THANK YOU

Your faithful, sacrificial giving is making an impact around the world.

This year, your generosity has been overwhelming. Because of you, we have received the largest level of World Evangelism contributions since 2016!

These funds are crucial to fulfilling our mission, from training the next generation of disciple-makers to supporting our neighbors in times of disaster and hardship.

Despite the turmoil and uncertainty around us, you have chosen to trust God and follow His leading. That trust has led to innovations that have expanded the reach of local churches beyond the bounds of the church building, the community, or even the city in which they are located.

The way forward may look different than the past, but the One who is “the way and the truth and the life” remains the same. Not even a global pandemic can prevent our God-ordained, Jesus-commissioned, Holy Spirit-empowered mission! Therefore, let us continue “to make Christlike disciples in the nations.”
