licensed Ministers as PSV-PT in the 2012 journal; however, he should have been listed as receiving a new license since his previous one had expired, and he should have been listed as unassigned in the rolls.

Gridley Crossroads Community and Live Oak Churches should not have been listed as inactive in the 2012 journal. Gridley Crossroads Community has now been declared inactive.

Hope Point Church of the Nazarene worship team led the Assembly into the Lord’s presence through songs of praise and inspiration. District Superintendent Steve Scott offered a passionate prayer asking that the Lord would help us to be the light of righteousness in our world. He then welcomed those assembled, and introduced the host church’s lead associate pastor, explaining that the lead pastor is currently on military deployment. He also introduced General Superintendent in jurisdiction, Dr. David Graves, and his wife Sharon.

The lead pastors of the District were introduced to the Assembly, noting significant accomplishments in each church body. Awards were distributed in the areas of Discipleship Ministries, Stewardship, Good Samaritan, Evangelistic, and Good Shepherd. The General Superintendent’s Growth Award was presented to Sparks First and their pastor, Brad Dyrness.

General Superintendent David Graves preached from Acts 6:5, asking the question, “Does the Holy Spirit have all of you?” We should evaluate our lives based on how full we are of faith, believing no matter what happens. This is when miraculous things happen.

The Hope Point worship team led the Assembly in closing music.

Friday, April 26, 2013
Morning Session, 8:30 A.M.

The worship team from Auburn Parkside Church of the Nazarene led the Assembly in a season of worship. District Superintendent Steve Scott led in prayer.

The first group of pastors gave brief scriptural reports, reading or reciting passage, explaining it’s significance in their lives this year, and concluding with the phrase, “I am a faithful servant leader in the name of Jesus Christ.”

Steve Scott welcomed the assembly and introduced General Superintendent Dr. & Mrs. David Graves; Tony Jones, acting pastor at Parkside; Ron & Paulette Greeno, District Superintendent Emeritus; Dr. & Mrs. Robert Scott, retired Director of World Missions; Dr. & Mrs. Bob Brower, President of Point Loma Nazarene University; Ron Fay, Director of Church Relations for Point Loma. The Assembly expressed thanks for the service of these servants.

Steve Scott invited pastors to introduce staff who are new to the district since last year’s Assembly.

General Superintendent David Graves called the 51st Assembly of the Sacramento District into session. District secretary John Shearer outlined the organization of the assembly, named assistants, detailed the schedule of events, and gave instructions for the seating of delegates.

John Shearer read the Ministerial Credentials report pertaining to the recommendation of the Credentials Board to grant first District Ministerial Licenses, and the granting of licenses to those continuing in the process. The names of those being recommended to be elected to ordination were read. The remainder of the report was read. Motion to accept report, seconded, and passed by the assembly.
The Nominating Committee Report was presented to the Assembly along with the ballot for District positions. A motion to elect by plurality was made, seconded, and passed.

Dr. David Graves introduced District Superintendent Steve Scott who presented his annual report to the Assembly with the theme, “Faithful”. DS Scott thanked the district office staff, and his wife and family for their love and support during the past year. He summarized his activities during the year and highlighted some significant gains. He shared his heart that God is calling his people to be, above all, faithful. Rev. Scott spoke of being faithful to who we were created to be in the image of Christ and reminded us that we must remain faithful to the mission of the Church. He challenged us to reflect on God’s faithfulness, and to the state of our own faithfulness to our Lord. Motion to accept the report was made, seconded and received by acclamation.

Dr. Graves invited the District Advisory Board members to the platform, along with Debbie Scott, wife of Steve Scott. The Advisory Board presented a card and a token of their appreciation for the strong leadership that Steve has demonstrated, and for Debbie’s support of Steve and the work.

The District Advisory Board report was looked over and discussed. A motion to accept the report was made, seconded and approved. The report from the Sacramento District Institute of Ministry was acknowledged and thanked. The District Ministerial Studies Board report was reviewed and a motion was made to accept, seconded and approved. Delegates were referred in their Yearbooks to the reports from NYI, NMI, and Sunday School/Discipleship Ministries. A motion to accept the reports was made, seconded, and approved. Delegates were directed to the report from the Pastoral Care Committee. Dr. Graves asked church board members and church board secretaries to make a commitment to see that the recommendations in this report were brought to their local church board meeting in the next two or three months. Motion made to accept the report seconded and passed.

Dr. Graves invited Dr. Bob Brower, president of Point Loma Nazarene University, to come forward and present his report. Dr. Bob Brower shared some highlights of the university from this year. He thanked the churches for their support of Point Loma. A video was shown helping those assembled to find a new appreciation for the university and the difference that it makes in the lives of students.

The Assembly was directed to look over the recommendations to local churches from the Committee on Education. There was encouragement for people to submit to the district names of qualified people to serve on the university’s Board of Trustees.

Motion to accept report, seconded and approved.

The ballot for District officers was presented by Dr. Graves, who reminded that the vote would be by plurality, and instructions were given on how to mark the ballot. The ballots were passed out to the delegates, then collected by the board of tellers after ballots were cast.

The afternoon break-out session leaders were were introduced, and information was given on the different types of sessions provided. Announcements were made before adjournment. The Assembly adjourned for lunch.

**Friday, April 26, 2013 afternoon session**

A motion allow the District Secretary to edit and publish the minutes was carried by acclamation. Assembly adjourned and will reconvene for the evening Ordination service at 7:15 pm.

**Evening Ordination Service, 7:15 pm**

The service began with worship through music. Rev. Kevin Moore led in a time of prayer. The congregation sang the hymn, “Called Unto Holiness” as District Secretary John Shearer led this year’s Ordinands and spouses to their seats.
Scriptures were read by Rev. Tony Jones and Rev. Steve Holly. Steve Scott led the congregation in reading the Apostle’s Creed.

Steve Scott recognized those receiving their first District Minister’s License, and presented them with that License (Shawn Cox, Michael Dickerson, and Juan Ibarra).

Leon Skinner read from The Manual of the Church of the Nazarene portions which speak to the qualifications and responsibilities of ordained ministers.

District Secretary John Shearer presented the ordinands and read a brief biographical clip about each one: Ray Benesh, Josh Blinson, Michele Dickerson, Ryan Green, Gil Morales, Chris Nikkel and Alfredo Villatoro (recognition).

Dr. Graves brought a message from Scripture to the congregation.

The Ordinands and their spouses were brought to the platform, and were surrounded by the elders of the Church. Dr. Graves ordained each candidate, followed by a brief prayer over each one by an elder of significance in their life.

Dr. Bob Brower, from Point Loma Nazarene University, presented each Ordinand with a small replica of the sculpture, “The Calling,” which stands on the campus at Point Loma.

District Superintendent Steve Scott closed the service in prayer, inviting ordained elders and guests to greet the newly ordained and recognized Elders. The worship team closed the service in song.

Here’s a few examples of some great things happening on the Sacramento District:

- The Susanville Church is currently in the process of birthing a new congregation in Alturas, CA, a former home to the Church of the Nazarene (1964-1997). God is leading us, a door has opened, and a new name has been established: GracePoint Church of the Nazarene.
- As an update to last year’s anticipation in Lodi, Faith Community Church is now fully engaged on their 32 acre campus, with over 800 in worship attendance.
As another update, the New Life Church (formerly in Fairfield) has now occupied their newly constructed campus on Interstate 80 in Vacaville, with over 600 in worship attendance.

