   Dr. Jim Kraemer

Welcome, (Bienvenidos) to our fifth District Assembly of the Prairie Lakes District Church of the Nazarene, (El Distrito de Prairie Lakes La Iglesia del Nazareno). Dr. Graves, welcome to this amazing District, we have some of the finest people on the planet, with a passion to reach the lost – getting the Bride ready for the coming Bridegroom.

Last year we challenged ourselves with Achieving The Impossible with goals to continue starting new churches and focusing on the Twin Cities, as well as our growing oil country. We have begun working with our churches in the Oil country, working to figure out steps we need to take to reach that incredible culture. The challenges in western North Dakota are huge, and the oil industry is affecting all of North Dakota. We are specifically working with Pastor Nathan Porthen in Williston, with resources and tools to help this great group of people focus on capturing the attention of those Jesus is entrusting us with. Pastor Larry Duffy, our new pastor in Alexander, ND, again right in the heart of oil country is refacing the church, and has helped us purchase a parsonage. He continues to reach into hundreds of lives as he intentionally goes into his community helping people. As many new people continue to move into that area, we will determine to find new ways to reach them with the love, presence, and power of Jesus Christ, hopefully starting some new churches very soon. In the Metro Twin Cities we have started at least five new churches, one English, three Hispanic, and one Multicultural, with several others in the works. God is helping us identify places and people – and HE continues to open doors for new churches and for our existing churches.

Our New Start Churches have been amazing! We did organize one new church this year, “Church” at Byron, under the leadership of Pastor Johannes Marsland organized with 27 charter members. This church is reaching into the lives of students through their school. Lezlie, Angel, and I were able to be with them when they dedicated the building and organized as a church. We heard the testimonies of some amazing young people who are finding a very real relationship with Jesus Christ because of the love and influence of this team.

As of today we have 40 new churches in the works – some beginning as Bible studies to see how they develop, some house churches, and some that are meeting in store buildings, restaurants, and existing churches. We have had several Churches parent a new start congregation this year. Osseo, Pastor Jim Comfort – Create Church in the Northwest suburbs of the Twin Cities, with Pastor Mark Zubert; and Osseo Hispanic – Coni Carranza; Backus, Pastor John Rister, Fergus Falls, Pastor Steve Hoffman, and Mandan, Pastor Greg Baker – Engage Church in Duluth, Pastor Josh LaVack; and Oakes, Pastor Kelley Lovelace – Spearfish house church, Planter Heath Johnson, and
Moorhead, Pastor Paul Aladin, - Moorhead Hispanic, Planter Jesus Molina. I would like these leaders to come to the platform. Duluth Engage church is our newest plant. Steve Hoffman and Josh LaVack is going to share part of the story. --- Will the people involved with these new churches please come to the platform?

Along with these brand new ones, we have these church plants in the works. Pastors / planters please come to the platform. Minneapolis Cambodian English – Christina Suos and Sokurt Suos; Moorhead Bridgepointe Multicultural – Paul Aladin; Redwood Falls, MN restart – Ken Harmon; St. Paul Mosaic – Jeff O’Rourke; New Salem, ND – Ernie Hockett; Prairie Heights Community West Fargo Campus – Jon Hauser; Aberdeen, SD the Corner English – Talmadge Hobbs; Aberdeen the Corner Hispanic – Carlos Feliciano; Colome, SD – Ron Snethen; Pierre, SD – Dan Mosteller; Pena de Horeb – Alfredo Soriano; Crystal, MN Hispanic – Edwin Blanco; Jordan, MN Hispanic – Milton Jones; Montrose, MN Hispanic – Alex Martinez / Jason Young; Jamestown, ND Hispanic Jesus Molina / Richard Reynolds; Winona and SE Minnesota Hispanic – Saul Israel Carranza / Dave Foshee; St. Paul Hispanic – Armando Moreno; Huron LaSenda Antigua (Huron Hispanic) – Carlos Feliciano/Genell Knisley; Lakota New Hope and Potato Creek Native American – Kim Montileaux; Spring Creek Canyon, Native American – Sam Cash; and Native Care Ministry – Ed Parsells. We have started House Churches in the following communities – Buffalo Lake Hispanic – Alex Martinez / Jason Young; Daton, MN – Cony Carranza; Rochester, MN, - Saul Israel Carranza; Waverly, MN Hispanic – Alex Martinez; Dawson, ND Hispanic – and Edgeley, ND Hispanic – Jesus and Lupita Molina. Did I miss anyone? (Have everyone involved in any of these new churches come to the platform.) This is amazing!! God has truly blessed the vision HE gave us several years ago. He has proven again that HE can do anything and will bless HIS people when we step out on faith and trust HIM!!

So – what now? God has done amazing things among us. But this is just the beginning of a brand new day on this District. One thing I know – we can trust HIM and HIS leadership in our lives, even when we don’t understand it all. Philippians 3:12, “Not that I have already obtained all this, or have already been made perfect, BUT I PRESS ON to take hold of that for which Christ Jesus took hold of me.” With all that God has done, HE has much more that HE wants accomplished on the Prairie Lakes District. As we continue to focus on Churches planting Churches, and existing churches getting healthy – let’s remember what HE has called us to do! We need to capture these words in our heart – “I press on!!” That is for you and me Pastor, leader, church family!! He has a plan for each of us in fulfilling His Great Commission and HE will help us in pressing on!! That is why HE took hold of us in the first place – for such a time as this, getting the Bride ready for the coming Bridegroom! Say it with me, “I press on!!” again, “I press on!!”

