

SECOND MILE AWARD

The Second Mile Award recognizes those who show an exceptional spirit of faithful service in the pursuit of the mission “To make Christlike disciples in the nations.”

Presented through Sunday School and Discipleship Ministries International (SDMI), it is intended for anyone deserving of recognition for going the second mile – including Sunday School teachers and small group leaders, superintendents, other laity, pastors, and district leaders. Some recipients have been publicly visible, while others have quietly worked behind the scenes, impacting lives for Christ.

Jesus encourages His followers to offer themselves beyond what is required, to do more than is expected, because “it is the Lord Christ you are serving” (Colossians 3:24, NIV).

This exemplary award will be a treasured keepsake for the recipient who has demonstrated the qualities exhibited by second milers: perseverance, commitment, and compassion.

Available Awards:

- Trophy *and* certificate (5” X 8”) in a black vinyl, debossed holder (\$200)
- Certificate (5” X 8”) *only* in a black vinyl, debossed holder (\$125)

Proceeds are used for resourcing discipleship endeavors around the world.