The Dayton Valley Community Church is nearing the final steps of beginning construction on their new church building and property location.

Jyoti United Fellowship, under the leadership of Pastor John Murti & Jonah Prasad is the newest congregation on the district, and the first ever ministry in the Hindi language on our district, now ministering to about 20 people. This congregation began through World Mission Radio broadcasts from San Jose (KLOK Radio AM 1170 on your radio dial), and was started as a collaborative effort of the Northern California and Sacramento Districts.

The Fallon Church now owns and operates a Thrift Store for their community; Sacramento.

Liberty Towers has planted a new church in Puerto Vallarta, Mexico;

The Crossing Church of Natomas is nearing the completion of their newly renovated worship facility.

We currently have 51 officially active organized churches (plus 3 which are inactive), 5 church type missions, and an additional 7 congregations for second languages, for a grand total of 63 congregations. Several churches host independent congregations as well.

As I look back over this past year there continue to be significant indicators that God is at work through His church. Some of the vital signs for this past year include:

*Highest ever recorded on the Sacramento District

My vision for us as a church family over the past seven years has focused on what it means to be authentic followers of Jesus Christ. Our primary mission is to lead people to believe in God for all that He is as Savior and Lord, so that He can fully transform their lives.

My hope for our church is that we will remain enamored with the lost, loving them as Christ loves them; that we will be faithfully engaged in our mission; that our worship will be a true convergence of the divine and the earthly, and that we will be people who ultimately listen to the one voice that calls us through the presence of the Holy Spirit. In all these things, may we lift up Christ so that He can reconcile the world to God the Father.

I have been drawn to the word, faithful, for our gathering this year. I have been reflecting in my own personal life about how the faithfulness of people before me and early in my life established a foundation I could have never built on my own. Because people were faithful in my early years, I can thank God for the many ways that He has revealed Himself in my life. A lot has changed since my childhood, but those who were faithful helped set the course for my life.

I am realizing that at this point in my life, being faithful is not just about preserving an image, but it is about protecting the understanding that through those who are faithful, God will continue to reconcile the world to Himself, one person at a time.

Recently, I have been intrigued by the words of the Apostle Paul who had journeyed far in the faith, to the young minister, Timothy, who had much of the journey before him. And Paul says,
“Here is a trustworthy saying, 
If we died with Him (Christ), we will also live with Him; 
if we endure, we will also reign with Him. 
If we disown Him, He will also disown us. 
If we are faithless, He remains faithful, for He cannot disown Himself.” (2 Timothy 2:11-13)

While my heart resonates with the call to die to Christ, and the encouragement to endure, my heart is also challenged to never come to the place of being one who would disown Christ, and to never become faithless in my journey with Christ. I hear in this scripture a call to be faithful to the image in which we have been created, and to the mission for which we have been called.

**To be faithful to the image** in which we have been created, we affirm that we are made in God’s image; He breathed life into us; we are designed to be empowered by His spirit; we are commissioned for His purpose, and we live and serve for His glory!

Being faithful to the image in which we were created allows us to be ourselves in a way that allows God to be Himself through us. It means that we have made the choice to die in Christ, in order to truly live in Christ, but only as we fully embrace the deeper work of the Holy Spirit.

In today’s conversations about alternative views of the union of individuals, we must affirm marriage according to the creation narrative, and according to Jesus in Matthew 17. The only way to honor God in marriage is in the covenant union of a man and a woman united by God. Those who pervert God’s created image are delivered over to a depraved mind (Romans 1).

**To be faithful to the mission** for which we have been called, we are commissioned to be stewards, not managers; servants, not performers; disciplers, not spectators. Being faithful to our mission unites us in a network of our local church, our district family, our regional university, and our global enterprise. We agree to be faithful by supporting our local mission, our educational mission, and our global mission. Whether we are ever direct beneficiaries of all that we do or not, we can be confident that we are helping to build the Kingdom of God.

We are members of a connectional church as the Church of the Nazarene. Together, through our connected congregations, we accomplish what no single church could ever do alone. We combine our faith, giving, and service to make a significant impact on the lives of people around the world.

**So, what does being faithful look like?** In one church, a group of brothers knew their pastor was in the midst of a challenging time with some people in their church, and it was eroding that pastor’s strength; they called their pastor to the church, without his knowledge of what they were doing; they prayed over him, they washed his feet, and they lifted his arms so that his strength could be renewed to serve their community; imagine the picture of such a dynamic moment; the body being faithful so that they could see God’s will, together.

On March 14, 2013, I listened to a leading talk show host share the following thoughts on network radio: “The media is speculating on what the church is going to have to do to remain relevant to modern culture. They’re asking, ‘Doesn’t the church need to modernize? Don’t church leaders realize what they’ve got to do if they want to attract people to the church? If they want to spread their message they can’t have a position that’s anti-gay marriage.’”

He observed that the media is under the impression that the church is going to have to act as a political institution. But, he continued, the church is not a political institution; it’s a religious institution. It’s not up to them to modernize to culture. It’s not up to the church to bend and shape and mold themselves to accommodate the shrinking depravity of a worldwide culture. It’s to provide the exact opposite. The church is here to provide a beacon out of depravity.”
Are we being faithful to God as we have shaped Him, or as He has shaped us? Do we continuously allow Him to reveal Himself through the word, or do we have any tendencies to attempt to culturally adapt His divinity to our world?

This church, our mission, and the image in which we were created, were all designed by God for His glory. There is no way we are being faithful when our lives are compromising the truth, or when our church is in severe decline. How could we as elected leaders in churches ever justify that we aren’t ready to commit to a biblical tithe? God will only do His dynamic work through those who are faithful; it doesn’t create an elitist society of people, but a people who are set apart for the purposes of God as a holy nation, a royal priesthood, a people belonging to God.

He remains faithful, and there is an expectation that we will be faithful to the image in which we were created and to the mission for which we were called by Jesus. It’s a call to release our own perspective, and to respond to His call on our heart. Life means nothing and ministry is pointless unless they are founded in the image of God.

It’s good to do everything we can to attract people to Jesus and our church, but please do not forsake what it means to evangelize your community. Don’t just tell stories and hope it catches someone’s attention. Speak Jesus into the lives of lost people, so that they can discover that they no longer have to live a lost life. We’ve learned how to do all kinds of things as the church; we dress the way we want, sing the way we want, serve communion the way we want, create the church names we want, decide whether or not we want to affiliate or be independent; but we have disowned Jesus, unless we fulfill the calling to find the lost people of the world, and speak Jesus Christ into their lives.

Please don’t let the distractions of the world destroy what God desires to do in you. Remember that being faithful comes from the Holy Spirit dwelling in our lives. When the Spirit of God dwells in us by our intentional will each day, at some point the Spirit of God takes over our life, and we no longer have control of our life; no longer desiring to entertain perversion – but set on a holy place, equipped with the armor of God.

