

SDMI TOTAL MINISTRY

EVERY PERSON IN
YOUR CHURCH, YOUR
NEIGHBORHOOD,
YOUR WORKPLACE,
AND YOUR FAMILY IS
SOMEWHERE ON
A JOURNEY OF GRACE.

The Board of General Superintendents has declared the year 2020 as “The Year of Discipleship” in the Church of the Nazarene. During the year, the General Superintendents plan to unveil, in every district worldwide, the biblical and Wesleyan framework of discipleship as “A Journey of Grace.” This journey encompasses prevenient grace (the pre-Christian), saving grace (the new Christian), and sanctifying grace (the mature Christian).

This definition of discipleship places all 7.6 billion people in the world on our discipleship map! Every person in your church, your neighborhood, your workplace, and your family is somewhere on A Journey of Grace. Christ calls His church to join His mission to make disciples in all nations.

The Apostle Peter challenges every believer with these words, “Each of you should use whatever gift you have received to serve others, as faithful stewards of God’s grace in its various forms” (1 Peter 4:10, NIV). As Nazarenes, we hold firmly to the belief in the sanctifying grace of our God. We believe the God of peace can sanctify every Christian’s heart, through and through. If we are walking in the sanctifying grace of God today, we must ask ourselves, “Are we being faithful stewards of God’s grace?” Stewarding God’s grace involves joining others in their journey from grace to grace to grace. We call this discipling!

SDMI is committed to developing, discovering, and delivering resources to be used by laity as we steward God’s grace by making Christlike disciples in the world! This Total Ministry brochure will help you discover resources available to help you and your church disciple others to Christ and in Christ!

May we all join the mission of God with the people of God!

WOMEN'S DISCIPLESHIP & MINISTRIES APP

The new Women's Ministry app devotionals are specifically designed to allow women to choose a subject that fits their spiritual needs. Each devotional track leads to a relevant conversation with our loving God.

" 'For the Word of God is alive and active...it exposes our innermost thoughts (Hebrews 4:12).' As a leader, I dream of a world where the first 'text message' a woman reads in the morning is from God's Word. The app is a revolutionary way to help make this happen more often. I love that I can help women set up their phone to get the app and know that even if they don't seek after God's Word on their own, His Word will come to them every single day!" -KALYN VOGELMANN, Women's Ministry Council member

SECOND MILE AWARD

The Second Mile Award is a special recognition reserved for individuals who have served God and His church with gracious persistence. The Second Mile Award is commonly awarded to Sunday School and small group leaders, clergy or lay, who are models of Christlikeness. Some have been publicly visible and some have served quietly, almost unseen. All have gone the second mile in service to God and others (Matthew 5:41). *For more information about the Second Mile Award call 913-577-2800.*

YOUTH BIBLE QUIZZING

Youth Bible Quizzing is about “guiding our youth into God’s Word and the Word into their lives.” While memorization of the Bible is unquestionably a valuable endeavor, the goal of Bible Quizzing is to move students of the Word to become implementers of the Word. Through Bible Quizzing, we want our youth to be constantly asking the question, “How does this passage shape how we live?”

WESLEYAN-HOLINESS DIGITAL LIBRARY

SDMI serves globally in 194 ministry languages. In some world areas the Bible, or some portion thereof, is the primary teaching resource. SDMI global resourcing assesses needs and develops means for making additional discipleship resources available.

"All of our districts are new, small, and developing.

Our similar task is to find a way to grow and develop the church, making a greater impact in the cultures and nations where we are...only one district...has adequate...materials for their churches...All the other districts have very limited curriculum available in the Wesleyan tradition."

—JAY SUNBERG (Field Strategy Coordinator, Central Europe)

The Wesleyan-Holiness Digital Library delivers content in a variety of languages and formats to remote locations around the globe. Cutting-edge technology, a global collaborative team from a broad range of disciplines, a shared passion to resource pastors and leaders across the globe, and God's provision: Together, these elements have culminated in a story of innovation that is bridging the gap between those with abundant resources and those with few.
