Advisors

Advisors are available upon request to students enrolled in the Course of Study. Our colleges/universities offer their own advisors to help you take the appropriate courses to complete the COS for ordination if you are taking classes with their institution. Other BOM members, although meeting only once a year with candidates, are willing to offer advice and counsel whenever needed.

B. Instructions to Students

Eligibility

The District Board of Ministry serves only students who are properly enrolled in the course of study.

Courses

There are seven general courses administered by the Board of Ministry: study for elders, deacon-Christian Education, deacon-music (song evangelists, ministers of music), deacon-youth ministries, deacon-compassionate ministries, deacon-administration, and deacon-chaplain ministries. Ministers ordeacons may not be ordained, directors of Christian education may not be commissioned, or registered song evangelists commissioned, without having completed their respective courses, fulfilled their required time of ministerial service and passed their examination by the Board of Ministry.

Modes of Study

Meeting the educational requirements for ordination may be accomplished by one of two methods. The recommended mode of preparation for full-time Christian service is a COSAC validated degree program offered by Nazarene colleges/universities/seminaries. With completion of the degree, ordination educational requirements are met. They are available through on campus experience or online. We encourage all students accepting the call to ministry to first consider this option as the best way to prepare for ministry.

The non-degree Modular Course of Study offered by Nazarene colleges/universities or through the NWIL School of Ministry is also a COSAC validated venue for ministerial preparation. This is an excellent option in preparing for ministry when age, personal family commitments or cost are issues. Additionally, the Modular Course of Study Program (hereafter MCOS) is an
excellent choice when degrees are already bestowed upon the individual and only certain classes are needed to complete educational requirements for ordination after transcript evaluation.

The competency statements for ministerial education are listed in Manual, 527.3 and The Handbook for Christian Ministry. All college/university programs must meet these competency statements. The course listing of the Modular studies program is found in The Handbook for Christian Ministry.

**Regulations for the Modular Course of Study Program**

Regulations for the MCOS are as follows. These guidelines apply for those preparing for ministry using the complete MCOS or those needing certain classes to complete educational requirements.

1. Persons who desire to prepare for ordination by means of the MCOS shall apply using the form submitted by their pastor to the Studies Secretary of the BOM.
   
   A. “The chairperson and the secretary of the District Ministerial Studies Board are authorized to enroll a student in a validated course of study for ministerial education, in consultation with the district superintendent.” Manual 231.1

2. Each candidate is instructed to download and read the Sourcebook for Ordination from the District website or Clergy Education page on the Church of the Nazarene website at http://nazarenpastor.org/clergyeducation/default.aspx?tabid=56 (select Sourcebook in the More About God’s Call section) in order that he/she may become familiar with the details of the entire program.

3. Each student in the MCOS needs to select their method of study. Classes may be taken on line through several of our colleges or universities or the District School of Ministry offered classes (see http://www.nwilnaz.org/school-of-ministry-som/ for possibilities).

4. Transcripts from previously taken course work at colleges/universities/seminaries should be forwarded to the Studies Secretary for transcript evaluation. The secretary will inform the student of all modules that have been completed through transcript credit.

5. Students should consult the recommended order of modules found on either website previously mentioned to plan their classes or work with The Ministerial Studies Secretary to ensure a smooth educational experience.
   
   A. All students enrolled in the MCOS must take the preaching and evangelism course in district offered or district approved alternate options. The Ministerial Studies secretary should be consulted.

6. When taking District School of Ministry offered classes, course guides may be downloaded via either of the previously mentioned links. Students should enroll with the District School of Ministry Registrar.
   
   A. All class work should be completed and credited by Feb. 28th in order to apply on the current assembly year.
   
   B. Work filed thereafter will apply on the following year.

7. Each candidate is to complete a minimum of two courses per year. If this minimum requirement is not met, the candidate will be considered inactive. If a candidate remains inactive for two consecutive years, he/she will be dropped from the course of study.

8. If a candidate is dropped from the course of study and desires to be re-enrolled, the BOM will grant credit for work completed only after review of the candidate’s record.

9. Course work for ordination must be completed within 10 years of the first granting of the district license. Manual, 530.4
10. Candidates should be prepared to appear for interviews as called upon by the BOM at the time and place specified.

**College/University Students**

1. Students should request their pastor enroll them in the course of study with the Ministerial Studies Secretary of the BOM.
2. Students are responsible to submit to the Ministerial Studies Secretary documentary evidence of academic standing in harmony with Manual, 527.1, 527.4 and the NWIL District Ministry Handbook.
3. College/University Students are reminded to plan their curriculum in harmony with Manual 527.3 – 527.5.
4. Yearly updates should be submitted to the Studies Secretary of the BOM by the student, showing completed course work no later than Feb 28th, to be credited that year.
5. The final transcript at graduation will be evaluated by the BOM to ensure a validated course of study. Requirements stated in the current Manual will not be waived.
6. Candidates should be prepared to appear for an interview as called upon by the BOM at the time and place specified. If travel is an issue for applicants living off-district, then special consideration can be arranged by the BOM acting chairman.

The sixty-ninth Annual Assembly of the Northwestern Illinois District convened at 7 p.m. at Crossbridge Community Church of the Nazarene, Ottawa, Illinois, with General Superintendent Dr. Gustavo Crocker presiding. Assembly opened in congregational song led by Praise, from Olivet Nazarene University.

District Superintendent, Rev. Scott Sherwood, brought greetings. He announced that five ministers would be ordained the next day. Rev. Sherwood stated that all would be encouraged and challenged throughout the session. The Rockford First Hispanic congregation was cited as fulfilling the Great Commission by reaching out to refugees from the Congo in their community. He spoke of specific ministries provided by that congregation as led by Revs. Miguel and Aida Morante. The Rockford First Hispanic delegation was invited to the platform for recognition by the meeting attendees. Rockford First Hispanic delegate, Dawson Cristophe, offered prayer for the meeting in Swahili.

Rev. Sherwood introduced Dr. Crocker and spouse Rachel, to the congregation. He announced that Dr. Crocker would not be present during the next day’s meetings as he would be officiating the funeral of District Superintendent, Dr. John Seaman, of the Michigan District Church of the Nazarene. A check was given to Dr. Crocker to deliver in Dr. Seaman’s honor, made out to the Chicago Central District’s Reach 77 Initiative in support of their efforts to provide transitional housing to victims of human trafficking.

Superintendent Sherwood introduced host pastor, Kevin Donoho and his wife, Rachel, followed by recognition of new district pastors. New lead pastors were named as: Jeremy McLaughlin, Sterling; Matt Jones, Sandwich; Ronda Hollars, Family; and Rita Lovell, The Extra Mile. New pastoral assignments were named as: John Trotter, Lost Lake; Paul Simmonds, Rockford First; Denny Owens, St. David, Burt Clarke, Campus Pastor; Mark Abbott, Rock Island; and Ron Jansen, North Pekin.

Special guests recognized were: Dr. and Mrs. Don Lain, representing the Nazarene Foundation; General Superintendent, Dr. J.K. Warrick, and spouse, Patty; and Dr. John Bowling, Dr. Brian Allen and Rev. Carlos Lonberger, representing Olivet Nazarene University. Special appreciation was extended by Rev. Sherwood to his wife, Sherry, and daughters Libby, Madeira and Brooke.

Rev. Sherwood prayed for and led the evening offering, which was accompanied by Olivet Nazarene University’s Praise ensemble.

Dr. Crocker brought greetings on behalf of the General Superintendents and the Nazarene family.

District Secretary, Rev. James Book established the organization of the session. The following were read and acted upon as one motion by Rev. Book: Statistical Secretary, Scott Whalen; Recording Secretary, Nila Davis; Pages, Rita Lovell, Scott Perschall, Galen Ryman, Dave Smith and Ethan Vidjecan. The delegates were instructed to reference page 3 of the Assembly Handbook for the list of Board of Tellers. The voting area of the session was designated as the Sanctuary, Children’s Area and District Secretary’s Office.
Rev. Book proceeded to instruct as to registration and voting, announcing that delegates packets were distributed at registration, and alternates verified and seated. Times of meetings were established as: Friday, April 7, 7:00 p.m. to adjournment; Saturday, April 8, 9:00 a.m. to 11:45 a.m., and 1:30 p.m. to 3:00 p.m.

Special Orders of the Day were established as: Olivet Nazarene University Report, Friday evening; Report of the District Superintendent, Saturday morning; Nazarene Foundation Report, Saturday morning; and Ordination Service, Saturday afternoon.

Dr. Crocker called for adoption of the assembly organization. It was voted upon and adopted.

Special Greetings were authorized for Jordan and Rachel Thompson, Sasha Carr, Mary Beth, Dr. Crawford and Sylvia Howe.

Partial Reports 1, 2, 3 and 4 of the Board of Ministry were adopted (Assembly Handbook, pages 4 and 5).

Dr. Crocker introduced Dr. John Bowling, President of Olivet Nazarene University. Dr. Bowling greeted the meeting attendees with a few words, then introduced Olivet Nazarene University’s Praise ensemble, who provided a special number in song. The song was followed by a short video presentation. The Olivet Nazarene University Report, as delivered by Dr. Bowling, was entitled “Fan Into Flame the Gift of God.” Emphasis was placed on fanning the flame, both spiritually and academically. A video was played recognizing Dr. Teresa Woodruff, Olivet alum, reproductive scientist, and professor at Northwestern University, followed by Dr. Allen stating, “You can get anywhere in the world from Olivet.” Each assembly attendee was given the name of an Olivet graduating senior and asked to pray for that individual, fanning into flame the gift of God in their life. Dr. Don Reddick, Dean of Music, and Rev. Carlos Lonberger, Director of Graduate Programs, School of Theology and Christian Ministry, were recognized by Dr. Allen.

Dr. Crocker’s sermon scripture was from Deuteronomy 2:3, “You have made your way around this hill country long enough; now turn north.” The sermon was entitled, From Religion to Relationship; From Routine To Revival. He preached about the time frame between the crossing of the Red Sea by the Children of Israel, to their arriving at the banks of the River Jordan. He stated that the reasons we develop into a routine, or find a reason not to cross the Jordan, are fear, self-reliance and pride, and contentment. He opened the altar for attendee’s to pray for their congregations, their personal lives or to renew the promise. The altar was filled. Dr. Bowling closed the altar service in prayer.

Rev. Book announced that name tags would be required for voting in the next morning’s meeting. If a name tag was forgotten, the delegate should report to the District Secretary’s Office. Further, that district licenses could be picked up in the Registration area following the evening service; and that Crossbridge had sound equipment for sale at reduced cost until noon the next day. He thanked Dr. Reddick for accommodating the late minute agenda changes.

Dr. Crocker closed the first meeting of the session in prayer.

SECOND MEETING
Saturday Morning, April 8, 2017

The Crossbridge worship team provided prelude music and led in a time of praise and worship.
The session reconvened at 9:00 with greetings from Rev. Sherwood who welcomed and recognized General Superintendent, Dr. J.K. Warrick, and his wife, Patty, to the second day of Assembly, noting that this is only the second time that more than one General Superintendent has presided over a District Assembly session.

Dr. J.K. Warrick, offered greetings and presented scripture from Revelation 1:4 with a devotional entitled, “Letters He Is to Write”. He stated that the passage tells us three things: who Jesus is, what Jesus does and why we are where we are, expounding briefly on each point.

Dr. Warrick began the business of the day by directing the meeting delegates to the Nominating Committee Report (page 6 of the Assembly Handbook). The report was adopted.

The District ballot was presented and instruction for voting given by Rev. Book, who then led the meeting in prayer for voting guidance. The Board of Tellers was called to collect ballots.

Dr. Warrick introduced District Superintendent, Rev. Scott Sherwood.