How do we press on?
**First** – Let’s work hard to help each existing church and each new start church get healthy. I have a resource for every pastor, that if you put a plan together and follow it, every church on this District can be reaching new people for Jesus Christ and see lives changed through Him in all our communities. It’s not a program – but it helps us think, and plan, and work together with HIS presence and power to be the church that HE molds, strengthens, fills, and works through. “Five Practices of Fruitful Congregations” deals with key areas in which we allow God to work through us to make Disciples in our communities. While I’m giving every Senior pastor this book,
each Zone Mission Leader has received a tool to go with it, with planning guidelines and DVD's. I've asked Zone Leaders to pull their zones together and go through this material with each pastor. Then they can make this tool available for use in each church – to help us fulfill the mission of making disciples. Speaking of Zones, I want to encourage you for a moment with something that will help your next District Superintendent. When we merged our Districts 5 years ago, one of the key things Dr. Sickels and I shared with you is that we must develop the Zones into functional groups to keep things focused. I have not accomplished everything I had hoped to in this area, but now it is time to prioritize this and make it work. So, when your zone leader sends out the invitation to come together, please respond, make your calendars work, and work together to accomplish the mission in your area. Encourage each other this year using the material in “Five Practices of Fruitful Congregations.” This material will give you a plan to help your church develop the following areas – even providing preaching thoughts, devotionals, Small group / Sunday School lessons and planning material in 5 vital areas of ministry.

- The Practice of Radical Hospitality.
- The Practice of Passionate Worship
- The Practice of Intentional Faith Development.
- The Practice of Risk – Taking Mission and Service.
- The Practice of Extravagant Generosity.

When you come together, you can pray, encourage each other, and work and share together to accomplish the mission that Jesus has given us in making Disciples in all our communities. Healthy churches reach people for Jesus Christ! Pastor, you as a leader are there to make sure they are healthy!! Let’s stay the course – and PRESS ON to be a healthy, disciple making district.

Second, Be encouragers of each other. Look out for and speak well of each other and the church. No matter the size of the church or ministry – Satan will bring the challenges! We need to lift each other up and lift our great church up in prayer and conversation. Remember, the Church is HIS Bride – and HE loves and is jealous of HIS Bride. This is a great time to be a Nazarene Pastor, Nazarene Leader, and Nazarene Churchman. I’m choosing to stay out of the seat of the scornful. Let’s stay the course – and PRESS ON to be positive, encouragers, allowing God to do everything HE wants to do through the Prairie Lakes District. We can be the example!

Third, Let’s keep planting Churches! We need to work and focus on getting these new baby churches strong and to the point of organization. All of us can take part. Pray for these churches. Encourage their leaders. Give them an offering. Now is a good time for District Leadership and Zone Leaders to focus in on each one of these baby churches to see how they are growing and getting stronger. And, every church needs to be a part of starting a new church. It may simply be developing a prayer team that keeps a new church blanketed in prayer. Or it may mean sending finances, and as you have seen today – maybe even people. As you step out on faith and ask God what HE would have you do – He will let you know. And He will bless you in the midst of it. So, in church planting, don’t slow down!! Let’s stay the course – let’s PRESS ON in planting many new churches in the years ahead.

Fourth, We are a Global Church. We have a reputation around the world for reaching the lost, helping the poor, bringing all kinds of people to faith in Jesus Christ – all over the world. The influence of the Church of the Nazarene around the world has affected
whole countries at times, and has allowed people to have hope and a future. Even today, as we are in our assembly, our church is on the border of Mexico, not getting involved in the political nonsense, but is there to help children and mothers get food and shelter and the help they need. Our church is in the Philippines helping hurting people effect by the storms they have had. Our church is all over the world bringing the love, presence and power of Jesus to all kinds of people in all kinds of situations. The Global church – filled with human leaders has had its difficulties and challenges, but I’m telling you today that Jesus is happy with our church! He told me so! We have accomplished more than we know today, and millions of people have been influenced as we together get the Bride ready for the coming Bridegroom. I need a favor. Will each of you leaders please lead in helping us fund this mission? I dream of the day when this district will be 100% with the 15.5% in Funding the Mission. I don’t live in a bubble. I can see the big picture. Including the challenges in the local church with ministry needs, building needs and sometimes incredible challenges. The local ministry is priority, and sometimes you have to make important and difficult decisions. But let’s also pray about, and prioritize the reality that God has opened and is opening many doors for our great church around the world. I truly believe He is counting on us, and continues to bless us for these reasons. And I believe that God will help us in this great moving of HIS Spirit and power as we work together to reach the millions on this turbulent planet. Please – let’s step out on faith, and do your best to keep us moving forward in this area. Let’s stay the course – PRESS ON in doing all we can to reach, bless, and help people around the world. Let’s keep the Church of the Nazarene on the front lines!!

My hope and prayer is that you will still achieve the goal of 10,000 in Prairie Lakes Worship services by 2017. It will mean PRESSING ON!! We have shown an increase in 4 of the 5 years we have existed as the Prairie Lakes District. This year we have increased in morning worship by 532. We have had some churches show great gains, carrying us in this area, while some have had substantial decreases in attendance. Any Pastor showing any decline in attendance should call your Zone Mission Leader immediately and beg them to get those Zone meetings started so you can all go through the “Five Principles of Fruitful Congregations.” You are great leaders!! And some of you are in situations where you need to get encouragement, and dialogue, and maybe even some help to turn the corner! But YOU need to make that happen. It will take every Pastor taking your Leadership responsibility to intentionally lead in making disciples. Let’s just do it! We have the pastoral leadership, wonderful lay-leaders, and the resources to truly help all our churches become healthy, disciple making, community blessing, and God glorifying churches. Let’s PRESS ON!!!

