

# THE KIDS REACHING KIDS MISSION OFFERING PROJECT

## MINISTRY OVERVIEW/ACTION PLAN APPLICATION

2021

## Section 1 – Kids Reaching Kids Holistic Approach

---

The Kids Reaching Kids Mission Offering Project is the annual children's mission offering emphasis. The money from this offering funds varied projects, including a major focus each year.

Kids Reaching Kids believes the lives of children are impacted most effectively by a holistic approach. A holistic approach impacts lives mentally, physically, spiritually and socially.

- **Mentally** through education to children's minds.
- **Physically** through compassion to have children's basic needs met.
- **Spiritually** through evangelism to reach children for Christ.
- **Socially** through discipleship to strengthen children's faith.

This holistic approach is biblical and is modeled in the life of Jesus. Luke 2:52 reveals how Jesus' life was shaped in a holistic fashion.

*Jesus grew in wisdom (mentally) and stature (physically),  
and in favor with God (spiritually) and men (socially).*