To all of us gathered here today, I want to resend an invitation I gave one year ago – a challenge that in reality would be a natural outcome of a church that is being faithful. While I understand that times are hard, and the world is depraved, I still believe the product of the gospel is as sure as it has ever been, and God will honor those who are faithful in his church. And so I’m continuing to call us to be faithful with what we do in ministry so that at the very least, every year, every local church can celebrate the following vital signs (at least):

- one new born again, discipled person for every 25 people in your church
- one new believer baptized for every 25 people in your church
- one new member by profession of faith for every 25 people in your church
- 10% of total annual giving committed to the regional and global mission of the church

Thank you God for creating us to be men and women who bring glory to you. Please destroy this tendency to diminish our righteousness, to compromise and co-exist with sin. Invigorate us to be people who are faithful for your glory, in your image, and for your mission.

Enable us to be people who will not move until You lead; who will only proclaim what You reveal; who will empty ourselves so that we might be filled with Your Spirit; who will humble ourselves so that You can be glorified through us. Empower us to be faithful witnesses to this very disoriented world, that they will finally come home to the merciful grace of God the Father. I pray this in Jesus’ name.

I am a faithful servant leader, in the name of Jesus Christ!

Rev. Steve Scott, District Superintendent

2) DISTRICT SUNDAY SCHOOL & DISCIPLESHIP MINISTRIES CHAIRMAN

When I joined the SDMI board about 15 years ago as a District Children’s Director, I was asked to co-lead what was then called the “Sunday School Convention” (a yearly Sunday School conference hosted by SDMI). Of course I jumped at the chance to do that . . . . So when I sat down and met with the co-leader to plan this annual event, I asked him the question I ask everyone when planning any program or event: “Why do we do Sunday School Convention?” His response was “that is a great question!”

After becoming the chair of this board 5 years ago, I continued to pose that question. Why do we exist? What is our purpose as a ‘district’ board? Why do we do what we do?

Your District Discipleship Ministries Board seeks to be a resource to our local churches. We desire to come alongside you and your church to resource, equip and empower in the area of spiritual transformation. Every year when we plan ‘events’ or ‘programs’, we continue to try and answer that question, “why are we doing this or that event?” What is our goal when this event or resource is presented? How is or will the local church and its leadership be resourced? You are fortunate to have a board called that is not afraid to continue to keep that question at the forefront of our vision. Your Sacramento District SDMI Board is passionate about Discipleship and Spiritual Formation.

Our team meets 2-3 times a year to plan events as well as to pray and seek new ways to resource and equip in the area of Discipleship. This last year, we were very excited to add Recovery Ministries to our SDMI team. Recovery Ministries is led by Dale Marsh from our Oroville church. We have a few churches that already offer recovery ministries, but many others would like to provide this ministry but do not know where or how to begin. If, as a board, we can resource Dale and the Recovery Ministry Team to come alongside the current participating churches for support as well the churches needing assistance to begin, we feel we have found yet another way to truly answer the question “why do we exist as a board?” We are excited to see how this new district ministry will positively impact our local churches as well as the men and women of our communities in need across the Sacramento District.

In addition, in partnership with ILI (International Leadership Institute), we hosted a Regional Leadership Conference in October teaching the 8 Core Values as envisioned by ILI Leadership. The goals of these conferences are to help leaders go deeper in their relationship with God, multiply your training in others, and equip yourself with the 8 Core Values for effective leaders. The 8 Core Values are:

- **Intimacy with God**
- **Visionary Leadership**
- **Multiplication of Leaders**
- **Stewardship**
- **Passion for the Harvest**
- **Relevant Evangelism**
- **Family Priority**
- **Integrity**

This Conference brought a fresh new approach to leadership development in the area of discipleship. Some of our first time attendees walked away with new excitement and ideas for leadership development in their ministry.

Plan now to join us at our next ILI Partnered Regional Conference to be held at our Sparks First Church in Sparks, NV on May 17, 18, 2013. Please contact Darlene Franks at dfranks@suttercreeknazarene.org for registration information. We look forward to seeing you there.

Please extend your appreciation to the following team members for their commitment to SDMI: **Beler Watts Jr., Darlene Franks, Tad Gilstrap, J.J. Tuttle, Ron Zimmer, Marcia Hull, Derek Morrison, Bob Meneely, Patty Powers, Mike Peoples, Julie Tuttle and Dale Marsh.**

Thank you for the privilege and opportunity to serve you and your churches this past year!

3) DISTRICT NMI PRESIDENT
Rev. Scott, District NMI Council, pastors, delegates and guests, it is my privilege to submit the 51st annual Sacramento District NMI Report.

The Church of the Nazarene is in 159 world areas with 26 of those countries considered Creative Access areas. We have 737 missionaries deployed, including 342 Mission Corps Volunteers. We support 60 medical clinics and hospitals, and thousands of compassionate ministry centers. There are 49,547 students enrolled globally at Nazarene institutions of higher education. World Mission Broadcast reaches 72 nations in 36 different languages. Alabaster funds were used to fund 200 construction projects last year. All of these are supported either directly or indirectly through World Evangelism Fund giving, of which you are a part.

This year the Sacramento District gave $52,196.00 to Nazarene Compassionate Ministries. That doesn’t even include packing Crisis Care Kits, School Pal Paks, and Hygiene Kits for the homeless. You operate food pantries. You provide clothing to the needy. You give away food baskets during the holidays.

The funds given to Nazarene Compassionate Ministries do not come close to telling the whole story. Monies given to Nazarene Child Sponsorship are not included in that figure. In addition to what the Sacramento District gave to Nazarene Compassionate Ministries, an additional $65,031.00 was given through Child Sponsorship. That figure represents 216 children sponsored for an entire year by you, the Sacramento District. That may not sound like a great number of children overall, but that number represents 216 children whose lives are being impacted by the love you are showing them.

You gave $3,533.00 to our LINKS missionaries. This represents over 250% of our goal.

You gave $28,855.00 in Alabaster offerings. These funds provide a lifeline to districts and churches around the world struggling with financing to purchase land and build structures.

Giving to Jesus Film Harvest Partners was $23,216.00. Statistics show that for every $3 invested there is one decision for Christ. Your giving represents 7,738 lives changed forever.

World Mission Broadcast offerings were $5,701.00. WMB works innovatively to bring the Gospel to areas where it is not possible or extremely difficult for us to reach. In an age when technology continues to advance rapidly, WMB is using new methods to reach into locations that were previously off limits to the church.

Deputation offerings this year total $59,200.00.

Work and Witness giving was $20,977.00. Five churches sent registered Work and Witness teams to communities outside of their local areas.

World Evangelism Fund is the basis for all we do. Without WEF, none of these other things would be possible. It may not be glamorous, but it is essential. Our goal this year was $688,879.00. The Sacramento District in 2012-2013 gave $613,319.00 towards World Evangelism Fund or 89% of our goal, or 4.9% of income. In addition to WEF giving, you gave $380,339.00 to Mission Specials. When I include all giving for missions, you gave a total of $1,069,218.00 for World Mission projects.