So, here we are, sixteen years for some, and five for others, plus new friends that have jumped on the train through the years. It has been an amazing journey. This summer I will have traveled 1 million miles as a District Superintendent. I was forty four years old when elected, my hair was mostly brown, and I still had four kids at home and two in college. And God has been with us. Some of the highlights have been working with great leaders – General leaders, other District leaders, Mid America Nazarene University, Nazarene Bible College and Nazarene Seminary leaders, and some of the most amazing Pastors and lay - leaders. We have had some incredible challenges – some that kept me up nights. But most of this journey has been filled with miracles and victories, and huge “God things”. In this journey I have seen many churches get healthy and accomplish amazing things for the Kingdom. It may be
churches like Tuttle, Viborg or Mora; or Oakes, Ellendale, and LaMoure; or Brainerd, Bismarck, Fergus Falls and Minot, or Inver Grove Heights; Rapid City and Osseo – I could list many more. These examples of older, existing churches, being healthy and reaching people, no matter the size of community have been a great blessing in my ministry. One example of a DS disappointment was the Grand Forks Church closing right before I took this role, and then a couple years into it having to see the only Fargo Church go through another crisis and close it’s doors. But God was about to teach me the reality of a portion of Scripture that became a part of my life verses. Ephesians 3:20 says these powerful words. “Now to Him who is able to do immeasurably more than all we ask OR IMAGINE, according to His power that is at work within us, to Him be glory........” I had learned what it means to ask God – and then to trust Him. But, He was about to teach me what it means when God says that He is able to do immeasurably more than ALL we can imagine or dream. I believe it was in the year 2000 when Pastor Jon and Teri Hauser, nine other people and myself made a trip to the Twin Cities to visit the Prairie Oak church and meet with church Planter Pastor Steve Gahagen to help us with next steps in starting a new church in Fargo. I think that’s when the merger of Dakotas and Minnesota really started. God had put a vision on both Jon Hauser’s heart and on mine. He spoke to both of us in different ways at different times, giving a vision for a great, successful, out of the box Church of the Nazarene in Fargo. So Prairie Heights was born. Several years later we had meetings in Grand Forks with Jon, Dan Braaten, eventually Mark Hale and myself. And then Thrive Community, a Church of the Nazarene was born. Dr. Mark and Lisa Hale stepped out on faith and trusted God. In the midst of all that, churches like Lakota New Hope, Spring Creek Canyon, New Salem were born in Dakotas. And in Minnesota with Dr. Sickel’s leadership, churches like Chanhassen, Kasson, and Brooklyn Center Hispanic were born. There may have been some others that I’ve missed. But – God was proving to me, and to us that HE is able to do immeasurably MORE than not only what we ask, but also, what we can imagine. That sent us out dreaming about what God can do, until today we have 40 new churches in the works – all different types and at different stages at this point. So, if it’s our older, existing churches getting stronger and healthier, or New Start churches getting traction – it’s all about fulfilling the real call of Jesus – to go and make disciples. That is what the DNA of Prairie Lakes District Church of the Nazarene is all about. Let’s keep PRESSING ON!!

You will be electing a new District Superintendent. Love that person as much as have loved us. Here are some things I want you to work on. Get your Zone’s healthy and functional, building strong relationships, holding training events, and encouraging each other. Every church reach new people, or figure out why you aren’t. Every church get involved in a New start somehow. Remember that you are a part of the bigger church, which you knew when you took this assignment, so please, please, please, learn to get your monthly and annual reports in on time, - or resign now and not cause that stress for your new DS and his office team. Zone Mission Leaders, help your new DS in this important area!! Let’s PRESS ON!!

I love my Pastors deeply. I’ve prayed for and with you. I have cried and laughed with you. And have enjoyed making Disciples with you. You are the best!! Just for the record, I know where you are!! Dan Braaten and Saul H. Carranza, you two are amazing!!! Prairie Lakes District would not be where we are without you! Bruce Schmidt, you have worked countless hours and late nights getting and keeping the
records straight. Rich Reynolds, and now Becki Thompson, you two have also put in lots of hours, working with the financial part of this great district. District Advisory Board members, past and present, you have helped us with some huge, missional decisions that have allowed this great district to move forward. Barb Jandl and now Cheryl Morrison, Rich Wyatt and now Tim Asbill, and Sean McPherson have brought great leadership to their important departments that help our local churches fulfill the mission. Zone Mission Leaders have been ready and willing to step in where needed to help me accomplish the many tasks I get to deal with. Many others have helped with boards, music, and in other areas as we make Disciples across these three states. You wonderful Prairie Lakes laymen – you have been amazing and have become our great friends. Thank you for your leadership in a thousand board meetings, your participation in a thousand worship events, and your patience and love when we needed it most. I thank each of you for your part in this incredible journey!! It has been a great journey and I truly will always love each of you!! Angel Elizabeth Kraemer, you have reaped the joys and benefits of living in our world. It has been hard, and challenging sometimes with long hours, days away from home, and lots of miles. You have traveled and slept in the cars and motorhomes, and stayed in countless hotels. It has been your world too. You don’t know any different, as you were only two years old when we started this journey. And I love you and thank you for being such a wonderful daughter. And Lezlie – you are the most amazing person in my life! I’m so glad that God has given you to me, to live together and work together. I love you more today than ever!! We will wrap up these chapters now and begin a new adventure. The best thing we have learned over these almost forty years together, is that when HE is with us – the journey truly is amazing. So, we PRESS ON!!!

One more thing!! One of my biggest challenges and goals was to raise more funds to help us with operations with our New Start churches. God blessed us with funds to get these 40 churches in place. Those funds will run out completely in two more years if we don’t replenish them. Since I don’t know of any of your churches that we should close at this point and sell property – we need a new plan. I would like to encourage you to start today in raising at least $80,000 to $100,000 per year for church planting. That would mean a couple of large donations, $10,000 or $20,000 or more. Some churches may be able to give $5000.00, 1000.00, $500.00, or even $100.00 is significant. Individuals, churches, small groups, Sunday School classes – together we could reach this goal. We shouldn’t be afraid to step out on faith, because God has proven Himself, - and has commissioned the Prairie Lakes District to lead the USA / Canada Church of the Nazarene in church planting. Let me say it again, HE HAS PROVEN HIMSELF!! So, if through the day you can pray through on this for what you, your church, or small group can do, simply send a note to the platform with your pledge. I believe God wants to take this District to a whole new level in Church planting. And so - “Not that I have already obtained all this, or have already been made perfect, BUT I PRESS ON to take hold of that for which Christ Jesus has taken hold of me.” Philippians 3:12. He has taken hold of us – all of us – to get HIS Bride ready for the coming Bridegroom. Let’s PRESS ON AND JUST DO IT!!!