Rev. Scott Sherwood presented the District Superintendent’s report. He opened with the congregation reading aloud Jude: 1 – 4, and the Preamble of the Church Constitution. He spoke of reinforcing our DNA, or who God has raised us up to be. Further, that the next 50 new churches are in the congregation. The next 200 after that are in the harvest. Citing the District’s 2030 Vision, he said that he believes 3,000 disciplemakers will raise up 15,000 Christlike disciples, who will raise up 30,000 worshippers, resulting in 300 churches. It is critical to stay laser focused on our mission. The mission is to make Christlike disciples. To do so, we must stay true to who God has raised us up to be. He focused attention on our three core values; Christian Truth, Holiness of Character, and Missional Excellence. He read through and expounded upon each of the 16 Articles of Faith of the Church Constitution. Rev. Sherwood led everyone in reading aloud 2 Peter 3:9, the guiding verse in his life. He listed the attributes of a Christ-like disciple. Our takeaway, he said, should be that we should proclaim the Gospel faithfully. He cited and explained why Bridgeway, Crossbridge, Pekin First, Sunnyland, Lewiston, Princeton New Hope, Canton East Side, and Canton First are positive examples of proclaiming the Gospel faithfully.

Rev. Sherwood stated that we have grown in worship every year for the last 6 consecutive years. This year, for the first time since 1983, we have broken 6000 in worship. It should be noted that in 1983 we had 75 churches. We increased worship attendance by 121 this year, and by 1,263 in the last decade. We increased discipleship by 377 and our responsibility list by 1,931 this year. We added 2 new churches this year, bringing our total to 54, including parent-affiliated congregations. A total of 32 churches showed an increase in either worship or discipleship. Our people gave $8,174,163, the highest annual total in the history of our district. The district met every Funding the Mission giving goal this year for the 21st consecutive year. For the second consecutive year, every church paid 100% of every Funding the Mission giving goal. Northwestern Illinois District was the only district in the world to achieve this goal last year and the first to ever do so two years in a row. He concluded by praying the blessing from the book of Jude over everyone in the meeting.

Dr. Warrick praised the report, which was received by a vote of the assembly. Rev. Sherwood was elected to a term of four years in 2014; therefore no vote was taken this year. Dr. Warrick then requested Rev. Sherwood’s wife, Sherry, and their 3 daughters to the front of the church, calling for one lay leader from each church represented to surround the District Superintendent’s family, lay on hands, and pray. Dr. Warrick led the prayer as well as an
acapella singing of the chorus, “Spirit of the Living God”. He concluded with the challenge, “When was the last time you did something for the first time?”

Dr. Warrick greeted Dr. Don Lain, representing the Nazarene Foundation, and his wife, Nancy. Dr. Lain shared a testimonial as to lives changed through the work of the Nazarene Foundation.

The District Finance Committee Report (pages 8 - 14 of the Assembly Handbook) was adopted. The District Advisory Board Report (pages 15 - 16 of the Assembly Handbook) was received. The District Treasurer Report (pages 17 - 22 of the Assembly Handbook) was received, as it had been previously referred to an outside auditor. The District Audit Report (page 23 of the Assembly Handbook) pertaining to the District Treasurer’s Report was adopted.

Rev. Sherwood gave direction as to how to meet our goals, stating that it starts with God having already done something in us, which projects into God doing something through us. To do this, churches must get competent, get healthy, micro-multiply (multiply within the church), macro-multiply (multiply the church) and finally, attend a Dynamic Church Plant International (DCPI) event. Mission strategy highlights were presented. Rev. Lloyd Brock, Pekin First, spoke to his congregation’s burden for the people in Peoria’s south side. The building housing the former Peoria Southside church is now leased to Southside Mission. Pekin First is working to open a new church there on Sunday’s utilizing a discipleship model. Rev. Jeff Stark, Bridgeway Community, shared the promise from Isaiah 54:2 & 3. His congregation launched Vision 20/30 in the fall of 2016. They are preparing church plants in Raleigh, NC; Bern, Switzerland; and Morton, IL. Rev. Sherwood spoke to Rev. Rhonda Hollars starting Family Church, in Malden, IL, while still on staff at Princeton New Hope and also operating Tabatha’s Hands.

The Church Multiplication Endowment offering was taken, with the Crossbridge worship team leading in song. Dr. Warrick spoke to the need for college graduates to move into depressed neighborhoods and start churches in order to reclaim desolate territories.

District Ballot results were read by Rev. Book. The District Advisory Board Ordained Minister vote result of 240 ballots cast was: **Rev. Bill Clark** - 148; **Rev. Dennis Owens** - 92. The District Advisory Board Layperson vote result of 241 ballots cast was: **Ken Roat** - 145; **Dana Schrock** - 96. The Olivet Nazarene University Trustee vote result of 240 ballots cast was: **Rev. Lloyd Brock** - 165; **Rev. Mike Stipp** - 75. The election was declared by Dr. Warrick.

All pastors’ written reports were submitted and printed within pages 27 – 71 of the Assembly Handbook. These reports were received.

Motion was adopted to edit the journal and expunge the ballots and that with the closing of the afternoon’s Ordination Service, the 2017 NWID Assembly would come to a close.

Closing remarks were made by Dr. Warrick.

Rev. Book made announcements concerning lunch arrangements and preparation for the ordination service.

Rev. Sherwood gave praise for Rev. Book’s leadership and asked him to close in prayer. After doing so, Rev. Book announced that the Church Multiplication Endowment offering result was $3,706.52.

**THIRD MEETING**

**Saturday Afternoon, April 8, 2017**

Instrumental prelude music was provided by Crossbridge.
Rev. Sherwood welcomed delegates and guests, then turned the meeting over to Dr. Warrick.

Dr. Warrick gave the statement of purpose and invocation. Rev. Sherwood led in the recitation of the Apostles’ Creed. The congregation sang, “Holiness Unto the Lord”, as the Elders marched from the back of the sanctuary to their seats on either side of the platform, also singing.

Dr. Warrick proceeded with the Examination of the Ordinands, announcing that this year he would be celebrating both 50 years of marriage and 50 years of ministry. He prayed that their lives and ministry would be as fruitful and fulfilling.

Rev. Laura Tanner read 2 Timothy 4: 1-8, which was followed by congregational singing of How Great Thou Art.

Rev. Sherwood invited retiring ministers, Rev. Rickey E. Burgard and his wife Cathy, and Rev. Robert W. Clardie, to the platform where they were recognized by the assembly.

Newly licensed ministers, Burton Roland Clarke, Lindell Mark Johnson and Linsy N. Stockham were challenged by Rev. Sherwood to accept the charge now given to them as clergy. They were presented with their first district license and were invited to sit with the other clergy.

A trio comprised of Rev. Lloyd Brock, Rev. Todd Keller and Rev. Scott Whalen sang, “Your Grace Still Amazes Me”.

Dr. Warrick’s sermon scripture was Hebrews 13: 20 & 21. His message focused on the fact that God is a God of Peace, a God of Resurrection Power and a God who is at work in you. He challenged the ordinands to never give up, that they partner together with God and the longer they walk with Him, the more like Him they will become.

Dr. Warrick called the session to adjournment and pronounced the benediction. The congregation was invited to congratulate the new elders immediately following the service.

Respectfully submitted,

Dr. Gustavo Crocker, General Superintendent
Dr. J.K. Warrick, General Superintendent
Rev. James M. Book, District Secretary

HERE WE ARE.
(Please note: Some phrases from the Manual are quoted and paraphrased without documentation)

Will you please stand and read together with me from the Bible and the Nazarene Manual.

Congregational Reading: (on screen)

To those who have been called, who are loved by God the Father and kept by Jesus Christ:
   2 Mercy, peace and love be yours in abundance.

   3 Dear friends, although I was very eager to write to you about the salvation we share, I felt I had to write and urge you to contend for the faith that was once for all entrusted to the saints. 4 For certain men whose condemnation was written about long ago have secretly slipped in among you. They are godless men, who change the grace of our God into a license for immorality and deny Jesus Christ our only Sovereign and Lord.

In order that we may preserve our God-given heritage, the faith once delivered to the saints, especially the doctrine and experience of entire sanctification as a second work of grace, and also that we may cooperate effectually with other branches of the Church of Jesus Christ in advancing God’s kingdom, we,...set forth as the ...Constitution of the Church of the Nazarene the Articles of Faith, the Covenant of Christian Character, and the Articles of Organization..."

Manual Church of the Nazarene 2013-2017

MISSION.

The Church of the Nazarene’s mission is to make Christlike disciples in the nations. Christlike disciples are made by Christlike disciples who when they gather for worship, learning, and mission are called a church. The Church of the Nazarene recognized long ago that God’s plan for His Kingdom to come and His will to be done on earth as it is in heaven did not require political power or cultural influence. Rather it simply requires Christlike disciples reaching out to anyone anywhere who responds to the life transforming message and ministry of the Gospel and helping them to become Christlike disciples who in turn will reach out to anyone anywhere who responds to the life transforming message and ministry of the Gospel and help them to become Christlike disciples who in turn . . .

The Church of the Nazarene very early on organized itself into districts in order to sustain this movement of Christlike disciples multiplying and planting new communities of Christlike disciples right in the middle of places where Christlikeness was most desperately needed.

As Christlike disciples multiply, local churches multiply. As local churches multiply, districts multiply. As a movement, we used to be into district multiplication as well as church
multiplication. We would multiply districts when it was clear that leadership closer to the ground would help sustain the movement of multiplying these missional communities of Christlike disciples we call local churches. Wouldn’t it be something if our little district became a catalyst for a new wave of district multiplication in the church of the Nazarene? I believe we are on our way.

VISION

WE believe God is calling us to raise up 3000 Christlike disciple-makers to disciple 15000 Christlike disciples who will probably attract around 30000 worshipers in 300 churches by 2030.

It is critical that we stay laser-focused on our mission, or we may end up reaching the top of the mountain and realize we climbed the wrong one. Most of what we measure is not exactly our mission but things we do that help us achieve the mission. Our mission is not to achieve bigger crowds at our worship services, but we measure that because we know the more we attract to worship with us, the better chance we have of helping them become Christlike disciples. Our mission is not to involve great numbers of people in Bible studies or discipleship groups, but we measure that because it is a critical piece in helping someone become a Christlike disciple. Our mission is not even to have more and more churches, but we measure that and celebrate it because we know that new churches are the most effective way to reach new people and where we plant the most churches we reach the highest percentage of the population in those areas. But our mission is not to draw crowds, increase participation in groups, or even to plant more churches.

Our mission is to make Christlike disciples. We don’t de-Christianize other streams of Christian tradition that see things differently than us, but we are convinced that we will make our ultimate contribution to the Kingdom only as we stay true to who God raised us up to be.

I want to spend the bulk of my report this year reinforcing for this Assembly what our global church has always said we are supposed to be reproducing.

VALUES

What do we mean by Christlike disciple? We believe that a Christlike disciple values Christian truth, Holiness character, and Missional excellence.

By Christian Truth, we mean what the Gospel says God’s love has done FOR us.
By Holiness Character, we mean what the Gospel says God’s love will do IN us.
By Missional Excellence, we mean what the Gospel says God’s love will do THROUGH us.

We believe all of this is essential to the Gospel and ALL of this is received by GRACE.

None of us deserve or could make happen what God in His grace has done FOR us. We can only cooperate with His grace by accepting what He has done for us.
None of us deserve or could make happen what God in His grace wants to do IN us. We can only cooperate with His grace by accepting what He wants to do in us.
None of us deserve or could make happen what God in His grace wants to do THROUGH us. We can only cooperate with His grace by accepting what He wants to do THROUGH us.
We believe it matters that we are unified in our understanding of who God is and the story of His love for us. We summarize our understanding in our Articles of Faith.

CHRISTLIKE DISCIPLES VALUE CHRISTIAN TRUTH:
ARTICLES OF FAITH

1. The Triune God

We believe “in one eternally existent, infinite God, Sovereign Creator and Sustainer of the universe; that He only is God, holy in nature, attributes, and purpose. . . revealed as Father, Son, and Holy Spirit.”