Twenty-two churches on the Sacramento District Achieved Mission Priority One status this year, an increase of four over the previous year. For a church to achieve Mission Priority One Status, they must give their WEF in
full, pray for missions, disciple youth and children in missions, and participate in 4 different categories of education in missions. Receiving the Mission Priority One Award are:

- Dayton Valley Community
- Dorris Shasta View
- Fairfield New Hope
- Gardnerville Crossroads
- Hallwood Community
- Manteca Journey
- Marysville
- Mount Shasta Abundant Life

Thirty-one churches paid WEF in Full. That is an increase of 3 over last year. Giving WEF in Full:

- Dayton Valley Community
- Dorris Shasta View
- Elk Grove Cornerstone
- Fairfield New Hope
- Fallon
- Gardnerville Crossroads
- Hallwood Community
- Lemmon Valley Calvary
- Lodi Faith Community
- Manteca Journey
- Marysville
- Mount Shasta Abundant Life
- Oroville
- Paradise Community
- Placerville
- Redding 1st

- Sacramento Cordova
- Sacramento New Covenant
- Sparks 1st
- Stockton Horizon
- Christian Fellowship
- Susanville
- Sutter Creek
- Truckee Tahoe Forest
- Weaverville
- Weaverville
- Woodland Celebration Center

We have 24 Churches receiving the World Evangelism Church of Excellence distinction this year, an increase of 3 over the previous year. This award goes to churches giving 5.7% of their income to WEF or exceeding 5.5% by $1,500.00 whichever is less. Receiving the World Evangelism Church of Excellence recognition:

- Woodland Celebration

- Sparks First
- Sacramento New Covenant
- Sacramento Cordova

Sixteen of those churches gave over 6% of their income to World Evangelism Fund, 8 gave over 7% and 4 gave over 8%.

Every year, new words are added to our dictionaries. Some of them are driven by technology changes. Some by writers who make up new words, and some just because people start using them. I want to share just a few of those with you.

- Shamazing - a blend of “shazam” and “amazing”, preferably said in a mock-American accent.
- Mobot - after Mo Farah’s hands-on-head celebration during the Olympics.
- Sofalising - first used two years ago, “sofalising” came into its own this year as more of us avoided the expense of going out by spending the night on the sofa browsing social media sites
- Adorkable - meaning dorky yet adorable
- Brandalism - this conflation of “branding” and “vandalism” describes a movement in which street artists paint over advertising billboards with their own designs and slogans.
Eurogeddon, - with the stock market boomeranging, confidence plummeting and bail-outs across the eurozone, the looming chaos became known as “eurogeddon”.

Yolo - if you’re over the age of 14, chances are you won’t know this modern incarnation of carpe diem. Standing for “you only live once”, the acronym was invented by the Justin Bieber generation and first appeared on Twitter.

With all the new words we have every year it is amazing, or maybe shamazing, that the word that has captured my attention this year is an old word. One that is used occasionally without really considering what it means, or what the full implications are.

That word is found in Joshua 3:5. Joshua is the new leader of the Israelites. Quite different than Moses. After 40 years in the desert, the time is at hand for entering the promised land and Joshua is ready. He has been ready, but the people aren’t quite ready yet. Joshua has one instruction for them. Joshua told the people, “Consecrate yourselves, for tomorrow the Lord will do amazing things among you.”

Consecrate. If you grew up in the church, that word probably brings up all kinds of thoughts, some positive, maybe some negative, and while we almost always think of this word as being associated with God, the church, or even Christianity, consecrate literally means to set aside for specific purpose, and this is what Joshua is telling the people. God has a purpose for you. Set yourself aside, devote yourself to that purpose. If it means letting go of things you are holding on to; let them go and be set aside.

How many things in your life are set aside or devoted to a single purpose? There is very little that we set aside. I could probably argue fairly effectively that in our everyday lives outside of the church, we have nothing set aside for a single purpose. I was going through a list of my possessions and was trying to think of what I have that is set aside for a single purpose and I could only truly think of one thing. I love to ride a bicycle. Over the past couple of years I started riding longer distances with some specific goals in mind for this year. You don't just hop on a bike and ride 50 miles or more though. You have to prepare, and you need the right equipment. One thing that is very important is a good set of bib shorts. I saved my money and watched for good deals for over a year to find just the right pair. They were expensive, but worth it, and they are set aside for a single purpose. I don't wear them to go out to dinner, to mow the lawn, to church, or even to the NMI convention. I only wear them when I am riding my bike, and then only on a long distance ride. I have cheaper ones for shorter rides. I save these for serious riding, when it is important. I want them to last. They are "set aside for".

Joshua was trying to convey that to the Israelites. Consecrate yourselves, set yourselves aside for God's purpose. I don't see a request here, but a command. It doesn't stop there though, he goes on to say the Lord will do amazing things among them, qualified by consecration.

God is still in the amazing business. He has done amazing things in the past on the Sacramento District and I believe he still wants to do amazing things among us, if we will consecrate ourselves. Set ourselves apart for his purpose, letting go of anything holding us back.

Still more to the story though. We know that God did do amazing things among the Israelites, starting with the crossing of the Jordan River. It was at flood stage, not the ideal time to try and cross. God rolled back the water and dried the ground for them to cross, but only after they consecrated themselves and when the feet of the priests carrying the Ark of the Covenant touched the water. Not before, not after, when!

Sacramento District, if you truly believe that God wants to do something amazing among you, I challenge you to consecrate yourselves, set yourself aside and let go of anything holding you back. Then dip your feet into the river that has been a barrier and let God roll back the waters and do amazing things.

Respectfully submitted,
Gerry Myers
Greetings to the 2013 Sacramento ACOMM,

It has been a privilege to serve the district this past year. This coming year will be my last year as NYI President. Although reluctant to leave the position, I am confident in the leadership that will be taking Sacramento NYI into the future.

Our focus as a District NYI Council has been to discover new and creative ways to train and invest in the lives of ministry leaders at the local level. While district events have an impact in the lives of students, facilitating sustained spiritual growth is left entirely to those in the field: local ministry leaders and mentors who journey with the students through every-day life. As a District NYI Council, we believe that the best investment we can make is to pour into the lives of local ministry leaders. For this reason, we are especially thankful for the invitation received from the SDMI Council and Pastor Renee Bennett, to take part in the TEACH Conference last year. This training opportunity was a vital moment in the life of our local NYI leaders, as we spoke candidly about the current challenges in ministry, cried, prayed and pressed into discovering the Lord’s will for us all moving forward.

**Events**
I want to start this section by thanking all the directors that did a tremendous job in their specific fields this past year.

* Pastor Ron Zimmer (Chico East Ave) was our Summer Camp director again this year. He has continued to work very hard to make sure that the individual camps and their directors are supported and equipped to create the best environment for students to encounter Christ.

* Pastor Josh Blinson (Sparks First Church) assembled a hard working and humble team of leaders to help carry out the vision God gave to speaker Jon Fitzpatrick (Yreka Naz). Josh is a veteran Junior High Camp Director and it showed. Students and staff were immersed in God’s Word to discover the promise and implications of ENCOUNTERING Christ. The soft hearts and intentionality of the leadership set a beautiful tone for the week and the Spirit moved on our hearts. Junior High Camp 2012 was one our students and staff look back to as a banner week in our spiritual journey.