You are so loved and prayed for. 
Jim Kraemer
2. District NMI President’s Report

“Give thanks to the LORD and proclaim his
greatness.
Let the whole world know what he has done.
Sing to him; yes, sing his praises.
Tell everyone about his wonderful deeds.
Exult in his holy name;
Rejoice you who worship the LORD. (1
Chronicles 8-10)

I am humbled to bring my first report as Prairie Lakes District NMI president. In reality this is your report as it emphasizes what our churches have done to bring the Kingdom of God to the world.

Today we will go “around the world” in a day, through video presentations from each of the six world regions. I want you to see the enormity of the responsibility before us and to see what God wants to accomplish through us.

Please direct your attention to the screen where I have highlighted our district’s giving to Mission Specials. These numbers are a testimony to your burden for missions.

Prairie Lakes District NMI, through your faithfulness we have given over $380,840 to the World Evangelism Fund, paying 92% of our goal. In addition to 40 churches paying their WEF in full, 26 churches overpaid WEF by 5.7% or more, achieving the Award of Excellence. Since the whole denomination has turned to
the new formula of giving 5.5% of all income, except WEF and approved mission specials, our churches have the opportunity to do what we encourage our people to do in their tithing – “Bring the WHOLE tithe into the storehouse...test me in this, says the Lord Almighty, and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it.” (Malachi 3:10)

Emergency! The flashing red and blue light on top of an emergency vehicle usually indicates a need. The emergency could be a fire, a crime, a person in physical duress, or a need to slow down. Whenever you see a flashing light you know there is a need. Today, this light is a signal of something else. The speed at which this light flashes is the rate that people are dying and going to hell. That’s about 1.7 people every second. I know there isn’t any way to accurately know what the actual number is. Only God knows the exact number. The next time you see a flashing light remember it is symbolic of someone entering into a Christ-less eternity. Also remember, if it were not for the faithfulness of another believer, that flashing light would have been symbolic of your fate. The flashing lights are declaring a need – a need for us to pray, give, and go. This counter will be running today as a reminder of the need. I have spoken to you about dollars today, a very physical aspect of the mission. But the reality is this is a spiritual issue.

God has given the Church of the Nazarene a tool – World Evangelism Fund – to reach the lost for Christ. People are dying without Jesus! I am not content to be an 90% district. Not because of the number, but because of what the number represents – people; people who can be set free from sin, to walk in newness of life. Let us determine, with God’s help, we will be a 100% district this year!

“Oh, my brothers and sisters in Christ, if sinners will be damned, at least let them leap to hell over our bodies; and if they will perish, let them perish with our arms about their knees, imploring them to stay, and not madly to destroy themselves. If hell must be filled, at least let it be filled in the teeth of our exertions, and let not one go there unwarned and unprayed for.” Rev. C. H. Spurgeon

William Booth, founder of the Salvation Army said this: “Not called!’ did you say? ‘Not heard the call,’ I think you should say. Put your ear down to the Bible, and hear him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and hear the damned entreat you to go to their father’s house and bid their brothers and sisters, and servants and masters not to come there. And then look Christ in the face, whose mercy you have professed to obey, and tell him whether you will join heart and soul and body and circumstances in the march to publish his mercy to the world.”

Finally, may I give personal testimony and thanks to God, my Sustainer. He is enough. This year has been one of great growth for me. In October, Fred and I received a call from my brother-in-law informing us that my mom had passed
away that morning. Three days earlier, I had spoken to my mom. We were making plans for a visit in just a few months. One of the last things she said to me in our conversation was “I just want to be closer to Jesus.” God answered her prayer! Then in February, I received a cancer diagnosis. People often say God will never give you more than you can handle. May I say that is just not true! God doesn’t want ME to handle it. He wants me to lean hard into Him and learn that He is completely able to handle any situation. One precious morning in His Word He confirmed this to me. From 2 Corinthians 8–11 (NLT) “We think you ought to know, dear brothers and sisters, about the trouble we went through...We were crushed and overwhelmed beyond our ability to endure, and we thought we would never live through it. In fact, we expected to die. BUT as a result, we stopped relying on ourselves and learned to rely only on God, who raises the dead. And he did rescue us from mortal danger, and he will rescue us again. We have placed our confidence in Him, and he will continue to rescue us. And you are helping us by praying for us.”

I have completed my treatment. And except for some lingering weariness, am returning to my new normal. Thank you for your prayers and support.

All glory to Him,
Cheryl Morrison
Prairie Lakes District NMI President

3. District SDMI President’s Report

The Man in the Arena – Theodore Roosevelt

It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; who errs, who comes short again and again, because there is no effort without error and shortcoming; but who does actually strive to do the deeds; who knows great enthusiasms, the great devotions; who spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement, and who at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who neither know victory nor defeat.

