HOW TO reset a user after login failure

Each District user has the ability to reset a local church user's failed login count. After too many failed login attempts, the local church user account will be locked, and they will need to contact the District Office or Stewardship Development to reset their account. You can see more how-to directions on our [FAQ page](#), or email us at stewardship@nazarene.org.

- 1 Open a browser and go to fundingthemission.org. Click "Login" at the top right. Follow the prompts to enter your login information.