* Pastor Kurt Libby (Oroville Naz) did an amazing job as the Senior High Camp Director as well as mastermind behind Kindling 2012. Every year I arrive at a camp that Kurt has poured his heart and soul into, knowing that lives will be radically changed, and this year was no exception. Jesus was all over that place and it showed in the decisions made by students as well as staff. What a great camp! Another area that Kurt served this year was in directing Kindling 2012. Kindling is opportunity for youth workers to come and hear from other youth workers as they share and challenge each one to have conversations that will help them grow as well as help their ministry thrive. This event was incredible and we hope to bring it back next year. Thanks you to all of you.
**Vision and Direction**

According to the vision of NYI set forth at our Global Assembly, “Nazarene Youth International exists to lead young people into a lifelong relationship with Jesus Christ and to facilitate their growth as disciples for Christian service.” (Manual; NYI Vision: 810.3)

It is clear that the organization of NYI globally, regionally, and at the district level are of little value if we are not making students into disciples of Jesus Christ and seeing their growth continue throughout life. We have a responsibility to help students lay a firm foundation now. And while significant spiritual experiences and training happen at district and global NYI events, the real brick-laying happens at the local level, under the mentoring, persevering, and long-term daily care that can only be provided by those who have responded to the call at our local churches. Recent research and experience leads many to believe that the 1:5 leader to student ratio in youth ministries (which is the general “rule of thumb” ratio that many of us shoot for) will only have a nominal effect on a student’s spiritual growth. Thirteen years of youth ministry has proven to me that we, the church body, will only see greater spiritual renewal and growth among this age group when we flip the ratio on its head and practice discipling students through the efforts of the larger intergenerational community.

This is an appeal and call to youth leaders, whether paid or volunteer, to humbly recruit the help of other Christ followers in mentoring and discipling the students of your local ministry and community. You and I cannot be effective in making Christ followers if we stand alone, or even with others who look and act just like us. We need the help of the larger body. A helpful goal may be a 5:1 leader to student ratio (*Sticky Faith: Everyday Ideas to Build Lasting Faith in Your Kids, by Kara E. Powell and Chap Clark*).

This is also a call to all members of the body, to seek the Lord’s will about which student in your community, whether church or unchurched, that He would have you take under your wing of mentorship. You don’t have to know what you’re doing. We acknowledge Christ’s promise that “the Holy Spirit will teach you at that time what needs to be said” (Luke 12:12).

Invite a student into your regular routines. Take him to the grocery store with you and let him see how you interact as a Christ follower with those you come into contact with. If you think back with me, it was this type of relationship that showed you and me what following Jesus looks like in every-day life.

May youth ministry shift in our minds and hearts from the responsibility of the few, to our joint call and passion. And, may we speak the truth in love boldly, speaking and living the Gospel of Jesus Christ, that they may choose life and pursue Christ with similar boldness.

**Special Thanks**

* To the 2012-2013 Sacramento NYI Council, including Josh Blinson (Vice President), Kurt Libby (Secretary), Larry Finney (Treasurer), and to all of the folks that attended the meetings and gave your wonderful insight.
* To the District Advisory Board for their support and wise counsel this year.
* To the amazing and ever so patient District Office staff.
* Thanks also to Rev. Steve and Debbie Scott, who have been available any time we have needed, and believe in our youth and NYI with all of their hearts. Thank you for walking this road with us and leading us well.
* To our Directors, for sacrificing your time, energy and resources in hopes of seeing at least one soul saved, at least one group edified, or one pastor encouraged. You have led by following the lead of the Holy Spirit. Thank you for taking others on the journey with you to train and prepare them for works of service as well. We praise the Lord because of you.
To the spouses, families and local ministries of those who have served. We have all received blessing because of your sacrifices this year. We praise the Lord because of your support and love that reaches beyond your home and local church.

Grace and Peace,
JJ Tuttle
Sacramento NYI President

B. DISTRICT MINISTRY BOARDS

1) DISTRICT ADVISORY BOARD

The District Advisory Board of the Sacramento District met for regular bi-monthly meetings during the 2012-2013 church year. It conducted its first meeting of the year in Lodi to allow Board Members to tour the facilities which the Lodi Faith Community Church was considering acquiring. All other meetings were held at the District Headquarters in Loomis, California. Between regular meetings, telephone conferences and e-mail communications allowed the Board to deal with issues which had some urgency and could not await the regularly scheduled meetings.

The District Advisory Board supports and advises the District Superintendent. It also, in compliance with the Manual of the Church of the Nazarene (paragraph 233) and with approval of the Sacramento District Assembly, serves as the District Church Properties Board.

All actions taken during this past church year have been recorded in minutes open to review, e-mailed upon request and on file in the District Office in Loomis, California.

Among the significant action items by the Board this past Assembly year were:

1. Approval for Lodi Faith Community Church of the Nazarene to move forward in acquiring the facilities of the Calvary Bible Church in north Lodi, and to provide a reasonable plan for a united ministry of both churches through the incorporation of Faith Community Church of the Nazarene.

2. Approval was granted to the Roseville First Church to change its name to Roseville Journey Church of the Nazarene and to use funds received from the sale of the church property to purchase a parsonage and equipment, to use as resources for current ministry and, with regard to most of the funds, to invest for purposes of future property acquisition.

3. Grant approvals were given to:
   a. The Crossing Church of Natomas: a $300,000.00 grant to assist in purchase of property as a new site for its ministry.
   b. James Letoa from Sacramento New Covenant brought a proposal before the Board for a District Nazarene Compassionate Ministries Center. The proposal was approved with a grant in the amount of $50,000. The Center is still in the planning/approval process as of this date.
   c. The Board also approved a $10,000.00 grant request from the Redding Living Hope Compassionate Ministry Center to support and promote its ministries within the greater Shasta County region of our District.
   d. The Board approved a grant request from Pastor Sam Miller of New Covenant Church for $25,000.00 and another matching grant up to $10,500.00 for the congregations of different denominations now meeting on the New Covenant campus.
   e. A Lifeline grant in the amount of $25,000.00 was approved for preconstruction needs of the Dayton Valley Community Church.
f. A second year grant in the amount of $25,000.00, was approved for the Weaverville Church to continue operating “The Factory,” an outreach facility for youth in the community. The Factory was recently recognized in a front page article of the Record Searchlight in Redding, CA which you can view at: http://www.redding.com/news/2013/mar/03/high-schoolers-find-fun-camaraderie-at-teen/

g. After a presentation from Pastor Mike Sampson and supporters from Tahoe Forest, a Lifeline grant in an amount of up to $200,000.00 was approved to allow it to move forward in acquiring for ministry a building and property which had formerly been used as a Veteran’s Hall in Truckee, California. As of this date, the Tahoe Forest Church is assessing other possibilities for relocation to which the grant may be applied.

h. The Board approved a grant in the amount of $250,000.00 to assist Hope Point in Yuba City, California in planting a third campus on the Yuba College campus near Beale Air Force Base.

i. A grant request in the amount of $50,540.00 was approved for the El Buen Samaritano (Hispanic) and Jyoti United Fellowship (Hindi) ministries through Manteca Journey Church.

j. The Board approved a request to co-sign a loan in the amount of $3.1 million with the Wesleyan Investment Foundation on behalf of the Lodi Faith Community Church after carefully reviewing the other obligations for which the District is currently co-signed (Carmichael Samoan-$290,000.00 originated 4/09 with Americas Christian Credit Union; Truckee Tahoe Forest-$125,000.00 originated 10/08 with ACCU; Yreka-$1,585,000.00 originated 5/09 with ACCU; Sac New Covenant-$143,000.00 originated 7/12 with WIF).

4. An offer in the amount of $264,000.00 was approved on the Grass Valley Church (not parsonage) property.

5. Approval was given to merge two congregations which have long worshipped at the same location, those of the Redding First Church of the Nazarene and the Redding Iu-Mien Church of the Nazarene with management authority granted to the Redding First Church.