We believe it matters that we are unified in our understanding of who God is: this God who exists eternally in perfect, holy, community, because the entire rest of the Gospel is an invitation into fellowship and partnership with the Holy Trinity.

2. Jesus Christ

We believe in Jesus Christ, the second person of the Trinity, that He was eternally one with the Father, that He became incarnate by the Holy Spirit and was born of the Virgin Mary, so that He was and is forever fully God and fully human.

We believe that Jesus Christ died for our sins, and that he truly arose from the dead in the flesh, ascended into heaven and is there engaged in intercession for us.

We believe it matters that we are unified in our understanding of who Jesus is. Perhaps the most defining question Jesus ever asked his disciples was “Who do you say that I am?”

3. The Holy Spirit

We believe in the Holy Spirit, the third person of the Trinity, that He is “ever present and efficiently active in and with the Church of Christ, convincing the world of sin, regenerating those who repent and believe, sanctifying believers, and guiding into all truth as it is in Jesus.”

We believe it matters that we are unified in our understanding of who the Holy Spirit is and what He is up to in this world today.

4. The Holy Scriptures

“We believe in the plenary inspiration of the Holy Scriptures … given us by divine inspiration, INERRANTLY revealing the will of God concerning us in all things necessary to salvation …”

We believe it matters that we are unified in our understanding of the Bible,

- that it is uniquely divinely inspired in a way that no other writing, song, liturgy, speech, theology, or utterance ever has been or ever will be
- that it is INERRANT in all things necessary to salvation. We don’t argue about why one gospel has two donkeys and one gospel has one, whether God created the world in 168 hours or 168 million years, or other incidental grammatical, geographical, and mathematical issues. We don’t argue about whether the text is perfect, but we must be unified that what the Bible says we must do to be saved, we must do to be saved.

5. Sin, Original and Personal.
We believe that the original sin was a “voluntary violation of a known law of God” in Adam and Eve’s attempt to displace God from the throne of their lives and replace him with their own enlightened selves. As a result of the sin of our first parents, every descendent of Adam and Eve has been born with a propensity to want to be our own God and to remove God from his rightful place in our lives. And every sin ever committed by any of us has been this same exact sin: attempting to displace God from the throne of our lives and taking the throne for ourselves.

We believe that personal sin is different than original sin. Original sin the propensity to want to be our own God in defiance of the one true God. We are all born with this. Personal sin is “a voluntary violation of a known law of God by a morally responsible person . . . not to be confused with involuntary and inescapable shortcomings, infirmities, faults, mistakes, failures, or other deviations from a standard of perfect conduct that are the residual effects of the Fall.”

We believe it matters that we are unified in our understanding of what is sin, what is not sin, and the lengths God has gone to in order to deliver us from sin.

6. Atonement

“We believe that Jesus Christ, by His sufferings, by the shedding of his own blood, and by His death on the Cross, made a full atonement for all human sin, and that this Atonement is the only ground of salvation, and that it is sufficient for every individual of Adam’s race.” It is available to every human who repents and believes.

We believe it matters that we are unified in our understanding of the need for atonement, what Jesus did to provide it, and that it is only received by repentance and faith.

7. Prevenient Grace

We believe that our ability to repent and believe is only possible by God’s prevenient grace. God’s grace is already at work preparing people to respond to the Gospel long before they are exposed to it.

8. Repentance

We believe that repentance, which is a sincere and thorough change of the mind in regard to sin, involving a sense of personal guilt and a voluntary turning away from sin, is demanded of all who have by act or purpose become sinners against God. The Spirit of God gives to all who will repent the gracious help of penitence of heart and hope of mercy, that they may believe unto pardon and spiritual life.

9. Justification, Regeneration, and Adoption.

We believe that when someone repents and believes, they experience in one moment justification, regeneration, and adoption.

   God justifies us with a “full pardon of all guilt and complete release from the penalty of sins committed, and acceptance as righteous, to all who believe on Jesus Christ and receive Him as Lord and Savior.”

   God regenerates our moral nature making possible faith, love, and obedience.

   God adopts us into His family as children of God, joint heirs with Jesus.

We believe that sanctification is the work of God which transforms believers into the likeness of Christ. It is a process wrought by God’s grace that spans “initial sanctification …, entire sanctification, the continued perfecting work of the Holy Spirit culminating in glorification when we are fully conformed to the image of the Son.”

“We believe entire sanctification is that act of God, subsequent to regeneration, by which believers are made free from original sin, or depravity, and brought into a state of entire devotion to God, and the holy obedience of love made perfect. It is wrought by the baptism with or infilling of the Holy Spirit, and comprehends in one experience the cleansing of the heart from sin and the abiding, indwelling presence of the Holy Spirit, empowering the believer for life and service. Entire sanctification is provided by the blood of Jesus, is wrought instantaneously by grace through faith, preceded by entire consecration; and to this work and state of grace the Holy Spirit bears witness.”

You may hear us call it Christian perfection, perfect love, heart purity, the baptism with or infilling of the holy spirit.

“We believe there is a marked distinction between a pure heart and a mature character.” Christian perfection is not perfection of performance but a perfection of one’s heart toward God increasing the upward trajectory of growth in grace.

We believe this requires active cooperation with God’s grace. “Without such purposeful endeavor, one’s witness may be impaired and the grace itself frustrated and ultimately lost.”

“Participating in the means of grace, especially the fellowship, disciplines, and sacraments of the Church, believers grow in grace and in wholehearted love to God and neighbor.”

11. The Church

“We believe in the Church, the community that confesses Jesus Christ as Lord, the covenant people of God made new in Christ, the Body of Christ called together by the Holy Spirit through the Word. God calls the Church to express its life in the unity and fellowship of the Spirit; in worship through the preaching of the Word, observance of the sacraments, and ministry in His name; by obedience to Christ, holy living, and mutual accountability. The mission of the Church in the world is to share in the redemptive and reconciling ministry of Christ in the power of the Spirit. The Church fulfills its mission by making disciples through evangelism, education, showing compassion, working for justice, and bearing witness to the kingdom of God.”

12. Baptism

We believe that Christian baptism, commanded by our Lord, is a sacrament signifying acceptance of the benefits of the atonement of Jesus Christ, to be administered to believers signifying their joining Christ in His death and being raised to a new life of “obedience in holiness and righteousness”

Since baptism is a symbol of the new covenant, young children may be baptized when parents request it and give assurance that they will provide necessary Christian training.
We don’t care if you sprinkle, pour, or immerse.

13. The Lord’s Supper

We believe that the Memorial and Communion Supper is a sacrament declaring Christ’s death through which we “have life and salvation and the promise of all spiritual blessings in Christ.” Only those “who have faith in Christ and love for the saints should be called to participate.”

14. Divine Healing

We believe in the Bible doctrine of divine healing and urge our people to offer the prayer of faith for the healing of the sick. We also believe God heals through the means of medical science.

15. Second Coming of Christ

We believe that Jesus is coming again. That those who are alive “if we are abiding in Him, we shall be caught up with the risen saints to meet the Lord in the air, so that we shall ever be with the Lord.”

16. Resurrection, Judgment, and Destiny

16. We believe in the resurrection of the dead, that the bodies both of the just and of the unjust shall be raised to life and united with their spirits—“they that have done good, unto the resurrection of life; and they that have done evil, unto the resurrection of damnation.”

16.1. We believe in future judgment in which every person shall appear before God to be judged according to his or her deeds in this life.

16.2. We believe that glorious and everlasting life is assured to all who savingly believe in, and obediently follow, Jesus Christ our Lord; and that the finally impenitent shall suffer eternally in hell.

We don’t believe eternity is about getting what you deserve. In eternity, everyone gets what they have been wished for during their life. Those who have desired for God to be sovereign over their lives get to experience God’s presence and purposes completely unhindered. The result is heaven. On the other hand, those who have desired in this life to remove God from the throne of their lives and to live independently of His presence and purposes get to experience a reality completely untouched by His presence and purposes. The result is hell.

TRANSITION: “THE LORD IS NOT WANTING ANY TO PERISH BUT EVERYONE TO COME TO REPENTANCE.” (2 PETER 3:9) THIS IS WHY IT IS ESSENTIAL BE UNIFIED IN THE STORY WE TELL ABOUT WHO GOD IS AND WHAT HIS LOVE DOES FOR US. IT IS ALSO ESSENTIAL THAT WE ARE UNIFIED ABOUT WHAT GOD’S LOVE CAN DO IN US. THE COVENANT OF CHRISTIAN CHARACTER FUNCTIONS AS A LIST OF DESIRED OUTCOMES FOR THE CHRISTIAN LIFE. THESE ARE NOT RULES WE FOLLOW IN ORDER TO RECEIVE GRACE FROM GOD; INSTEAD THIS COVENANT DESCRIBES WHAT WE BELIEVE IS POSSIBLE AS A RESULT OF RECEIVING GOD’S GRACE. IN FACT, BEING CONFIDENT OF GOD’S GRACE, WE COVENANT WITH EACH OTHER TO LIVE OUT WHAT HIS WORD SAYS IS MADE POSSIBLE BY HIS GRACE.
CHRISTLIKE DISCIPLES VALUE HOLINESS CHARACTER:
COVENANT OF CHRISTIAN CHARACTER

When we experience salvation of our sins and cleansing from all indwelling sin, it is evidenced by “doing that which is enjoined in the Word of God, which is our rule of both faith and practice”:

A Christlike disciple loves God with all their heart, soul, mind, and strength and loves one’s neighbor as oneself.
A Christlike disciple presses upon the attention of the unsaved the claims of the gospel, invites them to the house of the Lord, and tries to compass their salvation.
A Christlike disciple is courteous to all people.
A Christlike disciple is helpful to those who are also of the faith.
A Christlike disciple seeks to do good to the bodies and souls of people, feeding the hungry, clothing the naked, visiting the sick and imprisoned, and ministering to the needy as opportunity and ability are given.
A Christlike disciple contributes to the support of the ministry and the church and its work in tithes and offerings.
A Christlike disciple attends faithfully all the ordinances of God, and the means of grace, including the public worship of God, the ministry of the Word, the sacrament of the Lord’s supper, searching the Scriptures and meditating on them, and family and private devotions.

Secondly, when we experience salvation of and cleansing from all indwelling sin, it is evidenced by “avoiding evil of every kind.”

A Christlike disciple avoids taking the name of God in vain.
A Christlike disciple avoids profaning the Lord’s day by participation in unnecessary secular activities.
A Christlike disciple avoids pre-marital, extra-marital, and same-sex relations; perversion in any form, and looseness or improper conduct.
A Christlike disciple avoids habits or practices known to be destructive of physical and mental well-being, because they regard themselves as temples of the Holy Spirit.
A Christlike disciple avoids quarreling, returning evil for evil, gossiping, slandering, spreading surmises injurious to the good name of others.
A Christlike disciple avoids dishonesty, taking advantage in buying and selling, bearing false witness, and like works of darkness.
A Christlike disciple avoids the indulging of pride in dress or behavior, but dresses with the Christian simplicity and modesty that become holiness.
A Christlike disciple avoids music, literature, and entertainments that dishonor God.

Thirdly, when we experience salvation from our sins and cleansing from all indwelling sin, it is evidenced by abiding in hearty fellowship with the church, not inveighing against but wholly committed to its doctrines and usages and actively involved in its continuing witness and outreach.

TRANSITION: THIS COVENANT OF CHRISTIAN CHARACTER GIVES US A UNIFIED VISION OF THE HOLINESS CHARACTER WE BELIEVE GOD’S LOVE WANTS TO WORK IN US. AND WE DON’T BELIEVE GOD’S LOVE STOPS THERE, WE BELIEVE
IT IS ESSENTIAL TO THE GOSPEL THAT WE ALLOW GOD’S LOVE TO WORK THROUGH US.