Retreats, Camps, and speaker tours oh my! SDMI continues to support many arenas across all ages for “get away” style discipleship intensives. After this what happens? This year my heart has dwelled on two very familiar sections of scripture: First we are to make disciples (great commission). At our SDMI conference this year the question was asked, “What is the greatest need in the area of making disciples?” the answer came quick from one DS, “make some converts.” So, from convert to disciple it brings me to the church. Where does our responsibility lie? And that’s where the second passage of scripture challenges us, “So Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers, 12 to equip his people for works of service, so that the body of Christ may be built up 13 until we all reach unity in the
faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.” Ephesians 4:10-12
When is the last time your Sunday school or small group lesson caused you to do something for someone else? Our discipleship programs are the boot camps of ministry and as the church/programs are designed they should be designed to prepare and equip people for works of ministry. What was YOUR ministry this year?
Clearly throughout scripture our call is not passive it is active. Our classes and small groups need to transition from knowledge absorption to Christ-like ACTION. Camps, retreats and tours will continue to happen. They will exist to challenge, encourage, prepare, and equip. They will send out attendees back to their churches with the question; “What’s my ministry.” Our challenge is to, Make disciples that are prepared for works of ministry and to get those disciples in the ARENA of ministry. Its time to move from the war room to the war.

Respectfully Submitted,
Rev Sean P. McPherson
SDMI Chairman

4. District NYI President’s Report

This is my first report to you as District NYI President and I want to thank all of you for the privilege of serving this great district in this capacity. I take very seriously the call to Be, Do and Go in service for the youth, youth workers and God of the Prairie Lakes District.

I continue to be amazed at what God is doing in the lives of the students of our churches. He has been faithful in changing and calling the hearts of youth across the Dakotas and Minnesota to follow Him in holiness and service for His Kingdom. The number of youth that have been called from these three states into full-time service is a testimony of what God is and has been doing and will continue to do through the leadership of the pastors and laymen that call this district home.

Our church year started off with Youth Camp at Crystal Springs Bible Camp. Under the direction of Pastor Scott Eastburn we had 139 students and 28 staff. I want to thank our SERVE Team from MNU for leading us each night, Scot Kraemer for being at camp and building relationships with students to consider MNU as their next step, and also to Dr. Spittal for making sure we have quality teams that help us show our youth that service is an important part of your college experience. Finally, I want to thank Scott Eastburn for his leadership and direction of youth camp for the past several years and the amazing team of pastors and lay youth leaders who have helped to make camp so much fun and a time of spiritual growth for our youth.

Fall Retreat was our second event that was held at Inspiration Hills Campground under the direction of Pastor Chris Bartholomew. Pastor Clay Mitchell did an excellent job of sharing with the students about the boundaries, integrity and their personal walk with Christ. The Fergus Falls Youth Praise team also did an excellent job of leading us in worship. The weekend’s weather didn’t cooperate for
many outdoor activities but the kids really enjoyed their time being able to connect with each other in group games and table games. Thankful for those churches that made the journey across the Dakotas to the retreat and look forward to another great one this fall.

Regional PK Retreat was February 14-16. I sacrificed the love of my life for my other love, our Prairie Lakes PK’s. We had 75 in attendance with students and staff and 11 of those were from Prairie Lakes. Lisa Downs, MNU’s Admission Director, is our PK Retreat Director and this was the 14th year our North Central Region has held this retreat. Lisa said, “This was one of the largest first-timer PK’s to attend since the 3rd year.” Many of our Prairie Lakes PK’s were first-timers to this retreat and I want to thank the churches for making sure they could be able to attend.

I have been able to be at 9 of the 14 retreats over the years and my opinion is that it is one of the best and most privileged opportunities for our PK’s to be able to experience. This is a time for them to be able to be themselves without the pressure of churches or parent/pastor worrying. Please, if you have a pastor’s kid in the 7-12th grade, make sure they make it to the retreat in February.

USA/Canada Leadership Conference was in Louisville, Kentucky March 2-4, 2014. This leadership conference was a time/planning conference for NYC 2015. Jourdan Sous, your District Vice President, Annie Kee, your District NYI Secretary, and I were able to attend the conference. We traveled from the twin cities to Des Moines where we met up with the Iowa District group to help share expenses and ideas to and from Louisville. All of us from both districts are extremely excited about this next NYC in July of 2015. The theme “Thy Kingdom Come” really spoke to the heart of all of us in at the conference. You will not want your students to miss the experience. The cost is $1,200 per student and the first payment and registration is due in September. I want to thank Terri Comfort for being our coordinator along with Annie Kee. Last NYC we had just a little over 30 participate. My prayer is to see an even great number from the Prairie Lakes NYI attend. NYC has helped thousands of students nail down their call, salvation and sanctification. There is something about 8,000 Nazarene youth and adults gathered to serve and listen to what God is calling us to do that you can’t gain in any other setting. Make it possible for your church students to be “on the list”.

District Quizzing had a good year under the leadership of Bud Stiles and our new District Quizzing Director, Matt Mehlhoff. I want to thank Matt for stepping up this year to lead our quizzers. He has done a great job of organization and planning and I am looking forward to seeing his leadership continue to blossom for many quiz seasons to come. This past year we had quizzers from Tuttle, Ellendale and Mandan, North Dakota, Pierre and Brookings, South Dakota and Brained, Litchfield, and Bethel, Minnesota. We had a total of 27 quizzers, and 17 finished out the year at our last quiz in Fergus Falls. I was able to attend the final quiz and to be a part as a content judge. It was fun getting to see them quiz and to experience for the first time a final quiz where every question in that final round was answered. Bud said, “It was the first time he has ever had that happen in all the years he has been in quizzing.” We took time to surprise Bud with special
recognition for his many years of service as quizzing director, and even though he will no longer be the director he will continue to help and serve as much as possible. Just want to say thanks again, Bud, for all of your countless hours, miles and time spent.

MAX@MNU, our annual regional youth event was held April 24-26, 2014. Cheri Wyatt was our Prairie Lakes NYI coordinator for this event. Thank you, Cheri, for all your help as our event coordinator and I appreciate all of your administrative help in planning for our district. We had 94 in total attend MAX this year from the Prairie Lakes District. This was down but we still accomplished a lot as a district at the event.