7. We approved the reception of transfers for licensed minister Pete Hohmann (Rio Linda LifePointe) and Deacon Aaron Roehm (Sparks First)

8. Approval was given to pay off the mortgages at Angels Camp and Grass Valley out of the proceeds received from the sale of the Grass Valley church and parsonage property (e mail vote 10/9/12).

9. The Board approved a request to restore the credentials and membership of Pastor Tony Jones, an associate at Auburn Parkside, to the Church of the Nazarene. [A previous action in another district had removed him from the Roll of Elders because he had for a period of time pastored in a non-Nazarene church/ministry.]

10. A stipend in the amount of $2,500.00 each was approved as “per diem” for each of the Sacramento District’s official delegates to General Assembly this year.

11. Approval of appointed pastors was given for: JJ Tuttle/Carson City; Bob Rupert/Redding Gateway; Andy Grossman/Mt. Shasta; Mike Peoples/Roseville Journey; Sam Miller/Sac New Covenant; Kyle Johnson/Sacramento The Crossing Church; Penoga Unatoa/Stockton Samoan; Joseph Barstow/Sun Valley HOPE; Ted Johnson/Willows; Joshua Wood/Yerington.

13. During the 2012-2013 year, the District Advisory Board completed the proceedings for the surrendering of credentials by three ordained elders, whose names are recorded in the Ministerial Credentials Board Report under the category of Elders To Be Removed From The Roll Of Elders.
14. Sacramento New Covenant Church Samoan congregation will now be listed as a separate Church Type Mission, on separate property, with the adjusted title of: Sacramento New Covenant Samoan Church, effective February 28, 2013.

15. On November 8, 2012, we recommended duplicate credentials be issued to Tony Alfred Jones. The recommendation was approved and the duplicate credentials were issued.

16. On March 21, 2013, we recommended duplicate credentials be issued to Terry L. Schneider. The recommendation was approved and the duplicate credentials were issued.

We rejoice in the nurturing ministries of our pastors and laity throughout the District this past year. We remain committed to the mission of “making Christlike disciples among the nations.” The District Advisory Board was privileged to serve as people from across the District, excited and inspired by the Holy Spirit, came with a vision for starting new ministries, expanding the ministries with which God has entrusted them, and reaching out to an unsaved world, both locally and abroad.

Our District Investment Fund has rebounded significantly through an upturn in the market. District Shares for Others from our family of churches is still beneath proposed percentages which has required adjusted budgets, as also faced by many local churches. Our District Investment Committee, an auxiliary of our District Advisory Board, continues to meet semi-annually to review and evaluate (and adjust as needed) the District’s investment portfolio managed by Green Wealth Management (Folsom, CA) and Van Hulzen Asset Management (Folsom, CA).

Our District Advisory Board considers it a distinct honor to serve the churches on our District. We submit this report with a continued sense of excitement and encouragement as we all look forward to how God will richly bless our people and our ministries throughout the District in this new year.

Respectfully submitted,

Michael C. Fitzpatrick, Secretary

4) SACRAMENTO DISTRICT INSTITUTE OF MINISTRY

When a person senses a call from God for ministry, the Church of the Nazarene has a carefully planned procedure for becoming an ordained minister. One of the pieces of that plan is a person’s education. Several years ago a person either went to one of our Regional Colleges, Nazarene Bible College, Nazarene Theological Seminary, or the Directed Studies Program—a kind of home-study course.

In the last 25 years or so we have seen a growth in people sensing a call from God for ministry later in life—sometimes as a second career. Many of these had families, jobs, and/or church involvements and found it difficult, if not impossible, to pack up and go away to college. Our Nazarene Bible College, in cooperation with Department of Pastoral Ministries, developed the Alliance program. Originally it began as instruction for non-English speakers, but has since developed to include all people feeling God’s call to ministry.

The Sacramento District Institute of Ministry is an Alliance with Nazarene Bible College. Our sole purpose is to provide the educational piece for Ministry preparation. We offer the 24 minimum classes that our church requires in preparation for ordination. Currently we offer classes in four locations—Susanville, Manteca, Redding, and the Sacramento/Oroville areas. SDIM operates on the Quarter System with classes offered in the Fall, Winter, Spring, and Summer Quarters. Generally classes meet once a week for 10 weeks for 3 hours and 40 minutes each week.

In recent years there have been several new additions to the educational part of Ordination, including MPP and several on-line programs. I do not feel any of these programs should take the place of the education that our institutions (PLNU, NBC, NTS, etc.) can offer, but they are quality instruction and meet our church’s educational requirements as well as the unique needs of many students.

On our District we are privileged to have quality instructors in our program. They include the following:

   Freeman Hodgins     Stephen Campbell     Kyle Johnson
   Joe Sturgeon        Ed Redfern            Susan Redfern
   Gary Moore          Laurie Braaten         Leon Skinner

Thank you to each of these that give of their time and skill to train the next pastors.

A very special “Thank you,” goes to our District Superintendent, Rev. Steve Scott, for his support in this ministry. Without his support SDIM would not be possible.

It is my privilege to work with future and present ministers and instructors through SDIM. It is our desire to provide the very best possible education for those hearing God’s call to become Ordained Ministers in the Church of the Nazarene.

3) PASTORAL CARE COMMITTEE

Confirm Review of Report: The local church leadership board or appropriate sub-committee of the board should review this report at their first annual meeting and advise the District Superintendent that it has been reviewed.

I. PERSONAL WELL-BEING

A. Physical

1. A full-time pastor should be given an annual paid vacation. As a minimum guideline, we suggest the following schedule for total years of full-time service to the denomination, including previous and current assignment:

   - 0-4 Years: 2 Weeks (14 days, including 2 Sundays)
   - 4-14 Years: 3 Weeks (21 Days, including 3 Sundays)
   - 15 – 24 Years: 4 Weeks (28 Days, including 4 Sundays)
   - 25 years and over: 5 weeks (35 days, including 5 Sundays)

2. The full time pastor is required to take at least one day per week for relaxation and refreshment of the mind, soul and body. Since this is not always possible, we recommend compensating days off be given and that the local church leadership board insist on a regular day off.

3. The Sacramento District offers a YEAR ROUND vacation resource to all full time pastors/associates at a fully furnished condominium that sleeps 8 people, located in Kings Beach, CA (1 mile from the north shore of Lake Tahoe). Rental reservations can be made through the District Office. Reservations are for 7 days, (Monday 4 pm – Monday 10 am), at the following cost:
   - Senior Pastors & Full-Time Associates: $200 for one week ($150 + $50 refundable security deposit)
   - Retired Pastors & Off-District Pastors: $350 for one week ($300 + $50 refundable security deposit)

4. Local churches are also encouraged to consider a SUMMER vacation resource for full time ministers and their families through LOVE for Pastors (Loma Ocean View Escape) at Point Loma Nazarene University. For info please call: (619) 849-2735, or access their web site at:
   http://www.pointloma.edu/experience/academics/centers-institutes/center-pastoral-leadership/church-relations/loma-ocean-view-escapes-love-pastors

B. Educational

1. Each church leadership board should encourage its entire pastoral staff to enrich their ministry at the local church by providing funds and time for continuing education. This should be a line item on the church budget separate from the pastor’s compensation. This may include ministerial conventions, seminars, directed studies, as well as special college and seminary courses. This provision may also include the purchase of professional development materials (software, books and periodicals), and the payment of professional dues.