HERE WE ARE:
CHRISTLIKE DISICPLES VALUE MISSIONAL EXCELLENCE:
GOD’S LOVE THROUGH US:
ARTICLES OF ORGANIZATION

Because we have accepted what God has done FOR us and because we accept what God wants to do IN us, we have such a love for others that we want to give them our absolute best. This is what we mean by MISSIONAL EXCELLENCE.

Some are fond of saying that they are not fond of organized religion. I suspect that most of their misgivings stem from being stung by DISorganized religion. The Body of Christ is capable of causing harm when its parts become uncoordinated and disjointed from the Head. However as one great pastor has said, “there is nothing like the local church when the local church is working.” The Church of the Nazarene has managed to send more missionaries per member than any other denomination and continues to grow worldwide well into its second century of existence after most movements tend to start losing steam. I think it is at least in part because the Church of the Nazarene puts the organized in organized religion.

We have a representative form of government, which means everybody is accountable to everybody.

We organize ourselves into local, district, and general levels of church government with the local accountable to the district, the general accountable to the district, and the district accountable to both.

We are agreed on the necessity of a superintendency that shall complement and assist the local church in the fulfilling of its mission and objectives. The superintendency shall build morale, provide motivation, supply management and method assistance, and organize and encourage organization of new churches and missions everywhere.

When a local church pastor adds a new member, they do not join just a local church they become a member of the Global Church of the Nazarene. No local church supersedes the global great commission movement, and the general and district levels of organization have no purpose for existing and no means of achieving mission outside of local churches. Because of this, local churches exercise a great deal of autonomy over their own affairs.

WE ARE VERY ORGANIZED AND YET VERY FLEXIBLE. LOCAL PASTORS AND BOARDS ARE EMPOWERED TO ADMIT NEW MEMBERS, ADMINISTER THE SACRAMENTS, CHOOSE WHAT METHODS, STYLES, AND EMPHASES FIT THEIR CONTEXT, AND THERE IS EVEN A PROCESS FOR USING ALTERNATIVE BOARD & LEADERSHIP STRUCTURES WHERE THE MISSION DEMANDS IT. AS DR. JERRY PORTER PUTS IT, “WE ARE VERY CONSERVATIVE IN OUR MESSAGE, AND WE ARE VERY LIBERAL IN OUR METHODS.”

TRANSITION: Now, given our culture’s hostility toward dogma and rules and organized religion, shouldn’t we de-emphasize and be flexible in our doctrine and covenants and organization? Isn’t this exactly why so many are rejecting the faith all together? Many would
have us believe that this is the case, some even within our own movement. They will hold up as ideal the direction that many mainline denominations have gone in dismissing doctrines they once considered core and rejecting the ethical demands of the Gospel as culturally irrelevant. Now you would think that these mainline denominations would be growing by leaps and bounds in our culture that demands from religion exactly what they are offering, but the opposite is happening. And the Christian groups who have held most matter-of-factly to core Christian doctrine and the ethical expectations of the Gospel are the only Christian groups growing. In the 30 counties that make up our district, every single mainline denomination is declining. And every Christian group that is growing is classified as evangelical.

What do I take from this? We need to stay in our lane! Sure, if we become dry and dogmatic and legalistic, we are perverting the gospel as much or more as those who outright reject Biblical doctrine and ethics. BUT we should be encouraged and emboldened when we recognize that everywhere the Gospel is faithfully proclaimed and faithfully lived out, lives are changed, churches are thriving, and the Kingdom is breaking in.

The gospel should make us radically inclusive, loving everyone indiscriminately. LOVE AND RELATIONSHIP ALWAYS PRECEDE REPENTANCE AND FAITHFULNESS. If your idea of righteousness causes you not to love those who are not yet believers or followers, you are doing it wrong.

And the Gospel should make us radically optimistic about the possibilities of grace. The biggest reason we are radically inclusive is that we are radically optimistic about what God can do in ANYONE’S life who repents and believes. If your idea of loving people causes you to affirm sin and disconnection from God’s purposes, you are doing it wrong.

I’d like to highlight Rev. Jeff Stark at Bridgeway where he is leading Bridgeway through some amazing days. This is a radically welcoming church and also a profoundly challenging place to be. Jeff just finished a series called overflow, which included some of the clearest messages on holiness I think I have ever heard, and I’m not entirely sure he ever used the word.

If you think the only two options available to you are to be dogmatic, legalistic, and cocooned OR to be liberal, permissive, and compromising, you need to learn more about what God is doing here at Crossbridge where the Gospel is proclaimed faithfully and they have grown by 600 in the last 4-5 years.

- Or at Pekin First where they just broke 800 for the first time.
- Or at Sunnyland, where they disciple 3 times as many people every week as they have in worship and just launched a new organic church.
- Or at Lewistown, where they asked their community leaders what the biggest unmet needs are and created the Community Christian Family Life Center to address those very needs and are now discipling more every week through various ministries than they ever have before.
- Or at Princeton New Hope, where they have 6 recovery group meetings a week or more, and pour their lives into people lost in addiction and have grown from 40-180 in the last 17 years and took out a 30 year mortgage 11 years ago to build a beautiful new building which will be completely paid for on their 50th anniversary this June.
- Or at Canton Eastside who had their first year of growth in 6 years this year
- Or at Canton First where they have had 4 consecutive years of growth for the first time in anyone’s memory.
I could go on and on with story after story of churches across our district who are growing and multiplying and many more who are sowing faithfully and sacrificially and trusting in God for the harvest.

Now is not the time to compromise or cocoon. We are on the verge of God bringing all of the right people and pieces together to once again become a multiplication movement across Northwestern Illinois.

HERE WE ARE: RESULTS.

We have grown in worship every year now for six consecutive years. And this year, for the first time since 1983, we have broken 6000 in worship. We had 75 churches at that time. We are up 121 in worship this year and 1263 in the last decade. We are up 377 in discipleship this year and 1,931 in responsibility list. We added two new churches this year, bringing our total, including parent-affiliated congregations, to 54. 32 churches showed an increase in either worship or discipleship. Our people gave $8,174,163 to our churches last year, the highest annual total in the history of our district. The Northwestern Illinois District met every funding the mission giving goal this year for the 21st consecutive year. And for the 2nd consecutive year, every single church has paid 100% of every funding the mission giving goal. You were the only district in the world to achieve this last year and the first district ever to do it two years in a row.

Praise God from Whom all blessings flow. May he continue to trust us more as we continue to do our level best to be good stewards of every soul and every dollar he entrusts to us.

Later today, you’ll be hearing from a few of our leaders who are leading the way for us toward our 2030 vision and I am praying that as you hear what they are up to, the Holy Spirit will reveal to you possibilities for you that you may never have imagined.

Will you stand and allow me to pray a blessing over you from the book of Jude?

CLOSING

20 But you, dear friends, build yourselves up in your most holy faith and pray in the Holy Spirit. 21 Keep yourselves in God’s love as you wait for the mercy of our Lord Jesus Christ to bring you to eternal life. 22 Be merciful to those who doubt; 23 snatch others from the fire and save them; to others show mercy, mixed with fear—hating even the clothing stained by corrupted flesh. 24 To him who is able to keep you from falling and to present you before his glorious presence without fault and with great joy— 25 to the only God our Savior be glory, majesty, power and authority, through Jesus Christ our Lord, before all ages, now and forevermore! Amen.

DISTRICT CELEBRATION following DS Report led by Rev. Sherwood

Acts 1:8-9

Mission:  
Values:  
Vision:

“How do we get there?”

**Step One: Get Competent. Operational Minimums.** The most critical operational minimum is documenting your church’s as-is systems.

**Step Two: Get Healthy. Natural Church Development** or the Organizational Improvement Process of your choice. Four Disciplines of Execution is another great one. The essence of this step is to DIAGNOSE which system of your church is most in need of improvement, PLAN to improve it, IMPLEMENT the plan, and the EVALUATE how you did. And then do it again. And again. The vast majority of Churches that complete three cycles of NCD find themselves in a growth curve.

**Step Four: Macro-multiplication.** Multiply your church. Lots of ways to do this. Register for a DCPI training to learn more about how ANY church can plant a church and how ANY Christlike disciple can plant a church. Even if your church is not healthy enough to send out an entire launch team, you can still plant a church.

- **Bring a church planter in for a deputation service**, let them tell their story and take an offering for their church plant. You will receive more than you give.
- **Prepare once and deliver twice**: Find individuals in your church who are fruitful in their small group leadership, their Sunday School leadership, their worship leadership, or their youth or children’s leadership, and turn them loose in another venue at another time of the week. If someone prepares a great small group or Sunday school lesson, is there another group in another place they could deliver it to at another time. If the pastor is preparing a great sermon, why not find a place and a people to deliver it twice? If the worship team prepares once, why not deliver twice?
- **Where does your reach exceed your grasp?** In other words where do you or some in your church already have influence with a group that is unlikely because of distance, or schedule, or culture to make the trip to your existing church? Why not disciple them where they are? Guess what you have once you have a group of disciples gathering for worship, learning, and mission?
- **Attend a DCPI training event.** Dynamic Church Planting International. Every church plant we are celebrating was at least in part the result of a DCPI event. You will learn how to write a New Church Action Plan, hear others present their plans, and present your own and receive encouragement and help in refining it. This is event is for pastors, lay people, young adults, retired adults, women, men, Spanish speakers, English speakers, you name it.
- **Send someone through a church planter residency in preparation for a large launch church plant.**

OFFERING FOR CHURCH MULTIPLICATION ENDOWMENT

Respectfully submitted,
Rev. Scott J. Sherwood

2. Sunday School and Discipleship Ministries Chairman
SDMI Chairman Report

The SDMI Council has been “laser focused” on establishing the pathway to intentional, relational discipleship multiplication on the district for the past two years.

It is our desire to equip our district’s disciples with resources for each stage of discipleship:

1. To be discipled by Jesus (Disciple)
2. Be discipled by someone else (Disciple)
3. Begin discipling someone else (Discipler) and
4. Help that person make a disciple of someone else (Disciple-maker)
We surveyed those attending the SDMI workshop at convention last year to better understand the needs across the district regarding “next steps” for discipleship. Seventy two participants responded (many of these were pastors or SDMI presidents).

- 15%  Next step is to be discipled by Jesus
- 32%  Next step is to be discipled by someone
- 25%  Next step is to disciple someone
- 28%  Next step is to teach the one I am discipling to disciple someone else

As a council, each member determined where we are on the journey of disciple making. This will be beneficial as we help others take “next steps,” understanding we will not all begin at the same place.

Martha Danielson and Kurt Stewart were added as lay person members-at-large to the council last year by vote at Convention. Received votes were as follows: Martha Danielson, 60; Kurt Stewart, 57; Zac Alvis, 56; Reya Moritz, 53.

The number of votes indicated the district was comfortable with any of the nominees serving on the council. Because of the scope of connections to be made and work to be done, the council voted to ask Zac Alvis and Reya Moritz to serve with us on the council. Zac Alvis accepted our invitation.

We considered how to get to the “grass roots” with intentional relational discipleship multiplication across the district. It was decided each council member would be responsible for a specific group of churches, so each church would have a district representative. Our plan would be to identify, equip, and empower at least one person in each church to begin making mature, healthy, reproducing disciples (discipling in a manner similar to the way Jesus discipled Peter, James and John.)

Council members contacted the pastor of each church. Pastors were asked to identify someone in their congregation who actively and passionately fit the description of a “disciple-maker.” If no one specific was identified, they were asked to consider who may be F.A.T.; Faithful, Available and Teachable. Each of these individuals (some are the pastors themselves) will be equipped to lead with us. We have titled them our district “discipleship leaders.” We will begin equipping our discipleship leaders today at convention during the first SDMI workshop. We will continue the process throughout the coming year(s).