In Quizzing:

    Our “A” Quiz team took 3rd place.
    Three quizzers in the top 16 of the “A” squad. 2nd place over-all was Cody Mehlhoff, 12th place was taken by Daniella Peterson and 14th was Marissa Mehlhoff.
    From our “B” Quiz team, Cecelia Magnuson took 3rd place.

    Congratulations to each of them for their hard work and excellent memory skills of God’s Word.

In the Arts department:

    Anastasia Hofer took 2nd place in the Drama Creative Arts category.
    Dawson Eastburn took 1st place in Sr. High Instrumental Solo.

In Athletics:

    5k Run—Sr. Male runners Marcus Haskins took 1st place and Brydon Wanner took 3rd. Sr. High Women’s Basketball “A” team took 3rd place with Mandy Dyke making the All-Tournament Team.
    Women’s Volleyball teams took 3rd place with Olivia Tafelmeyer making the All-Tournament Team.
    Sr. High Men’s Basketball did not take a place but Marcus Haskins made the All-Tournament team.

Every year if eligible we are able to select a student to receive the Richard Spindle Scholarship. This is a $1,000-a-year scholarship for four years. Our recipient this year was Hannah Hull. Let me just say again, thanks to our youth leaders, youth pastors and Dr. Kraemer and Lezlie for taking time to be a part of the MAX event. If you have never been, you need to go; it is fun to support our youth as a district and to sense God’s presence in such a great event that helps them to see a bigger part of the church as a whole.

Finally, I want to say thank you to my council for their help and input. Each of you has helped make a big job easier. We are in a day of social media, fast paced lives and where everything else takes precedence over the church and extracurricular church activities, and on top of that we have one of the largest, spread-out
districts. I pray that as you plan out your activities as a local church and local church youth ministry that you do plan to make the trip to each of these events.

We as your council strive to do the best possible job to make these events worth the miles. My goal is to do the best possible event without breaking the bank and your wallets. It is so fun to watch the students when they do get together and the youth workers as well. The conversations and relationships that are built during these times are priceless and are needed to build a strong and healthy district NYI.

Please pray for our youth, youth leaders, pastors and me. Without prayer, none of this would be able to take place. If you DO nothing else at least DO pray. I pray that this next year and our events will be amazing and that the response of the Holy Spirit on our youth will DO things and move like never before. I pray that we will see even more students called into service and called to help change the culture in their local settings.

Our verse for NYI since the beginning still holds true today. 1 Timothy 4:12, “Don’t let anyone look down on you because you are young, but set an example for the believers (church) in speech, in life, in love, in faith and in purity.” In other words, YOU, youth across the Prairie Lakes, blaze the way for God and His Kingdom. Allow others to see your passion and love for Him, and through your life others will be drawn to Jesus and continue to move of His Spirit in and around our district, region and the world.

Respectfully Submitted,
Rev. Timothy D. Asbill Jr.
Prairie Lakes District NYI President

5. Hispanic Ministry Report

To all of you, I respectfully submit this report:

I thank God for all his blessings and for allowing us to work with him in extending his kingdom in this district.

The challenges are still great and we pray to God to give us strength and wisdom to face them with courage, intelligence and will.

We are currently working and planting churches in the following cities:
Jamestown Moorhead Bismarck Mandan Huron
Aberdeen Litchfield Montrose Winona Jordan
St Paul Manantial de Vida Eterna St Paul Promesa de Dios Crystal
Osseo Brooklyn Center Brooklyn Center Rock of Salvation

We also have Bible Study in these towns:
Buffalo Lake Waverly edgeley Dawson Rochester
Dayton
We have already begun the process of bringing Rev. Nery Perez as a missionary to the northern area of Minnesota. In a missionary effort of the Church of Fergus Falls, we hope to have the ministry of Brother Nery planting churches and training leaders in the area.

The immediate goal for our ministry is to plant churches in Sioux Falls and in the oil zone of North Dakota.

This year our pastors have participated in the seven courses that have been taught in the district. And the first of our pastors has ended Ministerial Preparation Course and four more are close to completion. We look forward to their ministry to train other ministers.

In order to publicize the ministry of the Church of the Nazarene and promote unity among our churches we are holding a radio program every Sunday on "Radio Bendición FM 105.7" and online at radiobendicionfm.com. We are also using the "Salt and Light" promotion with a monthly magazine page. Many people have come to us by these means.

**CHALLENGES AND PRIORITIES**

We are already training leaders and pastors in the strategy of DCPI, and pastors are learning to develop it. But I am concerned about planting churches without having "prepared pastors" who can take care of them. Therefore the first priority of the ministry in the coming years is recruiting Hispanic pastors and training them biblically and theologically. Many of our churches are being led by lay people who have felt the call of God. They are very talented people, but they are bi-vocational pastors who have family commitments. In these circumstances it is very difficult to have time to study. That is why we must implement a strategy of pastoral studies. Meanwhile I’m trying to multiply myself by being a personal mentor for them.

The second priority this year is to develop a growth strategy for every church. We are planting churches very quickly, and we praise God for that. But some of these churches have an attendance of fewer than 30 people, and none of our churches regularly has more than 75 attendees. If we want self-sustaining churches, we need larger churches. We need these churches to be committed to their own support and to the Great Commission to make disciples of those who do not know Christ.

Third priority this year is to develop lay leadership in our district. Attending the assembly and district retreats edifies us, but does not allow us to meet and train Hispanic district leaders. It is necessary to involve churches in developing camps, retreats and fellowship activities. To achieve this we must have the organizational capacity for such events.

Fourth priority this year is to develop a church liturgy strategy for churches where we have no strong leaders—and for American churches that want to start a Hispanic ministry but have no trained Hispanic leaders to lead services. I want to develop sermons and a time of praise that we can burn to CD or send via YouTube or Facebook. The idea is that churches can use these materials freely in their services or Bible studies, but they only need one person to coordinate and organize the activity.