2. According to the Manual of the Church of the Nazarene, the expectation for all assigned and unassigned licensed and ordained ministers is to continue a pattern of lifelong learning to enhance the ministry to
which God has called him or her. A minimum expectation is 20 contact hours each year (2 accredited Continuing Education Units/CEUs). Church of the Nazarene Manual - Paragraph 426.6

3. Each church should consider granting an occasional Sunday for the full-time pastor to visit other churches to gain insight for worship and missional ministries.

C. Inspirational

1. Each local church should provide the needed finances to send any and all pastoral staff and spouses to special events, such as Pastoral Team Retreat, the annual Celebration of Mission & Ministry (Missions Convention & District Assembly), and General Assembly. We also encourage consideration of helpful conferences and events sponsored by other organizations as deemed appropriate and applicable to the local church mission. The amount budgeted should include the total registration fee plus any and all expenses (transportation, lodging, and meals).

2. Full payment of all shares for others will result in the District depositing $100 towards registration of the senior/lead pastor for the Pastoral Team Retreat.

3. Local churches may also consider assisting a small church pastor, church planter, evangelist, missionary or retired pastor in attending such functions.

4. If appropriate, each church should consider giving their senior/lead pastor time away for district family camp (not as vacation time) and care for financial expenses if at all possible.

D. Extended Illness

In the event of a severe pastor/family illness requiring time away from ministry responsibilities, we recommend that the church leadership board consider the following action:

1. Delegate local responsibilities to qualified leaders within the congregation, and as recommended by the District Superintendent.

2. Provide for necessary personal needs (meals, transportation, child care, etc.)

3. Arrange for adequate financial support.

4. Establish an appropriate duration of actual sick leave as recommended by a pastor’s primary physician.

II. PERSONAL ENCOURAGEMENT

1. Each church is encouraged to recognize all members of the paid pastoral staff at appropriate times of the year: birthdays, anniversaries, Christmas, etc. Special attempts should be made to show appreciation and express love to the pastors and families at all times, being careful to remember children in the home. Suggested gifts could include but not be limited to gift certificates to favorite restaurants, book stores or other places of interest to your pastoral family.

2. Each church should participate in some form of annual appreciation for the pastoral staff, such as the nationally designated Clergy Appreciation Month. Focus on the Family has helpful resources available at: www.thrivingpastor.org/cam/

3. We encourage local churches to remember retired ministers, missionaries, and evangelists with special and appropriate acts of love, kindness, and prayer.

III. COMPENSATION

A. Salary

1. Each church, where possible, should endeavor to employ its senior/lead pastor on a full-time basis.

2. The salaries of the senior/lead pastor and pastoral staff are to be carefully reviewed semi-annually as a
minimum. It should be recognized that a salary increase is only an actual increase when it is above the current cost-of-living index. When a pastor leads a church in growth that is reflected in increased finances, this should be a factor in determining the amount of increase in his or her salary and benefits. The church board secretary is requested to notify the District Office when a salary increase is given, stating the amount of the increase.

3. A study should be made of the compensation of pastoral staff to determine means of limiting tax liability. Professional assistance is available through Pensions and Benefits USA (www.pbusa.org). We recommend local churches seek assistance relating to tax laws and their impact on the tax liability of all pastoral staff.

4. With regard to interim and temporary pastoral supply, consideration should be given to reimbursement for 1) travel at the 2013 IRS mileage rate of 56.5 cents per mile, 2) food and lodging, and 3) a minimum salary/honorarium relative to the following factors of the specific local church:

   - Average Worship Size (0-75) $125 for a single service, $175 for a full day
   - Average Worship Size (76-200) $200 for a single service, $250 for a full day
   - Average Worship Size (201-349) $250 for a single service; $300 for a full day
   - Average Worship Size (350+) $375 for a single service, $500 for a full day

5. Salary and/or honorarium for full time interim pastors or tenured evangelists serving long-term should be equal to the full time senior/lead pastor’s weekly salary plus benefits.

B. Housing

1. Churches should discuss with all paid pastoral staff the option of purchasing their own home. The church may wish to consider an interest-free loan, down payment assistance, or a shared equity arrangement. Churches may also consider the long-term value of a church-owned parsonage. We encourage pastors and church boards to review the materials available through Pensions and Benefits USA (www.pbusa.org) for comparing the benefits of providing a parsonage or providing a housing allowance. Pensions and Benefits USA also provides helpful resources in Finance and Compensation Planning Memos, as well as the Pastor’s Compensation Worksheet.

2. When any pastor or staff purchases their own home, a housing allowance should be established commensurate with current housing and utility costs, or what tax laws refer to as the fair rental value.

3. If the local church owns a parsonage, the appropriate committee or board should be aware of and responsible for needed repairs, maintenance, and improvements. We recommend a parsonage inspection semi-annually by the leadership board or appropriate committee so that repairs are cared for properly and adequately.

C. Health Insurance

1. Providing health insurance for any or all pastoral staff is the responsibility of the local church.

2. For those churches that are financially able we urge local church leadership boards to consider:
   a. providing dental and vision care for any or all pastoral staff.
   b. assisting with medical expenses not paid by insurance for any or all pastoral staff.

3. Other insurance coverages that may be considered for any or all pastoral staff are long term care insurance and long-term disability insurance through private carriers.

D. Local Church Expense

1. The local church should reimburse ministry related pastoral car expense at a rate approved by the local church board. The 2013 IRS allowed rate is 56.5 cents per mile. Because of tax benefits, some churches may choose to provide a vehicle for professional/pastoral use only.
2. Each church should make provisions for a comfortable and well-equipped office for its pastors. This provision should include: supplies, postage, telephone, computer, email service, fax, and when possible, secretarial help.

3. Recognizing that hospitality may be incurred as a local church expense, consideration should be given to establishing an account to reimburse pastors for expenses incurred in carrying out appropriate professional responsibilities such as hosting for meals, providing refreshments, etc.

IV. SACRAMENTO DISTRICT SABBATICAL POLICY

1. Pastors in today’s world face incredible stress and demand in their career. Normal routines often do not provide adequate time for reflection and renewal of the vision and mission. In an effort to prevent burnout and encourage longer pastoral tenure, the District Superintendent, District Advisory Board, and Pastoral Care Committee recommend that each local church adopt the District’s sabbatical policy. This policy states that after seven years of service in the same local church, a sabbatical rest of one to three months may be considered for a full-time senior/lead pastor, and any full time pastoral staff who meet the same requirement.

2. Implementing the Sabbath rest/Sabbatical is to be done after consultation by the local church leadership board with the approval of District Superintendent. The District Sabbatical policy is to be considered by every church board.

3. We also recommend that after a reasonable period of service in the current assignment before becoming eligible for sabbatical consideration, churches grant their pastor an extended time away for rest, renewal, prayer, and spiritual growth, in addition to vacation.

V. SOCIAL SECURITY, RETIREMENT & LIFE INSURANCE BENEFITS

1. The local church should reimburse the pastor/associate the full amount of Social Security tax based on the total of the salary and housing allowance or parsonage rental value (including utilities) computed on 15.30% of these stated items. Each local church should review regularly the impact of current tax law as it relates to estate and retirement planning through qualified independent counsel.