Rev. Hal Perkins will join us for TEAM Day on September 30 and stay on the district for an 11 day tour. As part of our continued strategy, we have asked him to spend time with our council, pastors and discipleship leaders to demonstrate being discipled by Jesus, share how he makes disciples, and then how he equips them to do the same.

We feel we need continuity on the council with the approach we have in place, thus the yes/no ballots for council members whose terms are expiring this year. Todd Keller was voted in as NYI Chair last year at convention, leaving his ministerial member-at-large position open on the
With the council’s recommendation, our D.S. appointed Rev. Brian Eatock to fill the vacancy.

Discipleship is not a program, so you will not hear about the discipleship program being promoted on the district. Discipleship revolves around relationships, so while we Think Big (the entire district/world); we will Start Small (like Jesus), one follower of Jesus at a time; and Go Deep, with prayer and intentional relationships, resulting in discipleship multiplication.

Additional Training
This past fall we sponsored an equipping event, “The Relationship Factor”, presented by Pastor Irene Lewis-Wimbley. This full day workshop focusing on serving children and adults with challenging behaviors, was attended by over 80 people across the district. It was rated “excellent”, with requests for it to be repeated in the future.

Children’s Ministry
Children's ministry on the NWIL district in 2016-2017 has been a whirlwind of activity! Just like our kids, children's ministry is constantly growing, developing and changing in exciting ways. We having thriving children's programs in many, many churches on our district, in addition to the district-wide programs like Super Start, Bible Quizzing and Kids & Pre-Teen Camp.

None of these programs would be possible without the leadership of some amazing men and women across our district, as well as an army of dedicated volunteers. Week in and week out, these volunteers pour their time, love, prayer and energy into the children on this district and they are rewarded with smiles, high-fives, giggles and hugs.

While each of these volunteers is serving at their own home church, we are all working toward the same goal: to advance the Kingdom by raising up a generation of young ones who love Jesus and are learning to share that love with others around them. NWIL Children's Ministry is on the move!

THINK BIG: Every relationship, every interaction, all inclusive.
GO DEEP: Pray. Sacrifice. Empty yourself

Ellyn Book, NWIL SDMI Chairman

3. NMI President
NMI President’s Report

God is on the Move: What is Your Next Move? In chess each piece moves in a different way. Every piece serves the King, even if it must sacrifice itself to protect the King. Some pieces and some people seem to float across the board making a difference in the kingdom with every move. Some of us can feel like pawns, moving slowly, not important. But then I think of faithful people who made big differences in my life by living each day as the King wanted them to live. So what is your next move?
When praying for missionaries how can we pray?
   A. For continued health, strength, safety and protection.
   B. For their families and extended families back home.
   C. For a renewed relationship with God. Along with a clear direction in their service.
   D. All of the above
Correct answer is all of the above. What’s your next move? Pray.

When is National Day of Prayer, 2017?
   A. Friday, April 14
   B. Sunday, April 16
   C. Thursday, May 4
   D. Saturday, September 30

The Answer is Thurs., May 4. Not only is it important to pray daily for our missionaries and the kingdom around world but it important to emphasize prayer on special prayer days like National Day of Prayer, Nazarene World Week of Prayer, International Day of Prayer for the Persecuted Church. What’s your next move? Look on the Missions calendar for special prayer days and plan prayer times for your church.

Where do you find out what missionaries to pray for?
   A. In your convention booklet
   B. NWIL NMI facebook page
   B. Both A and B
   D. None of the above

Missionaries confirm that prayer is the most important investment that we can make in the global ministry of the church. What is your next move? Subscribe to Prayer Mobilization Line and get prayer requests sent to your email address every week. Post pictures of missionaries in places where you will remember to pray for them. Get on facebook and like the “NWIL NMI” page.

What world area did the children's mission lessons cover during the 2016-2017 year?
   A. Asia
   B. South America
   C. Africa
   D. Antarctica

And the answer is Africa. Children need to be involved in the mission of the church. Many children are called to Christian service listening to a missionary speaker or during a mission lesson. Children need to see the scope of the work of the church and learn early the part they play in the great commission. So, it is your move?

What steps could a student take to nurture their call?
   A. Tell their parents and pastor
   B. Contact the Ministry Call Coordinator
   C. Both A and B
   D. None, students aren't called into ministry

We are excited that many of our youth and children have registered with a call into ministry. If you know of a child or youth that has expressed a call, please have them register with me, the Ministry Call Coordinator. NYI and NMI partner together to encourage, inform and support young people called to ministry. So, the answer is both tell parents and pastor and register. Your next move: encourage young people to answer the call of God in their lives.

Where did they youth go on their Work and Witness trip?
   A. Hawaii
   B. Puerto Rico
   C. Costa Rica
   D. Guatemala
In July, 22 students and adults board a plane for Puerto Rico. They held a Bible School and Sports Camps for a local church and did several work projects.

What is not a good way to expose children and youth to missions?

A. Take them on a Work and Witness trip
B. Send them out of the room when a missionary is speaking
C. Send them to camp with a Missionary in Residence
D. Let them read missionary books

Sending the children out of the room when Missionaries are speaking keeps them from learning about missions and missionaries. The Peachey’s have taken our children on several Work and Witness trips. They enjoyed each one and loved seeing our children develop servant hearts.

Your next move is to check your calendar and sign your family up for one of our Work and Witness trips…this summer Canton Eastside or Tabitha’s Hands in Princeton and 2018 we will be going to Alaska.

The best reason for attending a Zone Mission Rally is

A. Fellowship and food with people from your zone
B. a great opportunity to hear a Missionary speak in person
C. refresh our hearts for reaching the world with the gospel
D. All of the above

Zone Missionary Rallies are great ways to meet and fellowship with people on your zone. You also get a great opportunity to meet our missionaries and speak to them personally. So, get on the move…Check the Dates and places in your convention booklet and plan to attend.

Which of these is not an official region in the Church of the Nazarene?

A. Africa    B. Asia-Pacific
C. Eurasia   D. North America

North America is not an official region in the Church of the Nazarene. Our speaker, Dr Broadbrooks is the regional director of the USA/Canada. Information about Nazarene Missions can be learned from Mission Reading books and CDs. The order form for all mission material is in the front pocket of your convention booklet. Also from mission websites, blogs, facebook pages and email newsletters. There are also many hands on ways to learn about missions. It is your move – so will you learn about missions.

What area of mission work gives a lot of hands on opportunities to serve and learn?

A. World Mission Broadcast    B. Alabaster
C. Nazarene Compassionate Ministries    D. International Student Scholarship Fund

Nazarene Compassionate Ministries has so many ways to serve around the world. Crisis Care Kits, School Pal-packs are two of the most common hands on projects. Nazarene Compassionate Ministries is also involved in the Refuge Crisis, the problem of Human trafficking and clean water projects. Child Sponsorship is also a valuable program changing the lives of children and families around the world. For more information visit NCM.org. It’s your move.

Where are the district LINK missionaries serving?

A. Papua New Guinea and retired    B. Romania and Papua New Guinea
C. South America and Native American Christian Academy
D. Creative Access Area and retired

Two of our LINKS families serve in a Creative Access Area and a retired couple that served in Madagascar. It is a privilege to pray for these missionaries who serve in countries that are host to the name and message of Jesus. Remembering our missionaries on their birthdays, anniversaries and other special holidays remind them that we are praying for them. We also support and pray for our missionaries from Northwestern Illinois. Their current information is included in your convention booklet.

What is the primary method of financial support for missionary families?
A. Alabaster Offering  B. Medical Plan Offering  
C. World Evangelism Fund  D. Compassionate Ministries Offering

The World Evangelism Fund is the life blood of the work of the Church of the Nazarene around the world. It supports the work in 162 world areas adding this year are Singapore (Asia-Pacific), Mongolia (Asia-Pacific), and Curaçao (Mesoamerica). The World evangelism Fund supports 700 missionaries and families, pays salaries and expenses of the Global Ministry Center and regional offices, supports ministries such as Nazarene Compassionate Ministries, Jesus Film Harvest Partners and World Mission Broadcast. Northwestern Illinois has paid the World Evangelism Fund in Full for 21 years in a row. So, what is your next move? Continue to be faithful in your support of the World Evangelism Fund.

The most widely used method of getting Alabaster offering to the mission field is via
A. Alabaster bucket  B. Alabaster pigeon  
C. Alabaster box  D. Alabaster train

The Alabaster box is a standard in Nazarene homes collecting coins for buildings and property around the world. Collected in September and February around the world the Alabaster Offerings provide approximately $2,500,000 a year to build churches, schools and clinics in all our world regions.

How can we support the medical plan for our missionaries?
A. Receive an offering designated for the Medical Plan  
B. Honor someone with a Distinguished Service Award  
C. Place someone’s name on the Memorial Roll  
D. All of the above

The availability of quality medical care is difficult to find in many countries around the world. Even when you work at one of the best hospitals in Papua New Guinea there might not be the specialist to fix a torn ACL and Ministucus. Medical Plan pays to fly our missionaries home for care. Jordan Thompson has experience with the importance of the Medical care we provide for our missionaries.

For every _____ dollars invested in Jesus Film Harvest Partners, one person makes a decision for Christ.
A. Three  B. Ten  
C. Twenty-five  D. Fifty
Because we provide the structure for the Jesus Film with our World Evangelism Fund, for every $3 donated to Jesus Film Harvest Partners one person makes a decision for Christ.

The Starfish Story
A young man is walking along the ocean and sees a beach on which thousands and thousands of starfish have washed ashore. Further along he sees an old man, walking slowly and stooping often, picking up one starfish after another and tossing each one gently into the ocean. “Why are you throwing starfish into the ocean?,” he asks. “Because the sun is up and the tide is going out and if I don’t throw them further in they will die.” “But, old man, don’t you realize there are miles and miles of beach and starfish all along it! You can’t possibly save them all, you can’t even save one-tenth of them. In fact, even if you work all day, your efforts won’t make any difference at all.” The old man listened calmly and then bent down to pick up another starfish and threw it into the sea. “It made a difference to that one.”

Everyone’s next move is to go make a difference to at least one.

Respectfully Submitted,
Renee Kindle, NWIL NMI District President

4. NYI President

On behalf of the NWIL NYI Council, let me say, “Good Afternoon Allies of all ages!” I want you to know that we are working hard, very hard, so that we will never forget who we are! Allies, it’s your move! And we don’t want you to give up!

You are the right people. This is the right time. You are extremely significant and valuable to the Lord’s mission, and we don’t want you to forget who you are! You are sons and daughters of the most High King, Jesus, called the People of God. To be called the people of God is a high honor. And, his power in you allows you to be up for the challenge.

Which is a very very very good thing, because…

Your city needs you. The poor in your city, the marginalized in your city, the abused in your city, the widows and orphans of your city, those who are discriminated against, those who are bullied, those who are hurting, and those who are lost without the hope of a Savior – they need you. You are the right people. Don’t give up.

And you may say, who am I? I’m not up for the task? I can’t do this. I’ve got my own problems. My life is a wreck. There’s nothing beautiful in me! Well, I’ve just got to tell you that you couldn’t be more wrong about that. That’s why we’re working hard to so that you will never forget who you are!

And I’m wondering this afternoon if it would be ok with you, all of you, if we would just skip to the part where we agree with God about who we are? I’m not sure what all the reasons are, but OFTEN WE DON’T SEE THE BEAUTY IN OUR PAST . . . AND WE DON’T SEE THE PROMISE IN OUR FUTURE. We forget who we are, and by who’s name we have been called.
Ugly monsters of difficulty raise their head and that terror is all we see. We forget how beautiful we are in the Lord’s eyes. Ugly monsters of trouble raise their head and that torment is all we see. We forget how beautiful we are in the Lord’s eyes.

Why oh why do we fail to see our own beauty? Why oh why do we forget who we are? You are the Bride of Christ, and he thinks you’re hot stuff. Don’t give up! We are working very very very hard, so that you will never forget who you are! It’s Your Move!