Finally, I am working to develop a compassionate office that can meet the needs of people in the areas of immigration, food and education. Initially we are launching a pilot program in the Twin cities, then an office in each of the states of the district.

We see the future with hope. We know that the Spanish-speaking population is growing rapidly. We know that the country is being transformed by the interaction of cultures. But our mission is that all people be
transformed by the power of Jesus Christ and the sanctifying work of the Holy Spirit. In the name of Christ all things are possible.

Before you with respect.
Rev. Saul H. Carranza.
Hispanic Coordinator.

6. New Start Report

This has been a great year for church planting on the Prairie Lakes District. Here is an update on the new churches I’ve been working with. Pastor Mark Zubert is building a team and launching Create Church in Champlin, MN. Pastor Christina Suos is building a team, and has started preview services for a second generation English speaking church at Minneapolis Cambodian.

Pastor Josh LaVack and 16 people are moving to Duluth, MN to plant Engage Church. People are moving from Florida, Minnesota and North Dakota, to start this new church. God is bringing together a team, and several churches on the district are partnering with them.

Heath Johnson has started a house church in Spearfish, SD to reach out to the millennial generation. Only 4% of this generation attends church in our country. Several Nazarene families have moved to Watford City, ND in the middle of oil country. Pastor Bruce Schmidt will be working with them as they make plans to start new church there.

I have been meeting monthly with Pastor Steve Hoffman and a few Nazarenes, in Wahpeton, ND. They are making plans to launch a new church in the Wahpeton Breckenridge area. Pastor Paul Aladin has been assessed and trained as a church planter and will be re-starting the Moorhead Bridgepointe church with a multicultural focus. I have also assessed and trained a church planter who is praying about moving to the south suburbs of the twin cities to plant a new church.

Two things have greatly helped us on this church planting journey. First, is our denominations partnership with Dynamic Church Planting International. DCPI provides curriculum for us to train church planters, pastors, and churches as they sponsor new churches. This past church year we did Church Planting Essentials for church planters in Fargo, ND and St Paul, MN. We also did Churches Planting Churches Training in Bismarck, ND.

The second thing, that has really made a difference, is our district’s pastors and churches coming alongside these church planters and new churches. Pastor Jim Comfort and the Osseo Church have given a staff pastor, people, and finances to the new Create Church. Pastor John Rister and the Backus church took pledges of $9,500.00 for the new Engage Church in Duluth. Pastor Steve Hoffman and the Fergus Falls Church designated the entire offering on Sunday May 18th for Engage Church. Over $18,000.00 was given. Pastor Kelly Lovelace and the Oakes Church are sponsoring the new house church in Spearfish, SD. Pastor Sokurt Suos and the MPLS Cambodian Church is sponsoring the new second generation multicultural church.
The Brainerd Church is helping financially with the Mosaic church plant in St Paul, MN. Many other churches are praying and looking for opportunities to sponsor new churches. Church planting is a team sport! Team work makes the dream work!

Let’s keep planting churches, reaching people for Jesus, and enjoying the journey together!

3. **FINANCE**

Because we hold our doctrine and fellowship in highest regard, the Churches of the Nazarene across the Dakotas and Minnesota have formed an alliance which we call the *District*. The purpose of this alliance is to fund new congregations, ethnic ministries, and assist existing congregations in carrying out our mission to “make Christlike disciples in the nations.” Together we are more than the sum of our parts – together we become the “army of the Lord” and none may come against us. It is only as each local congregation does its part to support the whole, financially, that we are able to focus on the mission and expand our ministries to include those who are dying for lack of a Savior.

We believe that God’s plan for financing His Church is in giving tithes (10% of one’s income) and giving of offerings (a love gift from the bounty which God provides). We urge that this plan be continued for raising all local, district, and general funds.

The District Finance Committee submits the following recommendations:

1. That each local church pay their investments in Christ through others at least monthly, and the first payment be made by July 1 of the assembly year. These funds will underwrite the ministry of our district, MidAmerica Nazarene University, Pensions and Benefits, and our worldwide missionary work.

2. That each local church (including NewStarts) follow the formula for funding the mission of the Church of the Nazarene. That 15.5% of the amount raised for all purposes be invested in the mission of the Church of the Nazarene in the following amounts:
   - **World Evangelism Fund**: 5.5%
   - **District Fair Share**: 5.5%
   - **Education**: 2.25%
   - **Pensions and Benefits**: 2.25%

   Each church shall send 5.5% of the amount raised for all purposes for the World Evangelism Fund to the Global Treasury Services, P.O. Box 843116, Kansas City, MO 64184-3116, or online at [www.fundingthemission.org](http://www.fundingthemission.org). Each church shall send 5.5% for the District Fair Share Fund to the District Treasurer, P.O. Box 20, Oakes, ND 58474.
Each church shall send 2.25% for the Education Fund to MidAmerica Nazarene University, Office of Institutional Advancement, 2030 E. College Way, Olathe, KS 66062-1899.

Each church shall send 2.25% of the amount raised for all purposes for the Pensions and Benefits Fund to Global Treasury Services, P.O. Box 843116, Kansas City, MO 64184-3116, or online at www.fundingthemission.org.

3. That the District Fair Share Fund be allocated as follows:

   Salary $69,480

   Social Security 16,680
   Housing Allowance/Office 22,840

4. That reimbursement for boards and committees travel be made at the rate of 40 cents per mile round trip.

5. District NewStarts exists to start new churches. District NewStarts is administered by the District Advisory Board.

6. That each church observe a Sunday in the month of October as Nazarene Bible College Sunday by receiving an offering and/or by the church board budgeting an appropriate amount. This offering is to be sent directly to Nazarene Bible College; and that each church observe a Sunday in the month of January as Nazarene Theological Seminary Sunday by receiving an offering and/or by the church board budgeting an appropriate amount. This offering is to be sent directly to Nazarene Theological Seminary.