3. Pastors may also want to consider independent financial counsel and assistance for various needs.

4. Consideration should be given to provide the supplemental term life insurance for the pastor and associate that is offered by Pensions & Benefits USA, or other appropriate sources.

VII. SOCIAL SECURITY AND INCOME TAXES FOR 2013 - 2014

For calendar year 2013 the following rates are applicable:

- Employee withholding – OASDI = 6.2%; Medicare = 1.45% (7.65% total)
- Employer match – OASDI = 6.2%; Medicare = 1.45% (7.65% total)
- Total FICA/SECA contribution = 15.3%
All churches shall be in compliance with State and Federal reporting and income tax withholding laws. All lay and ministerial employee wages earned will be reported on W2’s as wages, Social Security wages, Medicare wages, and state/local wages as applicable.

For complete information, refer to “Reporting Procedures for Congregations – Federal, State, and Other Reporting Made Easy”, available from the Department of Pensions and Benefits, Lenexa, KS.

A) **Lay employees** are covered by the Federal Insurance Contributions Act (FICA). FICA covers Old-Age, Survivors, and Disability Insurance (OASDI) and Medicare contributions. For payroll purposes, churches must withhold from each employee’s gross pay amount a total of 7.65% (6.2% for OASDI and 1.45% for Medicare) plus applicable Federal and State Income Tax. The church matches the 6.2% and 1.45%, for a total of 15.3%. These amounts must be set aside and held until the end of the quarter when they are remitted to the U.S. Treasury on a timely basis, using the Form 941 for reporting purposes. The State Personal Income Tax (PIT) is remitted to the State of California Employment Development Department (EDD) on a timely basis, using Forms DE9C and DE88 for reporting purposes.

B) **Ministerial employees** are covered by the Self-Employment Contributions Act (SECA). As self-employed persons, ministers are responsible for ensuring they are in compliance with SECA by making quarterly remittances for Social Security. The local church normally pays the OASDI amount to the pastor as a supplemental amount at the end of each quarter. Churches calculate the SECA amount as follows: ministers quarterly salary total + ministers quarterly housing expense total + ministers quarterly utilities expense total + the OASDI amount = the base amount. Multiply the base amount by 15.3% to arrive at the quarterly OASDI amount. The supplemental amounts paid to the minister as OASDI must be included in the W-2 as part of total wages at the end of the year.

**VIII. CHURCH INSURANCE**

A. **Fire Insurance**
   1. **Church Building and Equipment**
      A) All risk of direct physical loss, where possible, otherwise, Fire Extended Coverage and Vandalism and Malicious Mischief or as required by lender.

   2. **Dwelling**
      A) All risk of direct physical loss, where possible, otherwise Fire, Extended Coverage, and Vandalism and Malicious Mischief, or as required by lender.
      B) 90 percent of replacement cost, writing replacement cost endorsement where possible, otherwise 90 percent of actual cash value (replacement cost less depreciation).

B. **Liability**
   1. **Limits**
      A) 1 million each occurrence personal injury and property damage
      B) 3 million annual aggregate
   2. **Coverage**

      B) Products liability
      C) Pastoral counseling liability
      D) Broad form general liability
      E) Non-owned and hired automobiles
F) Owned vehicles

C. Worker's Compensation - Required by the statutes of the State of California and the State of Nevada; every church on the Sacramento District must see that this is a part of their insurance program.

D. Church Accident Insurance - Each individual church has medical payments extended from package policy. NOTE: Coverage for volunteer labor involving new construction will have to be endorsed in Worker's Compensation policy.

E. All churches should show the District as a "named insured" in their policy.

F. Because of the complexity of tort law and our increasingly litigious society, we encourage every church on the Sacramento District to have a current Policy Manual in place. Resources such as insurance company audits and the Church Law and Tax Report should be used to make certain that each local church is in compliance with Federal and State law. Careful attention should also be given to the current direction of case law in defining policies for the local church.

IX. LOCAL CHURCH FINANCE

A. That each church be encouraged to use the Nazarene Treasurer's Report system, or equivalent calculating system, and that the pastor receives a report of the total raised each week.

B. That the local church establishes an operating budget including local, District, and Global interests. *(Manual Paragraph 38.2, 130, 136.2, 154, 414.9, 414.13).* A copy of this budget shall be sent to the District Superintendent.
   1. This budget is to be reviewed monthly by the Church Board and WEF, P&B, District and Education Shares for Others are to be a priority item.
   2. If there is a deficit in the income necessary to meet the total monthly budget, the board should seek ways and means to care for any emergency deficit each month. The pastor should monitor the local budget and quarterly review with District leadership the direction to be taken to resolve indicated financial problems.
   3. In the planning of the local budget, items such as social security reimbursement, hospital insurance, auto reimbursement, housing allowance, utilities, and other benefits should be listed separately from the stipulated salary of the pastor.

C. That each local church establishes an annual review of their financial reports and procedures for handling weekly offerings.
   1. The financial report review should include but not be limited to:
      A) Monthly bank reconciliations done timely.
      B) Monthly financial reports done timely and reviewed by the church board monthly.
      C) Deposits on bank statements should equal income on financial reports.
      D) All expense items should be reviewed with the church budget and the larger differences should be examined and explained.
   2. The procedure for handling of offerings should be as follows:
      A) All offerings should be counted and recorded by at least two people signing the report.
      B) Offerings should be held in a secure place until deposited at the bank.
      C) A rotation of people counting and recording is recommended.

D. That the hiring and renewing of paid assistants shall occur only when all Shares for Others *(District, Global, and Education)* and financial obligations were paid in the previous year and are current in the year requested. *(Manual 160, 208.13).*

E. That the District continues to give full support to the annual PLNU grant-in-aid program for Nazarene
young people from our district as follows:

1. **General Grant** - That an amount of $3,000.00 shall be allocated from the District Education Fund for each eligible, full-time, undergraduate student from a Sacramento District Nazarene Church attending PLNU.

2. **Matching Grant** - That we encourage our local churches to participate in the PLNU Matching Grant program in which the church contributes $250.00 per student per year, and the university in turn, matches the amount, making a total of $500.00.

F. That each church observes the Nazarene Bible College and the Nazarene Theological Seminary Sundays and sends an offering for each.

G. That remuneration for an evangelist should follow the recommendation of the Department of Evangelism, which is: Fully care for the travel expenses to and from the church; provide housing, and meals; pay an amount at least equal to the pastor’s weekly salary, including housing and benefits. A love offering would be appropriate. When requested by ministerial evangelists, designate a portion of the compensation as housing allowance. Upon consultation with the evangelist, make a contribution to his or her Nazarene Single Defined Contribution Pension account.

H. That the District Advisory Board annually brings recommendations on the District Superintendent and District office staff’s financial packages to the District Finance Committee.

X. **DISTRICT FINANCE**

A. That a District Assembly Finance Committee be elected and meet prior to the District Assembly.

B. That the District Superintendent, District Treasurer, and District Assembly Finance Committee Chairman be authorized to receive requests for adjustments in Shares for Others giving due to reporting errors determined to be justifiable, and make necessary adjustments.

C. That a report shall be distributed showing the payments of Shares for Others and other obligations for the current assembly year.

D. That a report of local church Shares for Others giving be received for the previous church year.