This summer at camp (July 24th-28th) we’ll be working hard for you so that you will learn how to IDENTIFY, how to OCCUPY, how to EXPRESS yourself, and how to PARTICIPATE fully in the mission. Our camp speakers include Josh Parker, Galen Ryman, Linsy Stockham, Scott Sherwood, myself, and a panel of youth pastors and leaders. We’ll be looking to Psalm 39 so that you will know without a doubt who you are and who you’ve been called to be! On behalf of our director, Charlotte, and her entire team, I want you to remember who you are, Allies! Don’t Give Up! It’s Your Move!

After a great District Celebrate Life Event, our directors Kim Brock and Pam Smith are gearing up for an incredible Regional Celebrate Life at Olivet on May 11-13. Celebrate Life is our strengthening event where we take the many resources that God has given you, your talents and abilities, and we come together to compete and express our love for the Lord and His mission. We are working hard for you, so that you remember who you are, Allies! Kim and Pam have something to say to you! “Don’t give up! “It’s Your Move! We’re watching you.

On July 7-14, 2018, Ronda Hollars and I will be leading a trip to Guatemala with Encuentro. Only 40 seats are available and information about registration and interviews will be coming in the months ahead. By providing local and international on-ramps for mission experience, we are hoping that you will continue to remember who you are. Ronda has also served as our NYI Secretary for 1,000,000 years. Ronda has some encouragement for you! “Don’t Give up! It’s Your Move!”

Josh Parker is our Vice President and also the director of our Fall Party. Last year we had such a great event with powerful encouragement from Pastor Ethan Vdejcian. This event this our calendar at just the right time so that you we can be reminded of who we are! Pastor Josh has some encouragement for you! “It’s Your Move! Don’t Give Up!”

Pastor Scott Perschall has served as our NYI Treasurer for 5 years and also serves on our executive team. His wisdom and leadership lies behind many of the decisions that we make as we work hard for you so that you do not forget who you are! He has some encouragement for you! Don’t give up! It’s Your Move!

Sherry Sherwood is our new NYC Director. We miss Tina Kinnel who has had to step down from our council because of health complications. Her devotion and tireless efforts not only made for spectacular events that she was a part of, but also reflected her love for Christ and her love for her Allies. We welcome Sherry and are so excited to hear more as NYC 2019 approaches. This “game-changing” event has proven to be a catalyst event for bold Christian
identification and participation. We want you there in Phenix on July 10-14, 2019. Sherry has some encouragement for you. “Don’t Give Up! It’s Your Move!”

Thank Tina Kinnel

Cheryl Sherwood is our College and Career Director. Many of you may not even know that Cheryl works hard to make sure our ONU students know that we have not forgotten them and that we are so proud of them and that we are depending on them to stay close to Jesus, to never forget who they are. Cheryl send monthly encouragement from our Allies to our ONU friends. We are so proud of each and every one. Cheryl has some encouragement for you. “It’s Your Move, Allies! Don’t Give Up!”

Denise Vroman has been our quizzing director for another year as she leads this powerful community of quizzers. Pray for our quizzers as they study the book of Luke and learn the powerful stories of Jesus. Denise loves quizzing and every quizzer. We’d love to see more and more churches discover or rediscover the power of studying God’s word together. Denise has some encouragement for you. “It’s Your Move, Allies! Don’t Give Up!”

As your NYI Council we are committed to training and resourcing the youth Pastors that God has blessed our district with. We have committed to fund and host every youth pastor at the Youth Specialties National Youth Worker’s Convention. This past year we enjoyed our time in Cincinatti, and will be taking the team to Memphis and 2017.

Through our Youth Pastors we are working hard so that you will not forget who you are! It’s your move! Don’t Give Up!

This summer we are excited to take our delegation to the General NYI Convention – where we will be encouraged to BE. DO. GO. We promise to learn from this powerful experience and to represent you well. Don’t give up! It’s Your Move!

Last, I want to introduce you to the entire council which include your junior high, senior high, and college and career representatives, and our council has a final word of encouragement for you! “It’s Your Move! Don’t Give Up!”

Robert James “Bobby” Fischer was an American chess grandmaster and a World Chess Champion. Many consider him to be the greatest chess player of all time.
In 1972, he captured the World Class Championship from Boris Spassky of the USSR in a match held in Reykjavik, Iceland, which was publicized as a Cold War Showdown, which attracted more worldwide interest than any chess championship before or since.
As a child, Bobby Fischer announced that he would be a World Class Champion. He worked hard. Sure there were times when he wanted to give up. But with each learning opportunity, he would simply say, “Again.”

Allies, Jesus loves you so much that he had the gentle kindness to tell you that there will be trouble, and there will be difficulty. The world and your enemy will try very hard to make you forget who you are! You will have many many many opportunities to quit, and to give up.
But, you can’t forget that “in all these things we are more than conquerors through Jesus who loves us. We must be convinced, like Paul, that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.” So, Don’t Give Up. Join the Christian Community of Believers around the world who making a move! Listen to me, your world needs you. Jesus has called you to a powerful mission. It’s Your Move!

And, I want you to look at your world. Look at your city! I believe with all of my heart that your Lord is trying to do a new thing in you! And I believe that boys and girls, men and women around your city can be helped through you! I believe you are being called to use your talents, your interest, your keen insight, and your zeal for the Lord in order to do NEW THINGS, to minister like never before. In fact, I believe the Spirit of Innovation and Entrepreneurship is running wild in your hearts and minds already.

I want to go back to the story of Bobby Fischer. Like him, I have no doubt that many victories will come as you learn how to play the game differently. And there will be times when you will want to give up! You’ll be tempted to forget who you are.

I’ve been blessed to meet some powerful friends around the world, members of the Christian Faith Community, who are choosing to see ministry differently. We need to understand that every member is a minister. Not everyone is called to be a pastor or a missionary. But, all are called to minister.

The church’s stage isn’t quite big enough to highlight every ALLY, but the world’s stage is big enough, and the needs in your community are big enough. You are the right people You are up to the challenge. To be called the People of God is a great honor. Don’t Give Up! It’s your move.

(prayer)

Final word…
(If one generation refuses to defend their faith, the next generation will be unable to define it.)
You have many things in common with all of these people I have talked to you about. You have talents, passions, interests, insight . . . And God-given impulses to serve. Don’t forget who you are. It’s your move.

Respectfully submitted,
Rev. J. Todd Keller
NWIL NYI President

C. ASSEMBLY COMMITTEES

1. District Finance Committee 2017-2018

We, your committee on Finance, are grateful for the commitment of Northwestern Illinois Nazarenes in sacrifice and giving toward global, regional, and district interests. We trust that God will bless each church as it strives to put others first. We are called to envision 3,000 disciplermakers gathering in 300 churches with 15,000 Christlike disciples and 30,000 worshippers by 2030, by God’s grace and for His Glory. Working together, we accept this challenge to reach our district for Christ and to make Christlike disciples. Each one of us, as a church and as an individual, is a necessary part of accomplishing this vision. We offer the following recommendations for the coming year:

SECTION I. LOCAL CHURCH RESPONSIBILITIES

Pastoral Compensation

1. The local church board shall review all salaries and benefits paid by the church annually. The District Superintendent and Zone Facilitators are available to assist the pastor and church board.

2. We recommend that each church recognize an annual church income of $167,900 as the level understood to be a church with the ability to support a full-time pastor. A pastor of a church raising less than that $167,900 shall be permitted outside employment to supplement his/her income.

3. We recommend all churches provide a cash salary and cash benefits package within current IRS and/or state guidelines for their pastors that considers:
   a. Cash salary (allowing pastor to designate as salary, health savings account, personal retirement investment and personal housing allowance for tax purposes) Personal housing allowance must be declared and approved by church board and recorded in the minutes. IRS requires this to be set and recorded at the beginning of each calendar year.
   b. Cash benefits:
      • Social Security on cash salary (due to self-employed status 100% should be considered)
      • Social Security of declared value on parsonage (value must be set by church board) and utilities provided or cash housing allowance if parsonage not provided.
      • Assist with medical, eye, and dental insurance policy costs in accordance with current federal and state guidelines.
      • A medical reimbursement policy for deductibles or out of pocket medical, eye, and dental costs in accordance with current federal and state guidelines.
      • We strongly recommend Nazarene Long Term Disability Insurance available through Pensions and Benefits USA.
      • We strongly recommend that each church contribute to their pastor’s Nazarene 403(b) Retirement Savings Plan offered through Pensions and Benefits USA and develop a matching plan at the local church level. (see website pbusa.org)
      • P&B note: If the local church pays 100% of both the P&B and Education Fund goals, the pastor will receive the base $200 payment, a bonus APS match of 10% of the P&B Fund amount paid. (bonus amounts for churches with more than one eligible minister will be shared equally by all P&B eligible ministers who serve that church). There will also be a 50% match of the pastor’s personal 403(b) contributions for the year (up to $250).
c. Moving expenses. Each church, when calling a new pastor, is responsible for covering the moving expense for the incoming pastor. An additional "settling in allowance" of a minimum of one week's salary should also be considered.

d. A pastor’s official start date and regular salary begins on the Monday before their first Sunday. It is understood that this week may largely be moving in responsibilities.

**Pastoral Care**

4. **Vacation**

Every pastor and paid ministerial staff shall be granted a vacation with pay based on the number of years of full-time ministerial service to the Church of the Nazarene, rather than service to the local church, using the following vacation program:

- **i.** 0-4 years 2 weeks (not to exceed 2 Sundays)
- **ii.** 5-12 years 3 weeks (not to exceed 3 Sundays)
- **iii.** 13 – 20 years 4 weeks (not to exceed 4 Sundays)
- **iv.** 21 years and over 5 weeks (not to exceed 5 Sundays)

b. Vacation is to be based on the calendar year, and must be taken in the current calendar year, or be forfeited. Upon pastoral relocation, vacation is to be prorated.

c. Each church should urge and expect their pastor(s) to take one day off for relaxation and rest each week.

d. In addition to vacation time, for pastors working six days per week, each church shall provide the pastor three (3) "personal days" per quarter. They must be used within the quarter or forfeited. They cannot be taken on Sundays.

5. **Maternity Leave:** Women clergy will receive a minimum of 9 weeks maternity leave with no reduction to compensation or benefits. This time is to be granted in addition to vacation, personal days, and sick time, all of which may be used at the discretion of the pastor to extend this period beyond 9 weeks. Guidance for this provision is available from the District Office.

6. We recommend the following:

a. The local church pay all expenses for pastor and spouse, and full-time ministerial-staff and spouses, for all local, district, regional, and general church-related functions and business. When required to attend these functions, these are not to be considered as vacation.

b. An expression of love and appreciation be shown to pastors, paid ministerial staff, and families, for birthdays, anniversaries, and pastor appreciation days.

c. The local church is to remember the pastor and paid ministerial staff with a gift at Christmas time. A cash gift equal to a week’s salary is suggested as a minimum.

d. While salary and benefits cover the cost of the minister, in order to care for the cost of ministry, we urge each church to develop an accountable reimbursement plan to include such items as continuing education, business mileage, media resources, etc.

e. We recommend that an amount be set aside weekly/monthly by the local church to be placed in a savings account for the expense of the current pastor and spouse, and full-time ministerial staff, to attend the next General Assembly and see that they are given money to cover expenses to and from General Assembly.

f. Out of a deep concern for our pastors and paid ministerial staff to avoid burnout and stress and to keep a clear continuing vision for their church and ministry, we recommend that churches provide a sabbatical for their pastor and full-time paid ministry staff during each seventh consecutive year of ministry in that local church. (See Appendix A) This sabbatical with pay and benefits could be from 6 to 8 weeks in length and would be in addition to regular vacation time with their family. This time would be used for rest, renewal, and study. This will aid our pastors and paid ministerial staff in finding new
creative ways to help the church accomplish its ministry vision. A rested and refreshed pastor and paid ministerial staff will help to build even stronger relationships with their church. We strongly recommend that each church implement this policy.