7. That each local church, through its pastor and church board, prepare a total financial budget for the 2014-2015 assembly year and mail a copy to the district office by September 1 of each year.

8. That each church review the adequacy of all insurance coverage on properties, including liability coverage, worker’s compensation, malpractice coverage, and sexual misconduct coverage. This coverage needs to include officers and directors in the local church. A summary of coverages and a certificate of insurance must be sent to the district office by September 30 of each year.

9. That each church be in compliance with the state and federal regulations on payroll and taxes, and corporate filings annually.

10. That our people be encouraged in the stewardship of possessions as related to wills, annuities, and trusts on behalf of the local church, missions by USA/Canada and internationally, and education; and that we also encourage our people to use the Church of the Nazarene Foundation in retirement savings and estate planning.

11. That the complete District Assembly Finance Committee report, including the Ministerial Support recommendations, be duplicated and included in the delegate packets at the district assembly and that a copy be sent to each local treasurer and church board secretary for review at the first board meeting following district assembly.

12. That the District Board of Church Properties review the past history of a church’s total financial stewardship before giving approval to that church for significant expansion or remodeling projects and any project for which a loan would be necessary.
13. That the district superintendent, with the advice of the District Advisory Board, review the past history of a church’s total financial stewardship before giving approval to that church for hiring any additional paid staff.

14. That the district superintendent and district treasurer be authorized to designate the priority on payments to be made from the available District Fair Share resources.

15. That the district superintendent be granted a five week vacation with pay, and that his Social Security, travel expense, worker’s compensation, and any increases on insurance be reimbursed in full.

**MINISTERIAL SUPPORT**

16. That the local church board, and/or Finance Committee, review the salary and professional expenses of the pastor at least every twelve months and bring recommendations to the church board to do its best to provide adequate salary and compensation for the pastor.

17. That the local church reimburse the pastor for such expenses as: (a) car expense; (b) books and educational material, (c) training and professional development seminars, and (d) any other ministry related expenses.

18. That each local church pay the pastor's Social Security in full and provide adequate health insurance each month.

19. That the annual vacation time for pastors who have ministered in the Church of the Nazarene meet the following minimum: pastors with service through 4 years be granted two weeks vacation, including two Sundays; those with 5 years through 11 years be granted three weeks vacation including three Sundays; those with 12-19 years be granted four weeks vacation including four Sundays; those with 20 or more years be granted five weeks vacation including five Sundays; all vacations with pay. The local church shall pay the cost of guest speakers during the vacation time. (District and general functions should not be counted as vacation time for pastors.)

20. That the church board or appropriate committee should recommend paying the pastor’s (and spouse) expenses to attend zone meetings, district assembly, family camp, and preachers’ meetings. Guest speakers should be provided as necessary by the local church. Consideration should be given to pay all or part of the parsonage family’s expense to district assembly and to the district children’s and/or teen camp.

21. That each local church ensure that their pastor is enrolled in the Nazarene retirement plan through the Pensions and Benefits tax-sheltered annuity.

22. Realizing that pastors face stress, pressure, and exhaustion, consideration should be given to granting extended time away for rest, renewal and spiritual uplift when it is necessary for pastor and/or spouse. In an effort to prevent burnout and encourage longer pastoral tenures we recommend that during the seventh consecutive year that a pastor serves at the same church, the local church consider giving the pastor an eight-week sabbatical (in addition to regular vacation time) for renewal in order to
keep the pastor fresh in body, spirit and vision. The pastor's salary and benefits should continue, with the church being responsible to provide a guest pastor during this time. The church should be challenged to a special time of renewal and enlarged vision, as well as the pastor.

23. That every church place a minimum of $10 per week in a savings account to help defray the expense of the pastor to attend the general assembly; with said amount to be retained and given to the pastor serving the local church at the time of the general assembly.

24. That each church pay in full its Nazarene Pension and Benefits Fund in order to qualify our district for additional life insurance provided by the Pensions Office.

25. That each church board designate one person to bring to the attention of the local congregation the dates of special occasions in the lives of local retired ministers and wives and ministers’ widows, so as to enable remembrances to be sent by that church.

26. That each church review Manual paragraph 129.30, which reads “To adopt and implement a plan to reduce the risk that individuals placed in positions of authority within the church will use the position of trust or authority to engage in misconduct. The plan for each local church must take into consideration its own unique circumstances.” We require that each local church implement the Nazarene Safe policy or an equivalent plan.

27. That every church review Manual paragraph 123, especially the portion that reads “As a part of the regular review, a report will be made to the district superintendent by the pastor and church board regarding progress toward fulfilling the mission, vision, and core values of the church.”

28. That each church comply with state law requiring every employer to carry worker’s compensation insurance on paid employees.

29. That each church board develop a written job description for their pastor, consistent with that set forth in the Manual, and a written document, stating the pastor’s salary, benefits, reimbursements, and allowances, as well as vacation and other agreements.

30. That sick leave with full pay up to 90 days be offered any active minister who becomes ill. If the illness should persist, any consideration of termination should be done in consultation with the district superintendent.

31. That each church remember to honor the pastoral staff and staff families with special expressions of appreciation on all appropriate occasions. A Christmas gift, equivalent of at least one week’s salary, is recommended.

32. That each local church observe Pastor/Staff Appreciation Month, preferably in October.
33. That the trustees of each local church board, in coordination with the pastor, inspect any church-owned parsonage for maintenance or improvement needs and report back to the church board annually.

34. That each local church board determine in advance the support of special workers (evangelists, missionaries, etc.) and that reimbursement be made to full-time evangelists at the rate of two times the pastor’s salary and benefits and that reimbursement be made to those who assume responsibility for them.