**Church Budgeting Concerns – for Organized Churches and Church Type Missions (CTM)**

7. Funding the Mission.
   a. Pursuant to Paragraph 33.5 of the 2013-2017 Manual, we recognize the authority of the General Board to set apportion support for the World Evangelism Fund. We likewise recognize the authority of the USA/Canada Region to apportion support for the Pensions & Benefits fund and the Education fund. The District Assembly Finance Committee has authority to set the District Ministries Fund apportionment. The following funding goals (as a percentage of income) have been set for each local church including CTM’s for the respective fund:
   - World Evangelism Fund: 5.5%
   - Pensions & Benefits: 2.25%
   - Education: 2.25%
   - District: 5.75%

b. The following reporting and giving will be done weekly by Tuesday noon:
   - Great Commission Statistics reported to nwilnaz.org by clicking on the “Churches” tab and selecting Great Commission Reporting.
   - WEF and P&B paid at fundingthemission.org. A check may also be sent to the address on the downloadable remittance form.
   - Education Fund and District Ministries Fund paid at fundingthemission.org. A check may also be sent to the District office (3520 Broadway Rd., Pekin, IL 61554).

c. We commend those churches who have overpaid WEF, and we encourage each church to continue to do all it can to overpay WEF by a significant margin to maintain an effective level of support to our global missionaries.

d. We encourage our churches to continue to pay their Olivet Education apportionment at 2.5% which is the previous level in order to help provide our students with a strong education with a Christian purpose.

e. For more information, including rationale, vocabulary, and frequently asked questions about “Funding the Mission,” please visit fundingthemission.org.

f. We recognize that when a local church does not fully meet its Funding the Mission giving goals, it is being subsidized by the other churches of the district and will be classified as a church receiving regular financial assistance. The other district churches end up shouldering the burden created by one church's underpayment in order to ensure that the district giving goals are met in full.

g. When churches fall more than a month behind in making their full weekly funding the mission payments, they are required to submit a monthly financial report to the district office.

**Local Church Budget Detail**

8. We recommend that the church’s operating budget reflect the “25% formula.” Major deviation from this formula must be approved by the district superintendent.
   - 25% salary and cash benefits for the pastor and pastoral staff (does not include housing)
   - 25% property related items (including pastoral housing)
In order to maintain the value of your property, a minimum of 1% - 2% of insured value should be used or set aside each year for building/property maintenance.

- 25% ministry and program (including pastoral reimbursement for ministry expenses)
- 25% denominational funds, other missions and compassionate ministries.

9. A copy of the local church operating budget for the current church year shall be sent to the District office or emailed to da@nwlnaz.org by June 1. The prior year’s audit results shall be reported online using the “Financial Audit Report” found on the district website nwlnaz.org/Church-reporting by June 1.

10. We encourage full cooperation and support of the LEVEL program. (The LEVEL months are the 4 - five Sunday months in each calendar.) LEVEL funds are used to pay project costs for on-district and off-district Work & Witness projects and can be paid at nwlnaz.org/give or on fundingthemission.org through District Specials.

11. We encourage both individuals and churches to annually support local and district church planting efforts. We challenge each church to meet the “New Church Sponsorship Criteria” each year. (giving 2% of church income or giving gifts in kind equaling 3% of church income or 10% of last year’s worship attendance).

Local Church Operating Procedures

12. Each local Church of the Nazarene has a complimentary membership with ECFA (Evangelical Council for Financial Accountability). This link can be accessed at ecfa.org/subscription/nazarene. Due to the increasingly complicated new health care guidelines and ever changing federal and state financial requirements, we recommend each local pastor, finance chairman and treasurer use this valued resource to help ensure operating the local church within the guidelines set forth by federal mandates.

13. All pastors, treasurers and church boards should annually review Manual paragraphs 136 – 136.6 to ensure proper counting and handling of money received. More than one person should be responsible for the counting and prompt deposit of all funds. These procedures have implications relative to insurance coverage. A review with your insurance agency is advised. It is recommended, when possible, to use an independent public accountant for auditing financial reports and practices.

14. We encourage every church to utilize the Church of the Nazarene Foundation to facilitate planned and deferred gifts from their members to any Nazarene ministry, including gifts to the local church, and to use the Foundation to manage investment accounts, endowments, or charitable trusts. Visit NazareneFoundation.org or call 866-273-2549.

Support of Supply Pastors and Evangelists

15. Each church will adequately compensate supply pastors for their service. Minimum compensation for pulpit supply would include travel (at IRS established rate) and meals plus honoraria according to the following scale:

- For churches raising less than $30,000 per year: $50
- For churches raising $30,000 - $75,000 per year: $75
- For churches raising $75,000 - $150,000 per year: $100
- For churches raising $150,000 - $300,000 per year: $150
- For churches raising more than $300,000 per year: $200

16. The local church shall care for the full expense incurred for the evangelist's hospitality care even when the pastor's home is used.
17. When scheduling an evangelist, we recommend that full-time tenured, commissioned, and registered evangelists be supported in the following manner:
   a. The church board set a minimum honorarium for the evangelist equal to twice the pastor's salary, including cash benefits, for each week of services, plus an adequate amount for travel. He/she should be notified of this minimum amount at the time of his/her call (Manual, 129.11).
   b. We urge that, as a matter of policy, churches notify an evangelist at least 90 days prior to the scheduled date of the meeting in case of cancellation, or reimburse him/her one week's salary.
   c. Where there is a pastoral change, the church board shall notify the scheduled evangelist.
   d. We urge each church to follow the recommendation of Evangelism Ministries of sending a Christmas love offering to each evangelist who held meetings within that church year.
   e. If a full-time commissioned or registered evangelist must cancel for health reasons, the church is encouraged to send a love offering to the evangelist.
   f. If an evangelist is compensated $600 or more (not including expenses), current IRS guidelines should be followed for issuing Form 1099. If the evangelist is an incorporated 501(c)3 organization, a Form 1099 is not required.

Other Local Church Responsibilities

18. District Finance Report Communication. All new changes must be audibly read at the first monthly board meeting after it has been received, and each church board is to submit a response to the district office indicating that the report was read to the church board.

19. Churches moving from “parsonage furnished” to "parsonage allowance" arrangements must first secure written permission from the District Advisory Board and District Superintendent.

20. Churches should annually audit their insurance policy to ensure correct limits are set and necessary policy coverage extensions added for their specific church activities to avoid non-coverage situations.

SECTION II. DISTRICT RESPONSIBILITIES

1. Full Time District Ministerial Employees salary and benefits:
   • Cash Salary (allowing personal distribution between salary, personal housing expense and annuity for tax purposes)
   • Cash Benefits Plan: 100% Social Security (cash Salary and declared provided housing value).
   • District related professional expense reimbursements
   • Vacation time per District recommendations for full-time ministerial staff.
   • Recognize birthdays and wedding anniversaries for employee and family.
   • Nazarene Long Term Disability Insurance
   • District Superintendent Severance – 5% of annual salary will be placed in savings. This gift is given when our DS leaves.

2. We recommend that the District Advisory Board provide a sabbatical to full-time district ministerial employees during the seventh year in office on the NWIL District and each seven year increment thereafter.

3. We recommend that the district distribute the NWIL Stewardship Fund to the regional and global churches, and other individuals or ministries approved by the District Advisory Board.
4. The district portion of the LEVEL fund is to be administered by the District Advisory Board.
5. We require that the district employ a public accountant to review our district treasurer's books prior to the district assembly; also the district auxiliary departments do the same. Those reports should be forwarded to the Auditing Committee of the district.
6. We require that the treasurers of the auxiliaries (NMI, SDMI, NYI) submit quarterly reports to the district treasurer for inclusion with his report to the district superintendent.
7. We recommend that the District Advisory Board act in all matters of insurance and district employee benefits.
8. District financial matters must be dealt with between assemblies; therefore we recommend that the district superintendent and District Advisory Board be given authority for these matters in the normal course of their meetings.
9. In an attempt to keep our churches promptly informed, a copy of this report is to be mailed to the pastor and secretary of each church on the district within 30 days after the close of the district assembly.
10. The attached is our Appendix A and proposed operating budget for the coming year.

APPENDIX A
Pastoral Sabbaticals

**Definition**
Sabbatical is an extended period of time intentionally set aside by ministry personnel in pastoral relationships as an occasion for reflection, recreation, and revitalization, unencumbered by their usual and customary responsibilities, and yet still receiving their usual remuneration and benefits. Sabbatical finds expression in study, rest, spiritual retreat, and prayer. Sabbatical is not vacation time, not a sick leave, nor a “special studies” leave.

**Motivational Bases for the Local Sabbatical Program**
The Sabbatical program is motivated primarily by three factors;

1. We believe the Bible identifies a God-designed cycle of work and rest, as exemplified by the account of creation, the institution of the law of the Sabbath, and the accounts of the life of Christ, in which he took time be alone and to be ministered to by God the Father.
2. Research and the reports of those participating in sabbatical programs give evidence to the multiple benefits of such a program to pastors, their families and their congregations.
3. The *Manual* (2013-2017) of the Church of the Nazarene (paragraph 129.10) urges: “In order to encourage a healthy pastoral ministry and the lifelong learning of the pastor, the church board, in consultation with the district superintendent, should provide a sabbatical leave for the pastor during each seventh consecutive year of service in one congregation.”

**Guidelines**
1. All lead and full-time associate pastors on the district, who have completed at least six consecutive years of ministry in their current church assignment, are eligible to apply for a sabbatical.
2. The length of time dedicated to sabbaticals (6-8 weeks), and their design and content, will vary with every church and pastor’s particular situation, and is to be coordinated with the district superintendent.

3. Applications for sabbaticals should be submitted by the lead pastor and church board, to the district superintendent, at least 6 months prior to the desired time of sabbatical. The district superintendent will provide an initial response within 4 weeks.

4. There is an expectation of continued service of at least one year following the sabbatical.

**Procedure**

1. For Lead Pastors – The first sabbatical will be discussed by the pastor, church board and district superintendent at the pastor’s 6th year of service review. Subsequent sabbaticals will be the responsibility of the pastor and church board to submit a plan to the district superintendent.

2. For Full-time Associates – The Lead Pastor and church board should work with the associate to create a plan to submit to the district superintendent for approval.

VI. Minutes Of The Conventions
NWIL District NMI, NYI, SDMI Combined Convention
March 18, 2017
Pekin First Church of the Nazarene

ON THE MOVE...

District Superintendent: Rev. Scott Sherwood  Guest speaker: Dr. Robert Broadbooks
Music provided by “Submerge”—youth from Pekin First

Rev. Scott Sherwood greeted the Convention delegates and guests. He pointed out that Social media is not the reality of the church. The youth of the church are “getting it right” and people all over the district are on the move. Rev. Sherwood also talked about the congregation of Congolese Refugees at Rockford Hispanic First COTN. They are receiving the word of God, translated from Spanish to Swahili. He reminded us that all this work is worth it for the labor for the Lord is not in vain and our service will make HIM greater.

NWIL District is here for a reason, to carry out the “Multiplying Movement”. We believe that people of all ages can plant churches, including children and teenagers. Anyone can plant a church. Each person has a different influence and can reach a variety of people. We believe that churches can be planted in bars, schools. Coffee shops, homes, wherever people are gathered.

The delegates and guests were reminded that we are here for a reason. All three auxiliaries work together for the “Multiplying Movement”. NWIL District exists to create churches that make Christ-like Disciples in the nations. The “movement” needs a team. Most have not gone far away to make a disciple. NMI is part of this team. NMI educates local churches about, prays for and supports Nazarene Missions. SDMI and NYI help to make Christ-like Disciples in the generations. We are better together.

Rev. Sherwood encouraged the delegates to read through the convention’s Resource Booklet and to strategically plan which workshop they will attend. He also explained that lunch will be served on sight and lunch money should be placed in the offering along with money that will be used to offset the convention costs. He then introduced Cheryl Sherwood and Pam Smith and thanked them for the work they put into the convention. The delegates and guests enjoyed several video snippets of “The Cheryl and Pam Cam” throughout the convention.

A brief biography was given about the guest speaker, Dr. Robert Broadbooks as he was introduced to the delegates and guests.

Dr. Robert Broadbooks, the Regional Director for the USA/Canada region of the Church of the Nazarene, brought greetings from the 5059 churches in the region.

Dr. Broadbooks informed the congregation that there are over 700 Nazarene missionaries coming from 50 countries serving in 162 world area and 14 new missionary units recently got commissioned, including a family that will serve in a creative access area.

Dr. Broadbooks used scripture from Luke 24 to give a message on “The principle of absent, yet present” He explained that Jesus made himself different so that the disciples would know that they didn’t need his physical body to know that He was present He wanted them to know this truth on their own. We also don’t need his body; we have the Word of God. The Living Word is present in the written word. He has breathed HIS life into the Word. He promised that He is with us always.
The Word of God, sacraments, and the fellowship of believers are our “Present Christ”. We are the body of Christ. He left us in His place. Go and help other discover the Word.

We were also reminded that it is possible to be present and still be absent. For example, reading the Word without really being present or thinking about other things during worship times. Dr. Broadbooks invited people who have been present, but absent to come back. We are representing a Living Christ and we have the privilege to share.

**Opening Business**

Host Pastor, Rev. Lloyd Brock welcomed everyone to Pekin 1st COTN and mentioned a few housekeeping items.

Renee Kindle (NMI Pres.), Ellyn Book (SDMI Pres.) and Todd Keller (NYI Pres.) declared the 68th NMI, SDMI, and NYI Conventions of the Northwestern Illinois District in session.

Ronda Hollars read the appointments for the day. Recording Secretary: Kristy Shreves, Election Secretary: Roger Davis. She also stated that the times of the sessions will be from 9-12 and from 1-4:30. Ronda made a motion to adopt these appointments and times of organization. There was a second and the motion was carried by unanimous vote.

Alternate delegates should have been seated during registration. Ronda made the motion that the alternates be seated without reading names out loud after being checked for accuracy. There was a second. The motion was carried by unanimous vote.

Ronda stated that the voting bar of the convention will be in the entire sanctuary, the offices, and the child care areas of the church. She made a motion for the adoption of the voting bar. There was a second. Motion carried by unanimous vote.

**Treasurers’ Reports**

Jim Book gave instructions for lunch money collection and prayed for the offering.

The delegates were instructed to look over the Treasurers’ Report from NMI (Carolyn Hawley), NYI (Scott Perschall) and SDMI (Bill Clark). All three reports were found in the Convention Resource booklet.

There was a motion to receive the treasurers’ reports. There were no questions. There was a second and the reports were received unanimously.

**Elections**

Jim Book made the motion to accept all of the ballots. There was a second. There were no questions and the motion was carried by unanimous vote.

He then read the names from the NMI Ballot. The delegates voted for 4. Lisa Abbott, Lisa Bloome, Mike Coffman, Ron Jansen, Laura Mata-Bolandi, Ken Roles, Heather Spengler, and Cathy Vincent.

There was no ballot for SDMI. It was a vote of affirmation for Roger Davis to be a District SDMI Council Ministerial Member (by show of hands, majority of the delegates voted yes). There was also a vote for Kurt Stewart to be a District SDMI Council Lay Member (by show of hands, majority of the delegates voted yes).
Jim Book read the names that appeared on the ballot for NYI. It was a “yes/no vote for NYI President (Todd Keller) and for NYI Vice President (Josh Parker). For Early Youth (voting for two): Colin Colmone, Samuel Keller, Kenneth Munson, and Logan Singley. For Senior Youth (voting for two): Ethan Kannel, Devon Colmone, Adam Keller, Hannah Seavey, Carlee Smith, and Jillian Keller. For College (voting for two): Lauren McQuen, Austin Borop, Libby Sherwood, Austin Smith, Bry Williams, and Shawn McClain.

**Reports**

**NMI**
Sticking with the theme, NMI President, Renee Kindle, started her report with, “God is on the move: What is your next move?” She talked about how in a game of chess, every piece moves differently with one purpose; to serve the King. Pieces even sacrifice themselves to protect the King. Just like Christians, everyone moves differently but all are making a difference in the kingdom. Even those who are like pawns are important.

The NMI Council worked together to present the report by playing a trivia game, called Plinkers, with the audience. The sanctuary was divided into four sections and questions about NMI were asked. Members of the audience were given “game pieces” that were used to answer the question while an I-pad was used to record the answers and put results on the big screen. After each question, a council member briefly gave information about that particular area of NMI and asked the question, “What’s your next move?”

Renee finished her report by passing out cards with starfish on them. A video was played, telling the story of a beach covered with starfish and a boy throwing them back into the ocean. He was told that he wouldn’t be able to save them all and all his efforts wouldn’t make a difference. The boy picked up one and threw it into the ocean and said, “It made a difference to that one.”

Renee reminded us that everyone’s next move is to go make a difference to at least one.

**SDMI**
Ellyn Book, SDMI President, started her report by reading Matthew 28:19-20 and having the congregation repeat it, inserting our own names. The great Commission is for all Christians. Ellyn dug deeper into that section of scripture emphasizing “Make Disciples”.

We were reminded that being a disciple of Jesus means we are constantly giving all our life to Jesus. Ellyn also reminded us that Jesus taught by discipling. Ellen gave several examples in scripture that showed how Jesus was with His disciple and posed the question, “Is this your next move with Jesus?” with each example. She also gave personal examples of how just living life can make a difference in someone else’s life. Disciplers need to be a model, not just verbally teach new disciples.

He is in everything we do in life. What is he asking us to do as we are on the move with Him at work, school, with our families, in a meeting, etc. Disciples are to model living life with Him and immerse others in the love of Jesus.

Ellyn finished her report with this thought: “Just as chess pieces, we all look different, move different, serve different purposes; but we all serve the same King. As His disciple, how is He asking you to move.” “Go, as you are on the move with Jesus: Think Big: Every relationship, every interaction, all inclusive. **Make disciples:** Start small: You. Be one. Be a Christ-like disciple. Re-present Jesus. **Baptize others:** immerse them in the love of Jesus: Go deep: Pray.
Empty yourself. Sacrifice. And these final words from Jesus, ‘Be sure of this, I am with you always, to the very end of the earth!’”

Jim Book prayed for lunch and everyone was dismissed until 1:00.

After lunch, “Submerge” opened the afternoon session with music.

NYI
Todd Keller, NYI President, invited all the NYI delegates, youth and local NYI presidents to come closer, filling in the floor in front of the platform and the aisles while the council took the platform. Todd presented the challenge, “Don’t give up”. He told the congregation not to forget who we are and whose we are: sons and daughters of the Most High, King Jesus. His power in us will get us up for the mission of caring for the needy in our community and world. He told us not to let the culture make us forget who we are and how beautiful we are.

Todd told us the love story of a couple he met in Jamaica. Jason didn’t even notice Christine’s deformed hands because of how beautiful she was to him. Even after he noticed, he thought she was perfect. As the bride of Christ, we are perfect.

Todd reminded us that teen camp is coming up in July. He also thanked Pam Smith and Kim Brock for directing Celebrate Life. There are several youth going on to Regional Celebrate Life in May after participating at the district level in January. He thanked Ronda Hollars for directing our district in Encuentro 2016 in Puerto Rico and had the people who participated stand up. Then he said that Encuentro 2018 will be in Guatemala. He also thanked Josh Parker for leading the Fall Party, Scott Perschall for his service as treasurer, Sherry Sherwood as NYC (2019) director, Cheryl Sherwood as the college age encourager and Denise Voorman as the director for teen quizzing.

A video about the great chess player, Bobby Fisher, was shown. When he lost, instead of giving up, he said, “Again.” Todd told us that Jesus loves us so much that he has the gentle kindness to tell us that there will be trouble, but don’t give up, there’s nothing that can stop that love. He then told us that our city needs us and that we were called to use our talents, wisdom and seal for god. We are to start looking at our city, school, and church ministry differently. He reminded us that every member is a minister.

Todd introduced us to several people and told their inspirational stories of how God is using each of them. A babysitter, homemakers, artists, chefs, architect, writer, educator, a girl who loves to party; and more, all who made a difference by using the talents God gave them. From starting an inexpensive recording studio so that “clean” music can be produced to planting a church for gang members and many other ways of serving the community and Jesus. These examples show us not to give up and that we are capable of doing so much more because we have the power of Jesus within us.

Todd finished his report with this challenge: “You think you have not much to offer. Take a tour of your city. What do you see that is beautiful? What is working? What is unacceptable? What’s your next move?”

Delegates and guests were invited to a seminar of their choice in Workshops #1 2:15-3:05 which was followed by Workshop #2 3:10-4:00. We returned to Sanctuary for final business and closing by 4:05.
**Business**
Delegates were reminded to fill our surveys and to turn them in at the end of convention. Ronda made a motion that the secretary is authorized to edit the minutes and the ballots be expunged at the end of the business day. There was a second and the motion carried unanimously.

**Closing Challenge**
DS, Rev. Scott Sherwood, reminded us of our district’s purpose. He also told us that 3000 disciple makers, 30,000 followers, and 300 churches on our district won’t happen by doing what we’ve always done. He said that pawns are normally thought of as negative but they clear the way for those who come behind them. He prayed, “Lord please let me be a pawn even if I get taken out. I want to clear the way for others. I’d rather be a pawn for the Lord and not the king of my own kingdom.”

Rev. Sherwood encouraged us by saying that he believes there are 50 new churches in these pews. He wants us to have reckless abandon and listen to God. The other 250 churches will be grown from there. You can go to other places and preach a service again, teach a lesson again, do worship music. You can pick a different time of day, day of the week, and place to have church. We don’t start adult churches, we start baby churches. When we gather together missions disciples we have church. The Gospel is spreading faster today than in any other time. “I believe you have more potential than you give yourself credit for. You are doing good things and accomplishing so much more than you think.”

“The promise of having so many who will love Him is greater that the risk of some not loving Him.”

**Election Results**
NMI: Four elected to serve on the 2017-2019 NWIL NMI Council
Lisa Abbott, Ron Jansen, Laura Mata-Bolandi, and Heather Spengler

NYI: 2017-2019 President: Todd Keller            Vice President: Josh Parker
    Early Youth: Samuel Keller and Logan Singletary
    Senior Youth: Adam Keller and Hannah Seavey
    College Age: Libby Sherwood and Austin Smith

Rev. Morales led a prayer in Spanish for Dr. Broadbooks.

Dr. Broadbooks followed with a closing prayer.

Respectfully submitted,
Kristy Shreves, recording secretary

Bethany A. Smith, CPA
C. DISTRICT NYI TREASURER

March 1, 2016 to February 28, 2017

To the NWIL District NYI Council and Convention:

I would like to thank you for the opportunity to serve as the NWIL District NYI Treasurer for the 2016/2017 church year. It has been a privilege to work with the council, youth pastors & leaders, and teens.

We’ve had a financially sound year, beginning with $44,657.06 and ending with $39,314.37 on hand (as of 2/28/17). Income for all purposes totaled $75,924.01 with expenses totaling $81,266.70. Please reference the attached financial reports for the account breakdown.

These funds are currently held in a non-interest bearing checking account at Heartland Bank in Bloomington, IL. An audit of the NYI books will be completed in the next thirty days and the audit report will be available by request to the NYI Treasurer or District Finance Team.

Finally, I would like to thank all our local churches for their continued financial support. Of the $75,924.01 in income this year, $6,000.00 was received from the NWIL District Funding the Mission program. Your faithful giving has enabled the NYI council to provide quality programs for our teens across the district.

Respectfully Submitted,
